Honorable Members in Session:

Subject: Adjustments in Personnel Assignments at S.H.R.A.

## Summary

This report regards adjustments in personnel assignments at the Sacramento Housing and Redevelopment Agency as a result of the recent appointment of an interim Executive Director at the Sacramento Transit Development Authority (STDA).

## Background

On September 17, 1984, William H. Edgar was appointed as Interim Executive Director of the Sacramento Transit Development Authority for an interim period of ninety days. As a result of Mr. Edgar's appointment there will be adjustments in personnel assignments that need to be made at the Agency during this interim ninety day period. Most of these adjustments will be identified at a later date. Any proposed adjustments will also be reviewed by the County Executive and City Manager prior to submittal to the City Council and Board of Supervisors for approval.

OFFICE OF THE  
CITY CLERK

01101A

APPROVED  
BY THE CITY COUNCIL

The one adjustment that needs to be considered at this point by the City Council and Board of Supervisors is appointment of an Acting Executive Director for the Agency. The recommendation is to appoint Andy Plescia, the current Deputy Executive Director, as Acting Executive Director during the subject interim ninety day period of Mr. Edgar's absence. This action will provide for the proper continued operation of the Agency.

## Financial Data

The proposed action will result in a savings for the Agency. The additional cost for the adjustment to Mr. Plescia's salary is offset by the savings from the Agency not paying for Mr. Edgar's salary for the balance of the 1984 calendar year. For the balance of 1984, the adjustment to Mr. Plescia's salary would be \$2,500 and the savings from not paying Mr. Edgar's salary is \$27,500, or a net savings of \$25,000.
