Honorable Members in Session:

SUBJECT: Joint Use and Development Agreement with the Elk Grove Unified School District

SUMMARY

This report recommends that the City Manager, by resolution, be authorized to execute an agreement between the City and Elk Grove Unified School District for the use and development of certain school and City facilities for community recreation purposes.

BACKGROUND INFORMATION

This agreement is designed as a blanket open-ended document covering the basics of joint use and development including fee-exempt usage of each agency's facilities by the other and provisions for continued joint development of facilities. It is anticipated that specific program proposals and/or specific site improvements will be covered by separate agreements or addendum to this main agreement. This agreement replaces a 1966 agreement and the new one is consistent with those developed with the Sacramento City and Natomas Districts.

FINANCIAL DATA

There is no financial commitment on the part of the City for use of facilities and only the appropriated costs for each site park development as approved at some later date by the City Council.
