

RESOLUTION 2026-0072

Adopted by the Sacramento City Council

March 17, 2026

Disbursement of Homeless Housing, Assistance and Prevention Grant Funds for Youth Sheltering

BACKGROUND

- A. Homelessness is an issue that impacts communities without regard to geographic or political boundaries and for which there is no single answer or approach. Shelters play a significant role in addressing homelessness and as such it is necessary to create a systemic approach to addressing homelessness which includes low to no barrier crisis shelters. The City of Sacramento recognizes the important role that such shelters play in helping move people out of homelessness and into permanent housing.
- B. According to the 2024 Point in Time Homeless Count released by the Sacramento County Continuum of Care, the County of Sacramento had a homeless population of 6,615 individuals, a decrease of 28.7% since 2022. Approximately 335 Transitional Age Youth were experiencing homelessness, a decrease of 53% since 2022.
- C. The Homeless Housing, Assistance and Prevention Program (HHAP) was signed into law by Governor Gavin Newsom on July 31, 2019. Authorized by Assembly Bill 101 (Chapter 159, Statutes of 2019), HHAP is designed to provide jurisdictions with one-time grant funding to support regional coordination and expand or develop local capacity to address immediate homelessness challenges.
- D. On June 28, 2022 the Sacramento City Council adopted Resolution No. 2022-00787, authorizing the City Manager or the City Manager's designee to receive HHAP-3 funding from the State of California ("State").
- E. The City has coordinated with Sacramento Steps Forward (SSF), the local Homeless Continuum of Care (CoC) Lead Agency, as part of the collaborative approach to utilize the combined City and CoC allocations of HHAP-1, HHAP-2, HHAP-3, HHAP-4, and HHAP-5 funding for Transitional Age Youth programming.

F. On February 6, 2024 City Council adopted resolution 2024-0039 authorizing a Memorandum of Understanding (MOU) with SSF to receive \$832,311 of SSF's HHAP-3 funds and \$1,233,309 of SSF's HHAP-4 funds to support the operation of shelters serving Transitional Age Youth between the ages of 18 and 24. The Department of Community Response (DCR) seeks to execute an amendment to the MOU with SSF to receive and administer an additional \$300,000 of SSF's HHAP-3 funding to support the operation of TAY shelters.
