SUMMARY:

Presented herewith for approval is a consultant services agreement for an amount not to exceed \$23,484 between The Spink Corporation and the City of Sacramento for the preparation of engineering design and development for public improvement of Lake Crest Village No. 6.

BACKGROUND:

This agreement is presented to conform to the guidelines of the policy for Retention of Professional Consultants for City Projects adopted February 26, 1980. The charges shall represent hourly charges for personnel involved in the work, materials, supplies, stakes, mileage and prints needed in the work process, with the total fee not to exceed \$23,484. This fee is customarily collected in two payments; one half of the fee before design work is commenced and the other half of the fee prior to the start of construction. The City was paid \$30,900 on April 6, 1983 as an advancement by the developer for the design work for Lake Crest Village No. 6.

It is recommended that the City Manager and City Clerk be authorized to execute the subject agreement by passage of the attached resolution.

Respectfully submitted,
