Members of the Public Addressing the City Council

Purpose of Public Comment. The City provides opportunities for the public to address the City Council as a whole in order to listen to the public's opinions regarding unagendized matters within the subject matter jurisdiction of the City during Regular meetings and regarding items on the Agenda at all other meetings.

- Public Comments should not be addressed to individual Members nor to City officials, but rather to the City council as a whole regarding City business.
- While the public may speak their opinions on City business, personal attacks on Members and City officials, use of swear words, and signs or displays of disrespect for individuals are discouraged as they impede good communication with the City Council.
- Consistent with the Brown Act, the public comment periods on the agenda are not intended to be "Question and Answer" periods or conversations with the City Council or City officials. The limited circumstances under which Members may respond to public comments are set out in Rule 8D2 of the Council Rules of Procedure.
- Members of the public with questions concerning Consent Calendar items may contact the staff person or the Councilmember whose district is identified on the report prior to the meeting to reduce the need for discussion of Consent Calendar items and to better respond to the public's questions.
