ADOPTED BY THE SACRAMENTO CITY COUNCIL  
ON DATE OF APR 13 2004

**AN ORDINANCE AMENDING CHAPTER 5.32 OF  
THE CITY CODE PERTAINING TO CARDROOMS**

**BE IT ENACTED BY THE COUNCIL OF THE CITY OF SACRAMENTO:**

**SECTION 1.**

Chapter 5.32 is amended to read as follows:

**5.32.010 Cardroom--Defined.**

For the purposes of this chapter, the term "cardroom" means and includes any place which holds a license to operate a public cardroom within the city and engages in the business of operating card tables.

**5.32.020 Cardroom license--Required.**

It is unlawful for any person to engage in, carry on, maintain or conduct or cause to be engaged in, carried on, maintained or conducted any cardroom or tables which are used by the public for playing of cards and at which money or anything of value is wagered or for the use of which a fee or compensation is charged players, without first obtaining a license from the city.

**5.32.030 Statement of purpose.**

ORDINANCE NO.: 2004-018

DATE ADOPTED: APR 13 2004

The regulatory provisions of this title are necessary to ensure that cardrooms are operated reasonably for the protection of public health, safety, and welfare and to conform to state-mandated requirements set by the Gambling Control Act found in the Business and Professions Code commencing with Section 19800, et seq. Although many operators are highly reputable, some are not. Gaming can bring enjoyment and entertainment for patrons, but also undesirable elements such as compulsive gambling, cheating, dishonesty, criminal violations and peace disturbances.

If all licensees were reputable and vigilant, very little supervision would be necessary. However, the city has found that some licensees require exhaustive monitoring and enforcement. Thorough screening of applicants prior to licensure is desirable. Pursuant to Section 5.32.060 of this chapter, the city manager, with the assistance of the chief of police, will conduct a thorough investigation into the background of applicants in order to assure that potential licensees will not foster criminal activity, will not be detrimental to the health, safety and welfare of the city, are of sound moral character, and that licensure is in the public interest.

Section 5.32.070 of this chapter limits the number of cardroom licenses issued to one for each one hundred thousand (100,000) residents of the city, with a maximum of four. The purpose of this limitation is to limit the gambling within this community to a level which will be a source of entertainment and recreation for local citizens while preventing a casino-like atmosphere in this community. A casino-like atmosphere, where gambling becomes a major industry or attraction and the community a center for gamblers from other jurisdictions, is detrimental to the development of this community. Increased and unrestrained gambling creates greater law enforcement problems, thereby compromising the ability of law enforcement to control the criminal and peace-disturbing effects thereof and diverting police resources from other law enforcement activity. Limiting the number of licenses and cardrooms to one for each one hundred thousand (100,000) residents, with a maximum of four, assists in the accomplishment of these goals as opposed to permitting a greater number of licensed cardrooms.

Accordingly, the chief of police has determined, and the city council finds, that a limitation of one cardroom per one hundred thousand (100,000) residents of the city, with a maximum of four, will minimize many of the abovementioned problems without undue burden on stable and reputable cardrooms. The purpose of this title is to protect the health, safety, and welfare of the citizens of the community, to assure that city law enforcement resources are efficiently allocated, and to provide cardrooms where citizens of this city can safely enjoy the entertainment provided by reputable cardrooms.

In addition to the aforementioned business operations tax, under Chapter 3.08 of this code, a nonrefundable application fee established by resolution of the city council shall be charged and collected from the applicant at the time of making application under Section 5.32.040 of this chapter.

In addition to any application fee and business operation taxes imposed by the city on the

business of a cardroom, each licensee shall be charged a quarterly table operation fee for each card table operated by the licensee or to be operated by the applicant. The amount of this quarterly fee shall be set by resolution of the city council and shall be based upon any and all costs incurred by the city related to this title, including but not limited to the cost to the city of enforcement and revenue administration of this title.

The quarterly table operation fee shall be paid quarterly in advance by the applicant or licensee to the revenue division. The first quarterly fee shall be due at the filing of the initial application for a cardroom license. Thereafter, the quarterly table operation fee shall be paid, in advance, for the succeeding quarter. Payment shall be made on or before January 1st, April 1st, June 1st, and September 1st; except that, if any of these days falls on a Sunday or a city holiday, the quarterly due date for payment shall be the day before such Sunday or city holiday. The quarterly table operation fee shall be delinquent if not received or postmarked on or before the quarterly due date for payment as such quarterly due date is defined above. All licensees shall pay the quarterly table operation fee commencing April 1, 1995.

Prior to the beginning of each quarter, the licensee shall notify the chief of police as to the number of tables to be operated for that new quarter and shall pay to the revenue division the table operation fee accordingly. Upon payment of the quarterly table operation fee, the revenue division shall issue a receipt indicating the number of tables the licensee is permitted for that quarter. In the event that the licensee reduces the number of tables in operation during a quarter, the city shall not rebate any of the previously paid table operation fee for that quarter. In the event that the licensee desires to increase the number of tables in operation during a quarter, the licensee shall pay to the revenue division the additional table operation fee for that entire quarter regardless of when during the quarter the additional table(s) are added.

Exempted from this quarterly fee are tables in excess of the number specified on the license and which are used for promotional or tournament play; provided, however, that pursuant to Section 5.32.180(B) or (L) of this chapter, the total number of regular tables and promotional/tournament tables in use shall not exceed eight. Such promotional or tournament play and the use of such additional tables for such promotions and tournaments shall not exceed four days in any calendar month. The chief of police shall be notified seven days in advance of the promotional or tournament events and shall be notified of the duration and dates of such events.

On the denial by the city of an application of a cardroom license, the quarterly table operation fee paid by the applicant or licensee shall be rebated to the applicant or licensee by the revenue division. The rebate shall not be made by the revenue division until the

appeal period on the denial has elapsed or, if an appeal is filed, until a final decision upholding the denial has been made and the appeal has become final in the administrative or judicial process, whichever is applicable.

If the applicant's or licensee's appeal of the denial is granted, the applicant or licensee shall owe and pay the appropriate table operation fee to the revenue division prior to the issuance of the cardroom license.

**5.32.060 City manager's action on application.**

An application for a cardroom license shall be investigated by the city manager who shall obtain recommendations and reports from the chief of police concerning the character of the applicant, or any individual listed in 5.32.040, subsection A, and any law enforcement problems which the issuance of the license might tend to create, from the planning director concerning the compatibility of the proposed use of the premises with existing zoning regulations and with neighborhood land uses, and from such other sources, including residents and businesses in the area, as the city manager may deem appropriate.

The city manager may deny an application for a cardroom license if, in the city manager's opinion, the cardroom is to be located in an area of the city where, or operated under circumstances in which it might tend to create a public nuisance, where the granting of the license would be contrary to the public interest, or issuance of a license to the applicant is, in the opinion of the city manager, contrary to the interests and health, safety and welfare of the city.

**5.32.070 Limitation on the number of cardroom licenses.**

No cardroom license shall be granted when the number of cardroom licensees in the city exceeds the ratio of one cardroom for every one hundred thousand (100,000) population of the city according to the latest population figures from the California Department of Finance; provided, however, that the maximum number of cardroom licenses which may be issued shall not exceed four.

The number of cardroom licenses shall be reduced whenever any cardroom license is revoked, surrendered, expires without renewal or the licensee is no longer licensed by the state of California. No current licensee whose license is hereafter revoked or surrendered, or expires without renewal shall be eligible for a new license until the number of cardroom licenses in the city is fewer than four and he or she is selected according to the procedure described in this title for selection of new licensees.

**5.32.080 Work permits required for cardroom employees.**

Cardroom employees shall be required to obtain a work permit from the chief of police. For the purpose of this section, cardroom employees are defined as any natural person employed in the operation of the cardroom, including, without limitation, dealers, floor persons, security employees, countroom personnel, cage personnel, collection personnel, surveillance personnel, data processing personnel, appropriate maintenance personnel, waiters and waitresses, and secretaries, or any other natural person whose employment duties require or authorize access to restricted cardroom establishment areas. Only one work permit shall be required each year even though the holder of a work permit may change his or her place of employment within the city. Each cardroom employee shall pay the sums established by resolution of the city council for his or her first permit, and for a permit renewal.

The chief of police shall deny an application for a work permit if, in the opinion of the chief of police, approval of the application is contrary to the interest and the health, safety and welfare of the city, or if the applicant has been convicted of a felony or any other offense involving moral turpitude, or has been convicted of any narcotics violation or violation of any gambling laws or ordinances, or convicted of any fraud-related crimes, or if the applicant would be disqualified from holding a state gambling license for any of the reasons specified in California Business and Professions Code Section 19850A. All applicants must provide a full set of fingerprints to be submitted to the Department of Justice for a criminal history background check.

Any application for a work permit shall be subject to objection by the California Division of Gambling Control. If the division objects to the issuance of a work permit, it shall be denied. Such a denial may be reviewed in accordance with the Gambling Control Act (California Business and Professions Code Sections 19801 et seq.).

**5.32.090 Issuance of new cardroom licenses.**

Whenever the number of licenses falls below four, the city manager shall notify all persons who have expressed interest in obtaining a cardroom license that a cardroom license is available, requesting that any person who wishes to be considered for the license should notify the city manager. The city manager shall also place an advertisement in a newspaper of general circulation in the city and give additional public notice of the availability of a license as he or she deems appropriate. The notice shall set forth a date when potential applicants must file a letter of intent to apply for the license. Notice shall be deemed sufficient when it is provided pursuant to Government Code Section 6063.

The city manager shall thereafter conduct a lottery among all those expressing interest in the available cardroom license, for the purpose of establishing the sequence in which potential applicants shall be considered for the available license. Specific rules and procedures for the lottery shall be established by the city manager and approved by resolution of the city council.

If the selected applicant fails to qualify for a license or elects not to proceed with the license process, applicants drawn in sequence in the lottery shall be considered until the cardroom license is issued.

**5.32.100 Appeals of action on applications or conditions.**

Any applicant wishing to appeal the decision of the city manager in granting or denying an application for or a renewal of a cardroom license or the decision of the chief of police in denying an application for a work permit or imposing conditions on a license to the city council may do so by filing a written notice of appeal with the city clerk not later than ten (10) days after the date of the decision. Upon failure to file a notice of appeal within the ten (10) day period, the action of the city manager or chief of police shall be final and conclusive.

Appeals to the city council shall follow the procedures set forth in Sections 1.24.010 to 1.24.110 of this code, including referring appeals to a hearing examiner.

**5.32.110 Suspension and revocation of cardroom license or work permit.**

The city manager shall have the right for cause to revoke or suspend any cardroom license issued hereunder, and the chief of police shall have the right for cause to revoke or suspend any cardroom work permit issued hereunder. Any of the grounds upon which the city manager and the chief of police may refuse to grant a cardroom license application or cardroom work permit application shall also constitute grounds for such revocation or suspension. In addition, the failure of a cardroom licensee or cardroom work permit holder to comply with the provisions of this title shall also constitute grounds for revocation or suspension of the license or work permit.

Cardroom licensees shall continuously operate a cardroom while holding a valid cardroom license. If any person licensed hereunder fails to maintain and continuously operate a cardroom for a period of ninety (90) consecutive days or more in accordance with the provisions of this title, the license shall automatically be revoked. A licensee may appeal any automatic revocation within the time and in the manner set forth in Section 5.32.100 of this chapter.

Upon failure to timely file a notice of appeal, the action of the city manager or chief of police shall be final and conclusive.

**5.32.130 Temporary suspension.**

A. The city manager shall have the authority to temporarily suspend a cardroom license and to order the licensee to immediately cease and desist any further operation of the cardroom during the time an appeal is pending pursuant to the provisions of this chapter if the chief of police finds that such temporary suspension is necessary in order to protect against a serious and immediate threat to the public health, safety, morals or welfare caused by exercise of the license and one of the following occurs:

1. The licensee is in violation of any of the provisions of this chapter, the penal code of the state of California, or any other applicable federal, state or local law, rule or regulation; or
2. The chief of police finds that by reason of criminal activity occurring on the cardroom premises, or by virtue of acts by the patrons of the cardroom, that the public is subject to the immediate risk of harm or criminal, deceitful or otherwise unethical practices.

**5.32.140 Temporary suspension--Notice of suspension and appeal.**

A. The temporary suspension shall be effective twenty-four (24) hours following delivery of a temporary suspension notice to the licensee.
