SUBJECT: Street Name Change on Recorded Map of Valley Hi, Unit No. 33

Subdivision from Duchess Way to Amblelane Way (M-535)

SUMMARY

This is a request to change a street name within a recently recorded subdivision in the Valley Hi area. The staff recommends favorable consideration of this request as this change would eliminate duplication and identical pronounciation with an existing street name in Sungarden Subdivision.

BACKGROUND INFORMATION

The attached request from the Traffic Engineering Department of this subdivision indicates that the recently recorded map of this subdivision contained a street name which duplicated and contained an identical pronounciation with an existing street name in Sungarden Subdivision. The owner understands that any expenses incurred as a result of this street name change will be his responsibility. At the present time, there are no structures on the street.

RECOMMENDATION

The staff recommends that the Commission approve the proposed street name change and recommends favorable consideration by the City Council

Respectfully submitted,

Howard Yee

Principal Planner
