Honorable Members in Session:

SUBJECT: Recommendation of Bid Award for SURFACE IMPROVEMENTS AT
2ND AND I STREET

SUMMARY:

The subject project, as a part of the City's Capital Improvement Program, has been advertised for bids. Bids have been received and the City Engineer hereby recommends bid award.

BACKGROUND:

On January 27, 1981, the City Council approved plans and specifications for SURFACE IMPROVEMENTS AT 2ND AND I STREETS and bids were received and opened by the City Clerk in the Council Chambers on February 17, 1981. Bids received are as follows:

Dig It Engineering & Construction Co., Inc.	\$ 96,033.50
C.S.V. Sprinklers, Inc.	96,442.00
Granite Construction Co.	106,045.55
C.V. O'Neill, Inc.	107,279.00
Teichert Construction	108,244.00

The engineer's construction estimate for this project is \$89,807.00. Although the low bid of Dig It Engineering & Construction Co., Inc. in the amount of \$96,033.50 is 6.93% above the engineer's estimate, we feel it is the best bid obtainable.

FINANCIAL:

In F.Y. 1980/81 the City Council approved in the Engineering Department's Budget \$105,000.00 of Housing and Redevelopment Capital Improvement Funds for the subject project. Total amount currently available is \$100,008.57.
