City Council
Sacramento, California

Honorable Members In Session:

SUBJECT: Resolution Authorizing Execution of Agreement Between the County of Sacramento and the City of Sacramento for Contract Administration of Fruitridge Road FAU Project Between Power Inn Road and the Central California Traction Company Tracks

SUMMARY

Presented herewith for approval is an agreement between the County of Sacramento and the City of Sacramento for the County to advertise, award and administer the subject contract in conformance with City, Federal and State requirements.

BACKGROUND

The City is receiving 86% Federal Aid Urban funding for this project which will widen the road to provide four travel lanes, a two-way median left turn lane, bicycle lanes, intersection up-grading, curbs, gutters and sidewalks. The City has requested the County to administer the subject contract as they have done in the past since they are thoroughly familiar with the many State and Federal requirements and the City presently does not have sufficient staff to administer the work in compliance with existing regulations. It is estimated that the project will be advertised in February or March of 1985.

FINANCIAL DATA

There is currently \$573,000.00 budgeted from Gas Tax and Major Street Funds for the subject contract with an unencumbered balance of approximately \$367,000.00 as of September 28, 1984. These funds appear to be sufficient for the City's portion of the project.
