Death in Custody Investigation – 3600 Block of Jasmine Street

On July 23, 2024, just before 4:30 p.m., Sacramento Police Department patrol officers responded to a welfare check in the 3600 Block of Jasmine Street. A family member reported that an individual was under the influence of narcotics and potentially going to harm himself. When officers arrived on scene, they located a male white adult (51 years old) matching the description given on the call, sitting nearby holding a knife. The individual threw the knife in the street, fled from officers, and entered a nearby parked vehicle. Officers continued to talk with the individual in an effort to de-escalate the situation. Ultimately, officers were able to remove him from the vehicle. The individual was detained in handcuffs and placed in the back seat of a patrol vehicle. As a precaution, officers requested the Sacramento Fire Department respond to evaluate the individual. The individual became unresponsive, and emergency medical aid was performed by Sacramento Fire personnel. The individual was transported to an area hospital, where unfortunately he was pronounced deceased.

Due to the male having a medical emergency while detained by our officers, the department initiated a death-in-custody investigation. Officer-Involved Shooting – Beloit Drive & Bell Avenue

On September 14, 2024, at approximately 4:31 p.m., Sacramento Police Department patrol officers observed a suspicious vehicle with suspended registration in the area of Beloit Drive and Bell Avenue. An individual believed to be associated with the vehicle abandoned the car prior to officers contacting him. Officers located the individual who was hiding on the roof of a nearby RV. Officers verbally contacted the individual who spontaneously jumped from the top of the RV in an attempt to flee. Officers attempted to detain the individual and during that time an officer-involved shooting occurred.

Officers rendered emergency medical aid to the individual who was transported to an area hospital for his injuries and is currently in stable condition. An officer sustained minor injuries during this incident.

The individual is currently in custody for an outstanding felony no-bail warrant for being a prohibited person in possession of a firearm.

This incident is being investigated by the Sacramento Police Department's Homicide Unit, Internal Affairs Division, and Professional Standards Unit. OPSA COMMUNITY ENGAGEMENT

OPSA INITIATIVE: COMMUNITY CONVERSATION TOURS

OPSA kicked off its ‘Community Conversation Tours’ Initiative with phase one solely focusing on organizations in the City of Sacramento. The purpose of this initiative is to create ongoing public engagement opportunities between organizational stakeholders and OPSA oversight practitioners.

Learning through community conversations is essential in providing the best quality of life for Sacramento residents. Honest and transparent dialogue is essential in ensuring that public safety reform efforts encompass the meaningful and transparent inclusion of community perspectives.

Our community conversation tours are informative for OPSA personnel as well as Sacramento organizational stakeholders. OPSA shares the office’s vision and mission for establishing oversight and accountability in the city’s public safety agencies as well as discuss how the office can be utilized as a community resource.
