Honorable Members In Session:

SUBJECT: Extension of Existing Contract

### SUMMARY

The Police Department is requesting the extension of the contract with Datalease for the Communications Center Computer Maintenance for an additional two months through April 14, 1986.

### BACKGROUND INFORMATION

A contract was awarded by the City Council to Datalease on December 4, 1984. The Police Department requested a two month extension approved by the Council on November 6, 1985 in order to have sufficient time to prepare and evaluate a Request for Proposal. The Police Department is now requesting a further extension through April 14, 1986 to allow additional time for evaluation and negotiation. The additional cost is \$6,024.00 for a total contract amount of \$28,249.50.

### RECOMMENDATION

It is therefore recommended that, in the best interest of the City, the City Council approve the extension of the existing contract with Datalease through April 14, 1986 for \$3,012.00 per month.
