Honorable Members In Session:

SUBJECT: Del Paso Heights No.9 (PN:TE66) - Resolution Approving Negative Declaration

SUMMARY

The Environmental Coordinator finds that this project will not have a significant adverse effect on the physical environment and, therefore, recommends that the project and a Negative Declaration be approved by the City Council.

BACKGROUND

In accordance with the State EIR Guidelines for implementation of the California Environmental Quality Act of 1970, dated June 1986, an initial study was performed. As a result of this study, it was determined that the Del Paso Heights No.9 project would not have a significant adverse effect on the physical environment, and a Draft Negative Declaration was prepared.

On June 14, 1989, the Negative Declaration was filed with the County Clerk. On June 19, 1989, Notice of Opportunity for Public Review of the Draft Negative Declaration was published in the Sacramento Union. The appropriate length of time has elapsed for comments regarding the Negative Declaration with no comments having been received.

This project will replace the existing deteriorated pavement, install curb, gutter and sidewalk, replace the inadequate drainage system and install new street lighting.
