BACKGROUND INFORMATION

The Meadowview Street Lighting Assessment District is being initiated at the request of homeowners within the proposed benefit area. A total of four neighborhood meetings have been held to inform the residents on the street lighting improvements and to receive their input on the proposed district. The district will include 961 single-family lots and five multi-family lots. The assessment for a typical single-family home is \$623. This equates to approximately \$175 per year for a five-year period.

On September 17, 1991, the following bids were received:

M&M Electric Co.	\$459,969.00
Azteca Construction	529,000.00
Richard A. Heaps Electrical Construction, Inc.	640,127.00
Manuel Brothers, Inc.	706,042.00
Contra Costa Electric, Inc.	746,478.00
Moreno Trenching, Ltd.	755,949.00
Steiny and Company, Inc.	763,660.00
St. Francis Electric	928,000.00

The low bid of \$459,969 is approximately 14.8% below the engineer's estimate.

We have been informed by the City Clerk that as of October 2, 1991, one protest has been received. This represents less than 1% of the district.

FINANCIAL CONSIDERATIONS

This project will be financed by the property owners within the district, the Sacramento City Unified School District, and the Sacramento Housing and Redevelopment Agency (SHRA). SHRA owns 20 residential lots, and the School District has three schools in the area. Both agencies have executed agreements with the City to make a contribution to the district. The total cost of the project is \$627,214.13. The total amount to be assessed to property owners is \$595,878.98 and is itemized as follows:

Estimated Construction Cost	\$459,969.00
Contingency	22,998.45
Engineering and Project Management	50,000.00
Incidental Expenditures	43,596.97
Reserve Account	35,752.74

School Contribution	- \$ 19,940.55
SHRA Contribution	- <u>11,394.60</u>

The above expenditures are detailed in the Engineer's Report on file with the City Clerk. Final budgeting recommendations will be made at the time of contract award.

POLICY CONSIDERATIONS

The procedures under which this district is being formed are set forth in the California Streets and Highways Code, specifically Division 12, entitled, "*Municipal Improvement Act of 1913*," and Division 10 entitled, "*Improvement Bond Act of 1915*."

MBE/WBE

Plans and specifications were sent to 19 plan rooms and construction services organizations for publication and use by the construction industry of Northern California. There are 4 organizations on the distribution list that are directly involved with the MBE/WBE contractors. There were nine plan holders for the project, including three certified MBE contractors and one certified WBE contractor. Three MBE bids were submitted. The low bidder was not a MBE/WBE contractor.

MEADOWVIEW STREET LIGHTING ASSESSMENT DISTRICT NO. 91-01

METHOD OF SPREADING ASSESSMENTS

The following describes the proposed method of spreading assessments for Meadowview Street Lighting Assessment District No. 91-01, City of Sacramento, County of Sacramento, State of California.

There are 946 parcels within the Meadowview Street Lighting Assessment District No. 91-01. Each of the parcels contains one residential unit except for the parcels denoted Assessment Nos. 267, 270 and 329, each of which contains 4, 6 and 4 residential units, respectively. Since each residential unit within the district benefits equally, the assessment assigned to each parcel was spread on the basis of the number of residential units upon such parcel.
