SUBJECT: Cancellation of Bid No. 1312

SUMMARY

The Planning and Development Department is requesting authorization to cancel a bid for the installation of a Computer Local Area Network (LAN), estimated at \$80,000.00.

BACKGROUND INFORMATION

On February 14, 1989, the City Council adopted specifications for Bid No. 1312 for a computer LAN which would be compatible with other LANs throughout the City. Bids were scheduled to be received on March 14, 1989.

However, during a required pre-bid conference several suggestions were made by vendors which resulted in options not previously considered, thus requiring additional staff evaluation. Because of this fact, it is staff's belief that, in the best interest of the City, Bid No. 1312 should be cancelled and rebid at a later date with revised specifications.

RECOMMENDATION

It is recommended that, pursuant to Section 57.307 of the Sacramento City Code, City Council cancel Bid No. 1312 and re-bid for this requirement at a later date.
