NOTICE OF PUBLIC INFORMATION MEETING AND  
NOTICE OF IMPROVEMENT

BOULEVARD PARK STREET LIGHTING ASSESSMENT DISTRICT NO. 92-01

At 7:30 P.M. on May 4, 1993 at the Chambers of the City Council, 915 I Street, Sacramento, California, the City Council of the City of Sacramento will hold a public information meeting and at 7:30 P.M. on May 11, 1993, at the Chambers of the City Council, 915 I Street, Sacramento, California, the City Council will hold a public protest hearing on the Resolution of Intention (adopted July 21, 1992), and the Engineer's Report for Boulevard Park Street Lighting Assessment District No. 92-01, City of Sacramento, Sacramento County, California. The purpose of the public information meeting and the public protest hearing is to receive and consider protests against the proposed improvement, the extent of the assessment district, or the proposed assessment.

The proposed improvement is briefly described as follows:

- a) The construction and installation of a complete high pressure sodium street lighting system together with all necessary appurtenances thereto in C Street from a point 110 feet, more or less, East of 22nd Street to a point 80 feet, more or less, East of 24th Street; in D, E and F Streets from a point 40 feet, more or less, East of 20th Street to a point 40 feet, more or less, East of 24th Street; in G,H, I and J Streets from a point 80 feet, more or less, East of 16th Street to a point 40 feet, more or less, East of 24th Street; in 17th, 18th, 19th and 20th Streets from a point 80 feet, more or less, South of F Street to a point 160 feet, more or less, South of J Street; in 21st and 22nd Streets from a point 80 feet, more or less, South of C Street to a point 160 feet, more or less, South of J Street; and in 23rd Street from B Street to a point 160 feet, more or less, South of J Street and in 24th Street from C Street to a point 160 feet, more or less, South of J Street.
- b) The acquisition of all lands and easements and the performing of all work incidental to any of the above and necessary to complete the same.

The total estimated cost of the proposed improvement is \$1,895,441.04.

At the time and place set forth above, the City Council of the City of Sacramento will also hold a public hearing on the public convenience and necessity of the improvement, pursuant to the provisions of Article 16, Section 19 of the California Constitution, without compliance with the provisions of the Special Assessment Investigation, Limitation and Majority Protest Act of 1931.

If owners of more than 50% in area of the land subject to assessment file a written protest, and protests are not withdrawn so as to reduce the protests to less than a majority, the project will be abandoned unless the City Council overrules the protests by a 4/5th vote of its members.

In the event that the amount provided for in these proceedings is insufficient to pay various costs and expenses incurred from time to time by the City and not otherwise reimbursed to the City which result from the administration and collection of assessment installments or from the administration or registration of the improvement bonds and the various funds and accounts pertaining thereto, this Council intends, pursuant to Section 8682.1 and subparagraph (f) of Section 10204 of the California Streets and Highways Code, to provide for an annual assessment upon each of the parcels of land in the proposed assessment district to provide therefor. The maximum amount of such annual assessment for the entire assessment district shall be \$19,000.00, levied on each assessed parcel pro rata to its original assessment.

For further particulars, you may refer to the Resolution of Intention and the Report, which are on file with the City Clerk at 915 I Street, Sacramento, California 95814. Inquiries about the protest proceedings will be answered by Ron Wicky, Special Districts Analyst, Public Works Department, City of Sacramento, 915 I Street, Room 207, Sacramento, CA 95814; Telephone (916) 264-5628.

Any interested person may file a written protest with the City Clerk at the address given above, at or before the time set for the hearing. Each protest must contain a description of the property in which the signer is interested, sufficient to identify the property.

DATED: March 2, 1993
