RESOLUTION NO. 2007-440

Adopted by the Sacramento City Council

INTENTION TO ANNEX TERRITORY TO THE NEIGHBORHOOD PARK MAINTENANCE COMMUNITY FACILITIES DISTRICT NO. 2002-02 AND TO LEVY A SPECIAL TAX WITHIN THE ANNEXED TERRITORY TO FINANCE PARKS MAINTENANCE SERVICES (ANNEXATION NO. 17)

BACKGROUND:

- The City Council (the "Council") of the City of Sacramento (the "City") has previously established the Neighborhood Park Maintenance Community Facilities District No. 2002-02 (the "District") under the Mello-Roos Community Facilities Act of 1982 (Government Code sections 53311 to 53368.3) (the "Act"), and has previously levied a Special Tax on property in the District to pay for neighborhood parks maintenance and related services to be provided within the District, all in accordance with the Act and with Title 5, Chapter 3.124, of the Sacramento City Code ("Chapter 3.124").
- The Council has determined that the establishment of the District is consistent with and follows the local goals and policies concerning the use of the Act that have been adopted by the Council and are now in effect. The Council has also determined that public convenience and necessity require that territory be added to the District.
- The Council is fully advised in this matter.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

Section 1. The above recitals are true, and the Council so finds and determines.

Section 2. It is the intention of the Council, and the Council hereby proposes, to annex territory to the District in accordance with the Act. The boundaries of the territory proposed for annexation are shown on the map entitled "Area Map" attached hereto as Exhibit A. Exhibit A also shows the territory included in the existing District. A map showing the territory proposed to be annexed (the "Boundary Map") is on file in the Office of the City Clerk, in the form required by section 311.0 of the Streets and Highways Code, and is hereby approved. The City Clerk is directed to file a copy of the Boundary Map with the County Recorder of the County of Sacramento within 15 days hereafter, and in no event later than 15 days prior to the hearing, for placement in the Book of Maps of Assessment and Community Facilities Districts, in accordance with section 311.1 of the Streets and Highways Code.

Section 3. The name of the proposed annexation to the District is "Neighborhood Park Maintenance Community Facilities District No. 2002-02, Annexation No. 17."

Section 4. The District was formed solely to provide parks maintenance services and for related purposes, and will not finance capital improvements or issue bonds. The services provided in the existing District and the services to be provided in the territory proposed to be annexed are set forth in Exhibit B, attached hereto and incorporated herein by this reference, all of which are as authorized by the Act and by Chapter 3.124. The District will also finance all costs and expenses normally incidental to the provision of the maintenance and related services, including but not limited to those for elections, engineering, contract supervision, planning, legal services, and City administration.

Section 5. Except where funds are otherwise available, a Special Tax sufficient to pay for the parks maintenance and related services, secured by a lien against all nonexempt real property in the District, will be levied annually within the District. In accordance with Chapter 3.124, certain City-owned property within the District will be subject to the lien for the Special Tax. The tax is to be collected as a separately stated item on the county property-tax bill, but the Council reserves the right to change the method of collection at any time. The Special Tax shall be apportioned according to the number of Residential Units assigned to a parcel, at the per annum tax rates specified in Exhibit C, the "Rate and Method of Apportionment of Special Tax," attached hereto and incorporated herein by this reference. The rates shown in Exhibit C are maximum rates. The Special Tax levied on all parcels may be increased or rate, but not more than 10%, on account of the default or delinquency of the owner of any parcel. The rates may also be escalated for inflation under Chapter 3.124, as specified in Exhibit C. If tax collectors at the stated rates exceed the amount required to pay the Annual Costs, the rates may be reduced in accordance with the formula set forth in Exhibit C. The Special Tax levied and to be collected hereunder shall be in perpetuity, unless and until the need for the parks maintenance and related services no longer exists.

Section 6. It is the intention of the Council, in accordance with section 53317.3 of the Act, to continue to levy the Special Tax on property, not otherwise exempt from the tax, that is acquired by a public entity through a negotiated transaction or by gift or devise; provided, however, that the Council may annually determine whether public property shall be subject to this tax or be tax exempt.

Section 7. It is the intention of the Council, in accordance with section 53317.5 of the Act, to treat the obligation to pay the Special Tax levied against property that is acquired by a public entity through eminent-domain proceedings as if it were a special annual assessment; provided, however, that the Council may annually determine whether public property shall be subject to this tax or be tax exempt.

Section 8. It is the intention of the Council, under section 53340.1 of the Act, to levy the Special Tax on the leasehold or possessory interests in property that is owned by a public agency and not otherwise exempt from the Special Tax, to be payable by the owner of the leasehold or possessory interests in the property.

Section 9. It is the intention of the Council, under section 53325.7 of the Act, to establish an appropriations limit for the District, as defined by subdivision (h) of section 8 of article XIII B of the California Constitution.

Section 10. The Council fixes 2:00 p.m. on October 2, 2007, in the Council Chambers at City Hall, 915 I Street, First Floor, Sacramento, California, as the time and place for a Public Hearing on the proposed annexation to the District, the proposed levy of Special Taxes, and all other matters as set forth in this resolution. At the Public Hearing, any persons interested, including all taxpayers, owners of property within the District, and registered voters residing within the District, may appear and be heard, and the testimony of all interested persons or taxpayers for or against the proposed annexation and the levy of the Special Tax within the territory to be annexed, or the parks maintenance and related services to be provided, or any other matters set forth herein, will be heard and considered. Any protests to the foregoing may be made orally or in writing by any interested persons or taxpayers, except that protests pertaining to the regularity or sufficiency of the proceedings must be in writing and must clearly state both the irregularities and the facts to which the objection is made. The Council may waive any irregularities in the form or content of any written protest and at the Public Hearing may correct minor defects in the proceedings. All written protests must be filed with the City Clerk on or before the time fixed for the Public Hearing and any written protest may be withdrawn in writing at any time before the conclusion of the Public Hearing. If, at the conclusion of the hearing, the Council determines to proceed with the proposed annexation of territory to the District, then the question of levying a Special Tax within the area proposed to be annexed will be submitted to the qualified electors of that area in an election under sections 53326, 53339.7, and 53339.8 of the Act, to be held not less than 90 days thereafter, unless appropriate waivers pursuant to section 53329 have been filed with the City Clerk. The Special Tax may be levied if at least two-thirds of those voting approve the measure.

Section 11. In the opinion of the Council, the public interest will not be served by allowing the owners of property in the District to enter into a contract under section 53329.5, subdivision (a), of the Act to perform the parks maintenance and related services to be financed under this Act and Chapter 3.124.

Section 12. The Council directs the Director of Parks and Recreation of the City, to prepare the report required by section 53321.5 of the Act and to file the report with the Council at or before the time of the hearing.

Section 13. The City Clerk is directed to publish and mail notice of the hearing in accordance with sections 53322, 53322.4, and 53339.4 of the Act, as follows:

- A notice of Public Hearing in the form required by the Act shall be published in the Daily Recorder, a newspaper of general circulation published in the area of the District. The publication shall be made in accordance with section 6081 of the Government Code and shall be completed at least seven days prior to the date set for the public hearing.
- A notice of Public Hearing in the form required by the Act shall be mailed, first-class postage prepaid, to each owner of property within the District and to each registered voter residing within the District. The mailing to property owners shall be made to the property owners at their addresses as shown on the records of the Sacramento County Treasurer-Tax Collector or as otherwise known to the City Clerk. The mailing to registered voters shall be made to the registered voters at their addresses as shown on the records of the Sacramento County Registrar of Voters or as otherwise known to the City Clerk. All mailings shall be completed at least 15 days prior to the date set for such Public Hearing. The notice of hearing shall include a description of the voting procedures in accordance with section 53322, subdivision (b)(4), of the Act.

- c. **Multi-Family Residential Parcels.** The Maximum Annual Special Tax is calculated by multiplying the Maximum Annual Special Tax Rate in Attachment 1 for Multi-Family Residential Parcels by the number of Residential Units assigned to the Parcel.
- d. **Condominium/Townhouse Parcels.** The Maximum Annual Special Tax is calculated by multiplying the Maximum Annual Special Tax Rate in Attachment 1 for Condominium/Townhouse Parcels by the number of Residential Units assigned to the Parcel.
- e. **Mixed Use Parcels.** The Maximum Annual Special Tax is calculated by multiplying the Maximum Annual Special Tax Rate in Attachment 1 for Mixed Use Parcels by the number of Residential Units assigned to the Parcel.
- f. **Mobile Home Park Parcels.** The Maximum Annual Special Tax is calculated by multiplying the Maximum Annual Special Tax Rate in Attachment 1 for Mobile Home Park Parcels by the number of Residential Units assigned to the Parcel.

- 2) **Annexation Parcels:** The City will require the periodic annexation of Parcels to the CFD. When Parcels are annexed to the CFD, the City will first determine if they are Taxable or Tax-Exempt, using the Definitions in Section 2. For Developed Parcels, the City will assign the number of Residential Units for each Parcel based on Assessor Parcel records, building permit or special use permit records, recorded final subdivision map, or other relevant information obtained by the City. The City then shall assign a Maximum Annual Special Tax Rate to Developed Parcels using the Definitions in Section 2 and Attachment 1 (applying the Tax Escalation Factor as permitted) and calculate the Maximum Annual Special Tax following the steps in Section 4.B(1).
- 3) **Conversion of a Tax-Exempt Parcel to a Taxable Parcel:** If a Public Parcel is not needed for public use and is converted to private residential use, it shall become subject to the Special Tax. A Maximum Annual Special Tax Rate will be assigned using the Definitions in Section 2 and Attachment 1 (applying the Tax Escalation Factor as permitted) and calculate the Maximum Annual Special Tax following the steps in Section 4.B(1).
- 4) **Taxable Parcels Acquired by a Public Agency:** A Taxable Parcel that is acquired by a public agency after the CFD is formed will be re-classified as Tax-Exempt provided it is determined by the City in the exercise of its sole discretion, that it is no longer used for residential purposes.

5. Calculating Annual Special Taxes

The City shall assign the Maximum Annual Special Tax per Taxable Parcel based on Attachment 1 as adjusted annually by the Tax Escalation Factor.

The City shall prepare the Tax Collection Schedule listing the Special Tax levy for each Taxable Parcel and send it to the County Auditor-Controller requesting that it be placed on the general, secured property tax roll for that Fiscal Year. The Tax Collection Schedule shall not be sent later than the date required by the County Auditor-Controller for such inclusion.

The City shall make every effort to correctly calculate the Special Tax for each Parcel. It shall be the burden of the taxpayer to timely prove any alleged errors in the determination of the Parcels subject to the Special Tax and their Special Tax assignments.

6. Records Maintained for the CFD

As development takes place within the CFD, the City will maintain a file containing the following information regarding each Parcel:

- The current Parcel Number;
- Whether a final subdivision map has been recorded or whether a building permit or special use permit for residential use has been issued; and
- The number of residential units assigned to that Parcel.

The file containing the information listed above will be available for public inspection.

7. Appeals and Interpretation Procedure

Any taxpayer may contest the levy of the Special Tax by filing a written notice of appeal, setting forth with specificity the grounds for appeal, with the City Manager. Any such notice must be filed within thirty (30) days following the formation of the CFD, or annexation of the property that is the subject of the appeal to the CFD, and failure to do so within the time period specified herein constitutes a bar to any such appeal. Grounds for appeal are limited to the following: (a) denial of an amount of tax to a parcel and (b) an error in defining the use of a parcel or its classification. The City Manager, or designee, shall promptly review the appeal, and if necessary, meet with the appellant.

If the findings of the City Manager verify that the Special Tax should be modified or changed, a recommendation to that effect shall be made to the Council, and as appropriate, the Special Tax levy shall be corrected and, if applicable in such case, a credit for next year's Special Tax levy shall be granted. If the City Manager denies the appeal, the taxpayer may file an appeal of that determination with the Council within fourteen (14) days of the mailing of notification of the City Manager's decision, and failure to do so within the time period specified herein constitutes a bar to such an appeal. The Council may hear the appeal, or refer it to a hearing officer pursuant to Chapter 1.24 of the Sacramento City Code. The hearing on the appeal shall be conducted not more than thirty (30) days following the filing of the appeal of the City Manager's determination. The failure of the Council or the appointed hearing officer to timely hear the appeal, or to render a decision within thirty (30) days following the conclusion of the hearing thereon, shall constitute a denial of the appeal. The determination of the Council or hearing officer on the appeal shall be final for all purposes. The filing of a written notice contesting the levy of the Special Tax or an appeal shall not relieve the taxpayer of the obligation to pay the Special Tax when due.

Interpretations may be made by Resolution of the Council for purposes of clarifying any vagueness or ambiguity as it relates to any of the terms or provisions of this Rate and Method of Apportionment.

RESOLUTION NO. 2007-640

Adopted by the Sacramento City Council

**INTENTION TO ANNEX TERRITORY TO THE NEIGHBORHOOD PARK
MAINTENANCE COMMUNITY FACILITIES DISTRICT NO. 2002-02 AND TO
LEVY A SPECIAL TAX WITHIN THE ANNEXED TERRITORY TO FINANCE
PARKS MAINTENANCE SERVICES
(ANNEXATION NO. 17)**

BACKGROUND:

- A. The City Council (the "Council") of the City of Sacramento (the "City") has previously established the Neighborhood Park Maintenance Community Facilities District No. 2002-02 (the "District") under the Mello-Roos Community Facilities Act of 1982 (Government Code sections 53311 to 53368.3) (the "Act"), and has previously levied a Special Tax on property in the District to pay for neighborhood parks maintenance and related services to be provided within the District, all in accordance with the Act and with title 3, chapter 3.124, of the Sacramento City Code ("Chapter 3.124").
- B. The Council has determined that the establishment of the District is consistent with and follows the local goals and policies concerning the use of the Act that have been adopted by the Council and are now in effect. The Council has also determined that public convenience and necessity require that territory be added to the District.
- C. The Council is fully advised in this matter.

**BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL
RESOLVES AS FOLLOWS:**

Section 1. The above recitals are true, and the Council so finds and determines.

Section 2. It is the intention of the Council, and the Council hereby proposes, to annex territory to the District in accordance with the Act. The boundaries of the territory proposed for annexation are shown on the map entitled "Area Map" attached hereto as Exhibit A. Exhibit A also shows the territory included in the existing District. A map showing the territory proposed to be annexed (the "Boundary Map") is on file in the Office of the City Clerk, is in the form required by section 3110 of the Streets and Highways Code, and is hereby approved. The City Clerk is directed to file a copy of the Boundary Map with the County Recorder of the County of Sacramento within 15 days hereafter, and in no event later than 15 days prior to the hearing, for placement in the Book of Maps of Assessment and Community Facilities Districts, in accordance with section 3111 of the Streets and Highways Code.

Section 3. The name of the proposed annexation to the District is "Neighborhood Park Maintenance Community Facilities District No. 2002-02, Annexation No. 17."

Section 4. The District was formed solely to provide parks maintenance services and for related purposes, and will not finance capital improvements or issue bonds. The services provided in the existing District and the services to be provided in the territory proposed to be annexed are set forth in Exhibit B, attached hereto and incorporated herein by this reference, all of which are as authorized by the Act and by Chapter 3.124. The District will also finance all costs and expenses normally incidental to the provision of the maintenance and related services, including but not limited to those for elections, engineering, contract supervision, planning, legal services, and City administration.

Section 5. Except where funds are otherwise available, a Special Tax sufficient to pay for the parks maintenance and related services, secured by recordation of a continuing lien against all nonexempt real property in the District, will be levied annually within the District. In accordance with Chapter 3.124, certain City-owned property within the District will be subject to the lien for the Special Tax. The tax is to be collected as a separately stated item on the county property-tax bill, but the Council reserves the right to change the method of collection at any time. The Special Tax shall be apportioned according to the number of Residential Units assigned to a parcel, at the per annum tax rates specified in Exhibit C, the "Rate and Method of Apportionment of Special Tax," attached hereto and incorporated herein by this reference. The rates shown in Exhibit C are maximum rates. The Special Tax levied on all parcels may be increased pro rata, but not more than 10%, on account of the default or delinquency of the owner of any parcel. The rates may also be escalated for inflation under Chapter 3.124, as specified in Exhibit C. If tax collections at the stated rates exceed the amount required to pay the Annual Costs, the rates may be reduced in accordance with the formula set forth in Exhibit C. The Special Tax levied and to be collected hereunder shall be in perpetuity, unless and until the need for the parks maintenance and related services no longer exists.

Section 6. It is the intention of the Council, in accordance with section 53317.3 of the Act, to continue to levy the Special Tax on property, not otherwise exempt from the tax, that is acquired by a public entity through a negotiated transaction or by gift or devise; provided, however, that the Council may annually determine whether public property shall be subject to this tax or be tax exempt.

Section 7. It is the intention of the Council, in accordance with section 53317.5 of the Act, to treat the obligation to pay the Special Tax levied against property that is acquired by a public entity through eminent-domain proceedings as if it were a special annual assessment; provided, however, that the Council may annually determine whether public property shall be subject to this tax or be tax exempt.

Section 8. It is the intention of the Council, under section 53340.1 of the Act, to levy the Special Tax on the leasehold or possessory interests in property that is owned by a public agency and not otherwise exempt from the Special Tax, to be payable by the

owner of the leasehold or possessory interests in the property.

Section 9. It is the intention of the Council, under section 53325.7 of the Act, to establish an appropriations limit for the District, as defined by subdivision (h) of section 8 of article XIII B of the California Constitution.

Section 10. The Council fixes 2:00 p.m. on October 2, 2007, in the Council Chambers at City Hall, 915 I Street, First Floor, Sacramento, California, as the time and place for a Public Hearing on the proposed annexation to the District, the proposed levy of Special Taxes, and all other matters as set forth in this resolution. At the Public Hearing, any persons interested, including all taxpayers, owners of property within the District, and registered voters residing within the District, may appear and be heard, and the testimony of all interested persons or taxpayers for or against the proposed annexation and the levy of the Special Tax within the territory to be annexed, or the parks maintenance and related services to be provided, or any other matters set forth herein, will be heard and considered. Any protests to the foregoing may be made orally or in writing by any interested persons or taxpayers, except that protests pertaining to the regularity or sufficiency of the proceedings must be in writing and must clearly set forth the irregularities and defects to which the objection is made. The Council may waive any irregularities in the form or content of any written protest and at the Public Hearing may correct minor defects in the proceedings. All written protests must be filed with the City Clerk on or before the time fixed for the Public Hearing and any written protest may be withdrawn in writing at any time before the conclusion of the Public Hearing. If, at the conclusion of the hearing, the Council determines to proceed with the proposed annexation of territory to the District, then the question of levying a Special Tax within the area proposed to be annexed will be submitted to the qualified electors of that area in an election under sections 53326, 53339.7, and 53339.8 of the Act, to be held not less than 90 days thereafter, unless appropriate waivers pursuant to section 53326 have been filed with the City Clerk. The Special Tax may be levied if at least two-thirds of those voting approve the measure.

Section 11. In the opinion of the Council, the public interest will not be served by allowing the owners of property in the District to enter into a contract under section 53329.5, subdivision (a), of the Act to perform the parks maintenance and related services to be financed under the Act and Chapter 3.124.

Section 12. The Council directs the Director of Parks and Recreation of the City, to prepare the report required by section 53321.5 of the Act and to file the report with the Council at or before the time of the hearing.

Section 13. The City Clerk is directed to publish and mail notice of the hearing in accordance with sections 53322, 53322.4, and 53339.4 of the Act, as follows:

- (a) A notice of Public Hearing in the form required by the Act shall be published in the Daily Recorder, a newspaper of general circulation published in the area of the District. The publication shall be made in accordance with section 6061 of the

Government Code and shall be completed at least seven days prior to the date set for the public hearing.

- (b) A notice of Public Hearing in the form required by the Act shall be mailed, first-class postage prepaid, to each owner of property within the District and to each registered voter residing within the District. The mailing to property owners shall be made to the property owners at their addresses as shown on the records of the Sacramento County Treasurer-Tax Collector or as otherwise known to the City Clerk. The mailing to registered voters shall be made to the registered voters at their addresses as shown on the records of the Sacramento County Registrar of Voters or as otherwise known to the City Clerk. All mailings shall be completed at least 15 days prior to the date set for such Public Hearing. The notice of hearing shall include a description of the voting procedures in accordance with section 53322, subdivision (b)(4), of the Act.

For Developed Parcels, the City will assign the number of Residential Units for each Parcel based on Assessor Parcel records, building permit or special use permit records, recorded final subdivision map, or other relevant information obtained by the City. The City then shall assign a Maximum Annual Special Tax Rate to Developed Parcels using the Definitions in **Section 2 and Attachment 1** (applying the Tax Escalation Factor as permitted) and calculate the Maximum Annual Special Tax following the steps in **Section 4.B(1)**.

- 3) **Conversion of a Tax-Exempt Parcel to a Taxable Parcel:** If a Public Parcel is not needed for public use and is converted to private residential use, it shall become subject to the Special Tax. A Maximum Annual Special Tax Rate will be assigned using the Definitions in **Section 2** and **Attachment 1** (applying the Tax Escalation Factor as permitted) and calculate the Maximum Annual Special Tax following the steps in **Section 4.B(1)**.
- 4) **Taxable Parcels Acquired by a Public Agency:** A Taxable Parcel that is acquired by a public agency after the CFD is formed will be re-classified as Tax-Exempt provided it is determined by the City in the exercise of its sole discretion, that it is no longer used for residential purposes.

5. Calculating Annual Special Taxes

The City shall assign the Maximum Annual Special Tax per Taxable Parcel based on **Attachment 1** as adjusted annually by the Tax Escalation Factor.

The City shall prepare the Tax Collection Schedule listing the Special Tax levy for each Taxable Parcel and send it to the County Auditor-Controller requesting that it be placed on the general, secured property tax roll for that Fiscal Year. The Tax Collection Schedule shall not be sent later than the date required by the County Auditor-Controller for such inclusion.

The City shall make every effort to correctly calculate the Special Tax for each Parcel. It shall be the burden of the taxpayer to timely prove any alleged errors in the determination of the Parcels subject to the Special Tax and their Special Tax assignments.

6. Records Maintained for the CFD

As development takes place within the CFD, the City will maintain a file containing the following information regarding each Parcel:

- The current Parcel Number;
- Whether a final subdivision map has been recorded or whether a building permit or special use permit for residential use has been issued; and
- The number of residential units assigned to that Parcel.

The file containing the information listed above will be available for public inspection.

7. Appeals and Interpretation Procedure

Any taxpayer may contest the levy of the Special Tax by filing a written notice of appeal, setting forth with specificity the grounds for appeal, with the City Manager. Any such notice must be filed within thirty (30) days following the

formation of the CFD, or annexation of the property that is the subject of the appeal to the CFD; and failure to do so within the time period specified herein constitutes a bar to any such appeal. Grounds for appeal are limited to the following: (i) clerical errors in assigning an amount of tax to a parcel and (ii) an error in defining the use of a parcel or its classification. The City Manager, or designee, shall promptly review the appeal, and if necessary, meet with the appellant.

If the findings of the City Manager verify that the Special Tax should be modified or changed, a recommendation to that effect shall be made to the Council, and as appropriate, the Special Tax levy shall be corrected and, if applicable in such case, a credit for next year's Special Tax levy shall be granted. If the City Manager denies the appeal, the taxpayer may file an appeal of that determination with the Council within fourteen (14) days of the mailing of notification of the City Manager's decision; and failure to do so within the time period specified herein constitutes a bar to such an appeal. The Council may hear the appeal, or refer it to a hearing officer pursuant to Chapter 1.24 of the Sacramento City Code. The hearing on the appeal shall be conducted not more than thirty (30) days following the filing of the appeal of the City Manager's determination. The failure of the Council or the appointed hearing officer to timely hear the appeal, or to render a decision within thirty (30) days following the conclusion of the hearing thereon, shall constitute a denial of the appeal. The determination of the Council or hearing officer on the appeal shall be final for all purposes. The filing of a written notice contesting the levy of the Special Tax or an appeal shall not relieve the taxpayer of the obligation to pay the Special Tax when due.

Interpretations may be made by Resolution of the Council for purposes of clarifying any vagueness or ambiguity as it relates to any of the terms or provisions of this Rate and Method of Apportionment.

- [1] The Base Fiscal Year for the CFD is Fiscal Year 2002-2003. The Maximum Annual Special Tax Rate will be escalated by the Tax Escalation Factor, not to exceed 4 percent annually thereafter, as determined by the Consumer Price Index.
- [2] The Maximum Annual Special Tax Rate is applied to the Residential Units assigned to each Taxable Parcel. Condominium/Townhouse Residential Parcels and Single Family Residential Parcels are assumed to have one Unit. Multi-Family Residential Parcels, Mixed Use Parcels, and Mobile Home Park Parcels may have more than one Unit assigned to a Parcel. The number of Residential Units assigned to these Parcels will be determined by the final subdivision map, initial building permit, or subsequent building permits for tenant improvements.
- [3] Developed Parcels are residential or mixed use Parcels with a building permit for residential use.
- [4] Non-Residential Use Parcels are commercial, industrial, office, and other non-residential uses.
- [5] Undeveloped Parcels are Parcels that are not classified as a Developed Parcel or Non-Residential Use Parcel.
