

38th Street Landmark Nominations

1081, 1109, 1308, and 1315 38th Street

Maple Avenue District

The materials, workmanship, and designs of the buildings along 38th Street are strongly representative of that period defined by the end of World War I and the beginning of the Great Depression. The potential district very strongly evokes a sense of time and place from the period. The right-of-way and streetscape are distinctive contributing resources.
