RECEIVED
DEC 4 1985

HONORABLE MEMBERS IN SESSION:

SUBJECT: APPROVAL OF PLANS AND SPECIFICATIONS FOR CONCRETE FLOORING,
BASEMENT OF CITY HALL

SUMMARY:

The Facility Development Section has coordinated the preparation of plans and specifications for the subject project. A copy of said plans and specifications has been forwarded to the City Clerk and approval is recommended.

BACKGROUND:

This project consists of the renovation of the City Hall Basement into administrative office space for the Engineering Division of the Public Works Department. The demolition work in the west end of the basement is complete, and the leveling of the existing floor slab needs to be accomplished before new construction can be started.

FINANCIAL:

Funds are available in Capital Improvement Project, City Hall Basement Remodeling, for this work. The current cost estimate for the concrete floor leveling is \$15,000.00.

RECOMMENDATION:

It is recommended that the plans and specifications be approved and that bids be received on December 31, 1985.
