Honorable Members in Session:

SUBJECT: Resolution Appropriating Funds and Recommendation of Bid Award
for Firehouse Alley - J to L Streets Project

SUMMARY:

The subject project, as a part of the City's Capital Improvement Program, has been advertised for bids. Bids have been received and the City Engineer hereby recommends appropriation of funds and bid award.

BACKGROUND:

On June 4, 1980 the City Council approved plans and specifications for Firehouse Alley - J to L Streets and bids were received and opened by the City Clerk in the Council Chambers on June 24, 1980. Bids received are as follows:

C.S.V. Sprinklers, Inc.	\$149,358.90
Teichert Construction	172,671.41

The engineer's estimate is \$126,275.00. Although the low bid is 18.28% above the engineer's estimate, we feel it is the best bid obtainable.

FINANCIAL:

No money has been budgeted for this project. However, funds in the amount of \$155,000.00 can be appropriated from the Housing and Redevelopment Agency Capital Improvement fund and are 100% reimbursable from the Agency per letter agreement.

RECOMMENDATION:

The City Engineer recommends that \$155,000.00 be appropriated from the Housing and Redevelopment Agency Capital Improvement fund, by passage of the attached resolution, and that the low bid of C.S.V. Sprinklers, Inc. in the amount of \$149,358.90 be accepted.
