City Council
Sacramento, California

Honorable Members in Session:

SUBJECT: Speed Limit Resolution

SUMMARY

This is a newly updated speed limit resolution for setting the maximum speed limits on City Streets.

BACKGROUND INFORMATION

Periodically, the City Council is requested to adopt an updated and revised resolution for setting the prima-facie (and maximum) speed limits on certain streets.

The attached draft resolution is essentially the last resolution (August 26, 1980) with seven changes that have been underlined for your information.

Most of the proposed changes are due to new developments in the area of the underlined streets. However, Pocket Road from Park Riviera Way to Riverside Boulevard is the correction of an oversight that occurred when construction of a new section of Riverside Boulevard took place and the old section of Riverside Boulevard was renamed to Park Riviera Way. All of the proposed changes are based on engineering surveys as required by State law in order for police to enforce these limits with radar.

FINANCIAL IMPACT

None.

RECOMMENDATION

It is recommended that the City Council adopt this resolution.
