Honorable Members in Session:

**SUBJECT:** Proposed 1994-99 Capital Improvement Program - Index with Projects Sorted  
by Neighborhood Service Area

**LOCATION AND COUNCIL DISTRICT:** Citywide

**RECOMMENDATION:**

This report is provided for Council Information. No action is requested.

**CONTACT:** Michael Coleman, Senior Management Analyst 264-7731

**FOR THE COUNCIL MEETING OF:** May 31, 1994

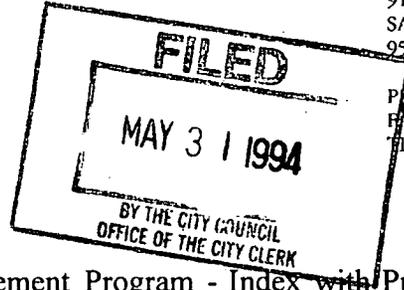

**SUMMARY**

Attached is an index of projects contained in the Proposed 1994-99 Capital Improvement Program with projects sorted by Neighborhood Service Area. This index can be attached to the back of your CIP document.

**COMMITTEE ACTION** None.

**BACKGROUND**

The preparation of the Proposed 1994-99 Capital Improvement Program began in December 1993. Since that time, Neighborhood Service Area boundaries have been established. In order to assist community groups, area managers, staff and Council members, an index was prepared sorting the proposed CIP according to these new service areas.
