RECEIVED
AUG 24 1988

City Council
Sacramento, California

Honorable Members In Session:

SUBJECT: Upgrade Traffic Signs (PN:SC81)- Project Approval and Bid Advertisement

SUMMARY

Plans and specifications for this project have been prepared. Approval of the plans and specifications and authorization to advertise for bids is recommended.

BACKGROUND

This project will improve the visibility of existing traffic signs by increasing the size of the signs and using a higher intensity background color. The result of the change will be increased vehicular and pedestrian safety.

A Categorical Exemption for this project was filed with the County Clerk of the County of Sacramento on May 5, 1988. The engineer's estimated construction cost is \$171,700.

FINANCIAL

Sufficient funds are available for this project. The estimated total project cost, including all planning, design and construction costs, is \$187,800. The current budget is \$200,000, which was approved in the Capital Improvement Program with \$20,000 from the General Fund (101) and \$180,000 from Capital Grant Funds (248). The funds available for this project amount to \$195,500 as of August 12, 1988.

A non-refundable fee of \$15 will be charged for each set of plans and specifications to cover reproduction costs.
