SUBJECT: Sewer Main Replacement in the El Camino-Redwood Avenue Alley
(PN:XC61) - Contract Award

SUMMARY

This project has been advertised for bids. Bids have been received and contract award is recommended.

BACKGROUND

This project will replace sanitary sewer main in the El Camino and Redwood Avenue alley from Western Avenue to Colfax Street. The existing sewer main has a poor grade and many depressions. Also included will be the placement of new sanitary sewer main in Colfax Street from the aforementioned alley to El Camino Avenue. The services on Colfax Street that presently connect to the alley sewer main will be reconnected to this new sewer main.

On January 9, 1990, the City Council approved the plans and specifications for this project. Bids were received and opened by the City Clerk on February 6, 1990. The bids received were:

T & S Construction, Inc.	\$33,931.00
JSJ Pipeline Co.	\$34,340.00
George Osborn Gen'l. Eng. & Const.	\$37,342.16
Azteca Construction	\$39,544.10
Copenhagen Utilities & Const., Inc.	\$43,342.00
Daniel Ontiveros Const., Inc.	\$44,600.00
Sacramento Excavator	\$46,625.00
DCM Construction	\$47,691.00
Keyava Construction	\$55,366.00
R.E. Mexiner Construction	\$55,788.00

The engineer's estimated construction cost was \$46,600. The estimated project completion date is June 15, 1990.

FINANCIAL DATA

Sufficient funds are available for this project. The estimated total project cost, including all planning, design and construction costs, is

\$67,500. The current budget is \$80,000, which was approved in the Capital Improvement Program from Sewer Funds (414). The funds available for this project amount to \$58,000.

POLICY CONSIDERATIONS

There are no policy considerations associated with this item.

MBE/WBE EFFORTS

Plans and specifications were sent to nineteen (19) planrooms and construction services organizations for publication and use by the construction industry in Northern California. There are four (4) organizations on the distribution list that are directly involved with MBE/WBE contractors. There were seventeen (17) plan holders for this project, one of whom is a certified MBE contractor, who did submit a bid, but was not the low bid.

RECOMMENDATION

It is recommended that the City Council accept the low bid of T & S Construction, Inc. in the amount of \$33,931, and award the contract.

Respectfully submitted,

for THOMAS M. FINLEY
Engineering Division Manager
