City Council  
Sacramento, California

Honorable Members in Session:

SUBJECT: Approval of Plans and Specifications for Street Overlays -  
8th Avenue from Riverside Boulevard to Land Park Drive and  
El Camino Avenue from Evergreen Street through Clay Street

SUMMARY:

The Director of Public Works office has prepared plans and specifications for the subject project. Copy of said plans and specifications has been forwarded to the City Clerk and approval is recommended.

BACKGROUND:

The subject project will refurbish the portions of the particular streets. The project is required because the pavement has deteriorated to the point where an overlay is necessary.

FINANCIAL:

The City Council has approved \$85,000.00 in the Public Works Budget from Gas Tax Funds for the subject project. The total amount currently available for this project is \$84,685.76. The current estimated construction cost is \$62,200.00.

The \$22,485.76 difference between the amount currently available and the construction cost will cover inspections, administration and contingencies for the subject project.

RECOMMENDATION:

The Director of Public Works recommends that the plans and specifications be approved and that bids be received on July 10, 1984.

Respectfully submitted,

*M. H. Johnson*
