1. Status Report on the Laguna Creek Floodplain Design (M84-060)

DISCUSSION:

Cliff Carstens briefly discussed the background of the floodplain study and the draft concept of the study. He also explained the steps necessary to complete the construction of the floodplain, and answered committee questions

Bob Bell, representing a landowner on the County side, agreed to the design but had some concern about the cost saving changes having an effect on draining County land. He suggested that the City and County discuss this matter.

REPORT(S) BACK:

Committee requested that staff report back with an informational report after the meeting, scheduled for July 24, 1985, with the County.

ACTION:

Committee received and filed report.

2. Senior Citizen Housing Guidelines and Recommendations

DISCUSSION:

Gary Stonehouse, Principal Planner, discussed the Senior Citizen Housing guidelines related to site location and project design.

REPORT(S) BACK:

Committee requested that staff report back in four months regarding the design criteria.

ACTION:

Committee received and filed report.
