City Council
Sacramento, California

Honorable Members in Session:

SUBJECT: SACRAMENTO REGIONAL COUNTY SANITATION DISTRICT
ECONOMIC DEVELOPMENT TREATMENT CAPACITY BANK SEWER
CREDITS FOR BOUNTIFUL DELI.

LOCATION AND COUNCIL DISTRICT: District 1

RECOMMENDATION:

It is recommended that City Council approve a resolution awarding Sacramento Regional County Sanitation District (SRCSD) connection fee credits to the described business known as Bountiful Deli.

CONTACT PERSONS: Greg Schulte, Administrative Officer, 264-7116

FOR COUNCIL MEETING OF: January 13, 2004

SUMMARY:

The City of Sacramento's Economic Development Department recommends approval of the attached resolution awarding SRCSD sewer credits to the business known as Bountiful Deli located at 1301 I Street, Suite 100 (APN: #006-0053-021) at the intersection of 13th and "I" Streets. This candidate for sewer credits meets Council-approved criteria for the granting of sewer credits by creating new employment.

BACKGROUND INFORMATION:

On March 20, 2001, City Council authorized the City Manager to sign a Memorandum of Understanding (MOU) to initiate City participation in the Sacramento Regional County Sanitation District Economic connection fee credits for award by the City. The MOU

Building on Our History - Creating The Place to Be.

allocated a total of 7,971 Regional Sanitation sewer credits to the City of Sacramento for award by the City to qualifying development projects.

Approval of the MOU followed prior action by the City Council to approve Resolution No. 2000-539 on September 12, 2000, which established the guidelines and criteria by which credits would be granted. On July 18, 2002, Resolution 2002-498 amended those guidelines to read as follows:

- A. A prospective project must meet at least one of the following criteria:
 - 1. Projects in redevelopment, CDBG and/or infill development areas.
 - 2. Projects located in neighborhood commercial corridors identified in the adopted City Economic Development Strategy.
 - 3. Projects located at a targeted key development opportunity site identified in the adopted City Economic Development Strategy.
 - 4. Projects that create additional employment.
 - 5. Catalyst projects such as restaurants or high job creation projects that will further economic development.

- B. Projects falling under any of the following criteria may be disqualified from receiving credits from the Economic Development Treatment Capacity Bank:
 - 1. Projects where the applicant is changing locations within the City of Sacramento without creating any new job opportunities.
 - 2. Projects that will be owned and/or operated by a jurisdiction that is a member of the Economic Development Treatment Capacity Bank.
 - 3. Projects that are relocating from a neighboring jurisdiction that is a member of the Economic Development Treatment Capacity Bank.
 - 4. Projects that add more undesirable uses to an already saturated area (Undesirable uses defined in an Urban Master Plan, Streetscape plan or Special Planning District).

- A. Low to moderate housing located in one of the following geographical areas:
 - 1. Areas identified in the City's Infill Development Policy;
 - 2. Redevelopment or CDBG eligible areas;

3. Areas consistent with the City's mixed Income Housing Ordinance.

On December 4, 2003, the City received an application from the representative of Bountiful Deli requesting an award of 2.058 sewer credits to be used at 1301 "I" Street, Suite 100. Award of the requested 2.058 sewer credits will reduce total Regional Sanitation fees to be paid for this project from \$4,762 (at \$2,314 apiece) to approximately \$1,899 (at \$923 apiece).

Based upon a review of the application (Attachment 1), staff concludes that the applicant meets Council-approved objectives for the granting of sewer credits by creating new employment.

The award of 2.058 sewer credits to Bountiful Deli will leave a total of 6,075.362 sewer credits for future award by the City to support economic development projects.

Attachment 2 provides a summary of City Economic Development Department sewer credit award activity to date.

FINANCIAL CONSIDERATIONS:

Approval of the resolution imposes no additional expense upon the City beyond the minimal administrative costs associated with processing the approved credits.

ENVIRONMENTAL CONSIDERATIONS:

This project is subject to the environmental review process as part of the approval of its development application.

POLICY CONSIDERATIONS:

The City of Sacramento views projects that create new employment opportunities as an important cornerstone of the City's economic development. Additionally, the City of Sacramento supports the development and success of new and existing businesses of all sizes. Approval of the subject recommendation serves to promote this City policy objective.

ESBD CONSIDERATIONS:

No goods or services are being purchased.

Economic Development Manager
