City Council
Sacramento, California

Honorable Members In Session:

SUBJECT: Repair of Main Avenue Bridge at Natomas East Main Drainage Canal
(PN:TB31) - Contract Award

SUMMARY

This project has been advertised for bids. Bids have been received and contract award is recommended.

BACKGROUND

The Main Avenue Bridge is a timber trestle structure constructed in 1938, using redwood for the main supporting members. Recent inspections have indicated that the bridge is in an accelerating state of decay and four localized areas have been identified to be in need of repair.

On March 10, 1987, the City Council approved the plans and specifications for this project. Bids were received and opened by the City Clerk on March 31, 1987. The bids received were:

H. Max Lee, Inc.	\$47,600
Dannon Construction Company	49,760
C.F.B. Construction	51,636
Teichert Construction	64,340
C.J. Peterson Construction Company	65,450
Mark III Engineering Contractors	81,336
Zenith Construction, Inc.	86,600

The engineer's estimated construction cost was \$53,000. The estimated project completion date is June 30, 1987.

FINANCIAL

Sufficient funds are available for this project. The estimated total project cost, including all planning, design and construction costs, is \$82,400. The current budget is \$97,500, which was approved in the Capital Improvement Program with \$23,000 from Gas Tax Funds and \$74,500 from Major Street Construction Funds.

RECOMMENDATION

It is recommended that the City Council accept the low bid of H. Max Lee, Inc. in the amount of \$47,600 and award the contract.

Respectfully submitted,

THOMAS M. FINLEY
Engineering Division Manager
