Honorable Members in Session:

SUBJECT: Consultant Services Contract with the California Youth Authority

SUMMARY

The Sacramento Police Department has responded to a request by the California Youth Authority to provide a Law Enforcement Consultant for a 12-month period beginning 15 May 1981. It is proposed that Lieutenant Phillip York be permitted to fulfill the requirements of this one-year contract.

BACKGROUND INFORMATION

Historically, the Department of Youth Authority solicits and contracts for the services of local law enforcement agency employees. A similar contract was in effect for the services of Lieutenant Phillip York from September, 1973, through June, 1975, and for Captain Harry Hogan from December, 1978, to August, 1980.

For the current solicitation, it is requested that Lieutenant Phillip York be permitted to perform this service. As the Law Enforcement Consultant, he will consult with law enforcement agencies throughout the Central Valley/Northern California Region to develop new, innovative, more effective community-wide programs and improved law enforcement services to families and children. Special emphasis will be placed on delinquency prevention and diversion programs, control of asocial behavior, and the provision of child protective services by police agencies. This is in keeping with the Department's tradition of providing the highest possible protection and service to the community.

FINANCIAL IMPACT

The authorization to proceed with this endeavor will necessitate augmentation of the departmental budget for Fiscal Year 1981-82. Full-time sworn positions must be increased by one position (Lieutenant) for the 12-month period and employee services costs must be increased by \$51,059. The cost of future fiscal years will be included in the budget submitted for each of those periods. All anticipated costs for this program will be offset by a corresponding increase in revenue from the Department of Youth Authority for each period. The estimated total value of the contract is \$51,059.

RE: CYA Consultant Services Contract

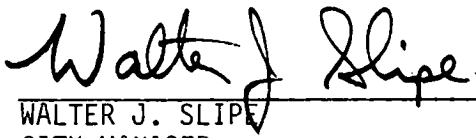

RECOMMENDATION

It is recommended that this department and the City of Sacramento be permitted to enter into an agreement with the Department of Youth Authority to provide the services of Lieutenant Phillip York as a Law Enforcement Consultant, that the City Manager be authorized to sign a contract for these services, and that the departmental budget be augmented to provide for the increased cost.

Respectfully submitted,

JOHN P. KEARNS
CHIEF OF POLICE
