Re: Old Sacramento Sign Compliance, Case No. C0500028124

Dear Mr. Henley:

Our law firm received a Notice of Public Nuisance on August 4, 2005 citing us for a violation of C-43 and including the instruction "PLEASE PROVIDE PERMITS FOR ALL SIGNS HANGING ABOVE THE BOARDWALK." When I spoke to you the next day, you told us to send you a picture. Enclosed are three pictures -these reflect our sign from both sides (side facing north and side facing south) and one showing how it is mounted. It is hand painted on wood and has been there for approximately four and one-half years.

Please let me know if our sign is in compliance so that we can get our permit and/or what further steps need to be taken.

Very truly yours,

MONTEAU AND PEEBLES LLP
