City Council
Sacramento, California

Honorable Members in Session:

SUBJECT: Resolution Authorizing the Director of Public Works, Deputy Director of Public Works or Principal Engineer to accept for recordation all Deeds, and Resolution Authorizing them, the City Clerk or Asst. City Clerk to execute final Parcel Maps

SUMMARY:

To authorize the Director of Public Works, Deputy Director of Public Works or Principal Engineer to accept and record all deeds and easements to the City on real property on the behalf of the City of Sacramento, and authorize the Director of Public Works, Deputy Director of Public Works, or Principal Engineer, and the City Clerk or Deputy City Clerk to sign parcel maps for recordation, by passage of the attached resolutions.

BACKGROUND:

In the past the City Council has authorized certain individuals to accept and record deeds on behalf of the City and to sign parcel maps for recordation when no dedication or improvements are required. By authorizing these certain individuals to accept and sign these documents, each time that employee leaves City service a new Resolution must be adopted.

It is proposed that the position rather than the name of these individuals be stipulated thereby automatically transferring these duties to the new employee that fills the position

RECOMMENDATION:

The adoption of the attached Resolutions is recommended.

Respectfully submitted,

Melvin H. Johnson
