HEALTH FAIR MONTH  
March, 1985

WHEREAS, the National Health Screening Council for Volunteer Organizations, Inc. (NHSCVO) in conjunction with Chevron U.S.A., the American Red Cross, and KOVR-TV has planned Health Fair Week for March 16 - 24, 1985, in the Sacramento area; and

WHEREAS, the NHSCVO Greater Northern California Health Fair Project is a fine example of successful public-private sector partnership, involving business and industry, clinics, government and volunteer agencies, health educators, hospitals, service clubs, the military, and thousands of volunteers, all doing what they do best to serve the community; and

WHEREAS, these coordinated community resources will provide free health services to thousands of residents in the greater Sacramento area, through health screenings for early disease detection and health education emphasizing the need to accept personal responsibility for one's health;

NOW, THEREFORE, I, Anne Rudin, Mayor of the City of Sacramento, do hereby proclaim that March, 1985, shall be HEALTH FAIR MONTH in this City, and I commend the sponsoring organizations and volunteers for their outstanding efforts.

ISSUED: This 8th day of January, 1985.
