## BACKGROUND:

On August 2, 1988, the Agency adopted Resolution No. 88-060 which authorized the Executive Director to terminate the contract for Sale of Land for Private Redevelopment between Mr. Chuck O'Neal and Mr. Kenneth L. Kirby and the Agency for the reconstruction of the City Market Building, 118-120 "J" Street, Old Sacramento Parcel No. 54 and authorized the Executive Director to commence litigation for revestment of the parcel to the Agency. As a result of the subsequent litigation the parties have reached a settlement agreement subject to the approval of the Agency.

The principal points of the settlement require that:

1. Mr. Kirby shall obtain full assignment of Mr. O'Neal's interest in the redevelopment of the City Market Building and shall become the Redeveloper.
2. The Redeveloper and Agency shall terminate the existing contract for Sale of Land for Private Redevelopment and shall execute an Owner Participation Agreement for the reconstruction of the City Market Building as a ten (10) room Bed and Breakfast Hotel facility. The Owner Participation Agreement will be substantially in the form as attached as Exhibit "A".
3. The Owner Participation Agreement will contain a Performance Schedule, and if at any point the Redeveloper fails to perform, the ownership of the parcel will transfer to the Agency. The Agency or Agency's designee shall hold the Deed to the Parcel in escrow pending Redevelopers successful performance.
4. The Redeveloper will provide the Agency with a Performance Bond in an amount sufficient to complete the reconstruction of the City Market Building.
5. The Redeveloper and Agency will execute an Agreement for the Redeveloper's construction of the Service Court area improvements in conjunction with the reconstruction of the City Market Building on a shared cost basis.
6. The Redeveloper, the City and the Agency will execute an Agreement to provide ten (10) parking spaces in Old Sacramento Parking Structure P-2 for the use of Hotel guests. The Redeveloper or Redeveloper's Hotel Operator shall pay the total cost of Hotel guest parking at the prevailing parking rates to the City.

**SACRAMENTO HOUSING AND REDEVELOPMENT AGENCY**

Per the Schedule of Performance, the Redeveloper will be afforded eighteen (18) months in which to revise previously approved final plans, secure financing and a building permit and complete all the improvements. Agency Legal Counsel has determined that it will take the Agency at least the same period of time to successfully revest title to parcel through the litigation. The Agency would then need to seek a new redeveloper for the project who would need approximately eighteen (18) months to two (2) years to develop plans and complete construction. In a "best case" scenerio, Mr. Kirby will complete the redevelopment of the City Market Building within the Schedule of Performance. In a "worst case" scenerio, should Mr. Kirby fail to perform at any point per the Schedule of Performance, the ownership of property will immediately return to the Agency without the lengthy revestment process.

FINANCIAL IMPLICATION:

Should the Agency reacquire the parcel, it will be readvertised for redevelopment and be offered for sale at the then current market value.

POLICY IMPLICATION:

The requested actions are consistent with previous actions.

ENVIRONMENTAL REVIEW:

Pursuant to California Environmental Quality Act (CEQA) Guidelines 1537:(6) (3), action approved by the adoption of the attached Resolution do not require an environment review. (The project has previously been reviewed and approved as a portion of the ongoing Old Sacramento Restoration Project predating CEQA and NEPA).

MBE/WBE EFFORTS:

The Redeveloper is required to use best faith efforts to meet the Agency's MBE/WBE goals.

VOTE AND RECOMMENDATION OF COMMISSION:

At its regular meeting of June 19, 1989, the Sacramento Housing and Redevelopment Commission adopted a motion recommending approval of the attached resolution. The votes were as follows:

AYES: Moose, Sheldon, Simon, Simpson, Strong, Yew, Wiggins

NOES: None

NOT PRESENT TO VOTE: Wooley

**OWNER PARTICIPATION AGREEMENT**  
**CITY MARKET BUILDING (OLD SACRAMENTO PARCEL 54)**

This Agreement is entered as of this \_\_\_\_ day of \_\_\_\_\_, 1989, by and between the Redevelopment Agency of the City of Sacramento (the "Agency") and Kenneth L. Kirby (the "Owner"). The Agency and Owner agree as follows:

1. Purpose of Agreement

The purpose of this Agreement is to effectuate the Merged Downtown Redevelopment Plan (the "Redevelopment Plan") for the Merged Downtown Redevelopment Project Area (the "Project Area"), and the historic district within the Project Area (formerly Capitol Mall Riverfront Project, Project No. 4) known as "Old Sacramento" ("Old Sacramento") by providing for the development and use (the "Project") of certain real property (the "Site") in the Project Area. This Agreement is entered into for the purpose of development and not for speculation in landholding. The Agency represents that the development of the property pursuant to this Agreement, and the fulfillment generally of the Agreement, are in the vital and best interests of the City of Sacramento and the health, safety, and welfare of its residents, and in accord with the public purposes and provisions of the applicable federal, state and local laws and requirements under which the Project is to be undertaken and is being assisted.

1.1. The Redevelopment Plan.

The Redevelopment Plan was adopted by the City Council of the City on June 17, 1986, by City Ordinance Nos. 86-064, 86-065, 86-066 and 86-067, Fourth Series. A copy of the Redevelopment Plan as initially adopted was recorded on July 29, 1986, in the Official Records of the County of Sacramento, in Book 86-07-29, beginning at pages 1633, 1738, 1690 and 1787. This Agreement is subject to the provisions of the Redevelopment Plan (as it may be from time to time amended) which is incorporated in this Agreement by this reference.

1.2. Project Area.

The Project Area is located in the City of Sacramento, California (the "City"), and is described in detail in the Redevelopment Plan.

1.3. Old Sacramento

Old Sacramento is that portion of the City which has been referred to as Project No. 4, being a portion of Redevelopment Area No. 1, as set forth in City Ordinance No. 2681, adopted August 25, 1966. Project No. 4 was merged into the Project Area. Old Sacramento is a historic district subject to various development constraints regarding design and historic authenticity.

1.4. The Site.

The Site is located on the southwest corner of J Street and Firehouse Allee in Old Sacramento and is that portion of the Project Area described more particularly in Exhibit 1 Site Description ("Site Description") attached. The Site is shown on the "Parcel Map" attached as Exhibit 2 Parcel Map.

1.5. The Agency.

The Agency is a public body, corporate and politic, exercising governmental functions and powers, and organized and existing under the Community Redevelopment Law of the State of California. The principal office of the Agency is located at 630 I Street, Sacramento, California 95814.

Agency, as used in this Agreement, includes the Redevelopment Agency of the City of Sacramento, California, and any assignee of or successor to its rights, powers and responsibilities.

1.6. The Owner

Kenneth L. Kirby is the Owner. The principal office of Owner is located at 3420 Coach Lane, Suite 10, Cameron Park, California 95682.

1.7. Project History

Owner's present interest in the Site was transferred to Owner under an Assignment Agreement and Amendment to Contract for Sale of Land for Private Redevelopment ("Assignment"), dated July 1, 1981, among the Agency, the partnership of Owner and Charles L. O'Neal and the partnership of Chuck O'Neal and Howard Tarter. The Assignment assigned to Owner and O'Neal the interests of O'Neal and Tarter in the Site which O'Neal and Tarter had acquired from the Agency under a Contract for Sale of Land for Private Redevelopment ("Redevelopment Contract"). The Agency, because of its desire and responsibility to redevelop the Site, transferred the Site under the Redevelopment Contract and the Assignment for less than full value of the Site in consideration of the obligations of the respective redevelopers to redevelop the Site. In both the Redevelopment Contract and the Assignment, the Agency retained an interest in the Site in that Agency reserved the right to revest the Site in the Agency should the respective redevelopers fail to perform. Furthermore, prior to and in contemplation of the Redevelopment Contract, Agency recorded a Declaration of Restrictions ("Declaration of Restrictions") against the Site restricting its use in conformance with the Redevelopment Contract.

Owner and O'Neal are now in default of the Assignment, and Agency has commenced legal proceedings to revest the Site in Agency. Agency and Owner have entered this Agreement in consideration of a settlement of their respective claims in said proceedings.

2. The Development of the Site

Owner shall construct on the Site a prototype two-story structure as depicted in the Schematic Reconstruction Study completed by the Agency, continuing the general characteristics of the adjacent Pioneer Hall and Bakery Building on Old Sacramento Parcel No. 53. Owner shall construct and manage all improvements on or to be constructed on or adjacent to the Site ("Improvements") within the limitations established in this Agreement and the Plans.

2.1. Schedule of Performances

The construction time schedule shall be as set out in the "Schedule of Performances", attached as Exhibit 3 Schedule of Performances and incorporated in this Agreement by this reference.

2.2. Obligation to Complete

In the event that the cost of construction exceeds the costs projected by Owner, Owner shall, nevertheless, bear the responsibility to complete the construction of the Improvements.

2.3. Historic Authenticity

In order to insure accurate and authentic historic atmosphere in Old Sacramento, Owner agrees to faithfully reconstruct the historic building on the Site, as described in this Agreement, by using historical and architectural plans, data, schematic drawings and sketches and other information and material which the Agency may provide. More specifically, Owner shall reconstruct the Improvements, with as much accurate detail as possible, to conform to the facade depicted for the City Market Building (Old Sacramento Parcel No. 54) pursuant to the Schematic Reconstruction Study completed by the Agency, to photographs and their interpretation provided by the Agency and to other relevant evidence possessed by Agency.

3. Predevelopment Obligations

3.1. Termination of O'Neal Interest

Owner shall, prior to commencement of construction and as a condition precedent to Agency's obligations under this Agreement obtain, from Charles L. O'Neal, an assignment and release of all rights, title and interest in the Site and a release of all claims against the Owner or the Agency. Owner shall further obtain and duly record a valid transfer of all title and other interests in the Site from Charles L. O'Neal to Owner.

3.2. Preparation of Construction Plans

As soon as possible and, in any event, no later than the date specified in the Schedule of Performances, Owner shall have the Plans prepared for the development of the Site (including all necessary on-site and off-site improvements, landscaping and signs) subject to Agency approval. The Plans shall include a supplemental lighting scheme, as required by the Agency. The Plans shall be prepared by an architect licensed in the State of California and shall conform to any preliminary plans previously approved by Agency; to Agency plans and consultant studies for the development Old Sacramento; to the Redevelopment Plan; to all applicable statutes, laws, codes, regulations, ordinances and rules; and to the provisions of this Agreement. Owner shall submit the Plans to the Agency and the Agency shall approve or disapprove the Plans in writing. The Plans shall be submitted when required by the Schedule of Performances. The Plans shall be in sufficient detail to obtain a building permit.

3.3. Meet and Consult

The Agency and the Owner shall communicate and consult informally as frequently as is necessary to insure that the formal submittal of the Plans and related documents to the Agency receive prompt and speedy consideration. Any items so submitted and approved in writing by the Agency shall not be subject to subsequent disapproval except as a result of the discovery of material information not previously available to Agency.

3.4. Agency Approval of Plans

The Agency shall have the right of review of the Plans; including all specifications, drawings, construction schedule and other related submissions and any material changes thereto, including the right of architectural and landscaping review.

3.4.1. Time for Approval

Agency shall approve the submitted plans and submissions within forty-five (45) days after receipt thereof.

3.4.2. Approval of Material Changes

If the Owner desires to make any material changes in the Plans as approved by the Agency, the Owner shall submit any such proposed changes to the Agency for its approval. The Agency shall approve or disapprove the proposed change as soon as practicable but in any event within thirty (30) days after submission to the Agency. Such change in construction plans shall be deemed approved by the Agency unless rejected, in whole or in part, by Agency's written notice to the Owner made within said thirty (30) day period and stating fully the reasons for rejection. Agency may reject without review any request for change made after the date for approval of Plans as specified in the Schedule of Performances.

### 3.4.3. Purpose of Approval

Agency's approval of Plans is not an assurance of the adequacy or correctness of the Plans, but merely an acknowledgement that the Plans conform to the uses and designs contemplated by this Agreement and to assure that Agency funds provided under this Agreement are properly utilized.

### 3.5. Payment and Performance Bonds

Prior to commencement of construction of the Improvements, the Owner shall obtain a performance bond and a labor and materials payment bond in favor of the Agency as a named obligee, in American Institute of Architects Form A311, or equivalent approved by Agency, securing faithful performance of the terms of the Contract in a penal sum equivalent to the cost of construction as approved by Agency and securing payment of all labor and material suppliers and subcontractors for the work of this Agreement. The bonds shall be written with a surety listed as acceptable to the federal government on its most recent list of sureties. In lieu of said bonds, Owner may provide letter of credit, cash equivalent or real property security in a form and amount acceptable to and verified and approved by the Agency legal staff, subject to such assurances (including title insurance) as they may require.

### 3.6. Compliance with Surety Requirements

Owner shall comply with all requirements of the surety. Owner shall make no changes in the work to be performed by Owner and shall make no advance payments to such contractor without prior written notice to each surety and the Agency.

### 3.7. Permits

Before commencement of construction or development of any buildings, structures or other work of improvements upon the Site, the Owner shall at its own expense secure any and all certifications and permits which may be required by any governmental agency affected by such construction, development or work. The Agency shall provide at no cost to Owner reasonable assistance in securing these certifications and permits.

### 3.8. Development Costs

Owner shall be responsible for, obtain and pay all costs of developing the Site and constructing all Improvements. Owner shall provide a firm cost estimate for the construction of the Improvements in a form and with specificity satisfactory to Agency.

### 3.9. Evidence of Financing

The Agency shall receive evidence satisfactory to Agency that Owner has expended or has been obligated to expend not less than twenty-five percent (25%) of the total Project costs, including furnishings, and has obtained commitment for construction financing in sufficient amounts to enable Owner to develop the Site as required by this Agreement. Such evidence of financing shall include the written acceptance by Owner of each financing commitment, evidence that Owner has paid any required commitment fee and has otherwise satisfied or is capable of satisfying all conditions of each commitment which shall include any requirements of this Agreement. Owner shall fully comply with all requirements of any lender with regard to such financing.

#### 3.9.1. Construction Contracts

The Agency shall receive a copy of executed construction contracts in a form consistent with the requirements of this Agreement and showing that Owner has obtained a valid and binding obligation of a licensed contractor to construct the Improvements. The construction

contracts shall be in an amount consistent with the financing commitments, require satisfactory labor and material and faithful performance bonds in the full amount of the contract require ten (10%) percent retention of all labor costs and require such other assurances as the Agency shall deem necessary.

#### 3.9.2. Commencement of Construction

Owner shall have diligently commenced and proceeded with construction within thirty (30) days following Agency issuance of Notice to Proceed.

#### 3.9.3. Disbursements of Owner's Equity

Owner shall expend its equity for construction on the Site prior to disbursement of construction loan funds.

### 4. Construction Covenants

The Owner shall promptly begin and thereafter diligently prosecute to completion the construction of the Improvements and the development of the Site in accordance with the provisions of this Agreement and at the times specified in the Schedule of Performances. In consideration of Owner's performance in constructing the Improvements and developing the Site, Agency has made significant material concessions for loan of funds for the Project to Owner. Therefore, the parties agree that such obligations of Owner shall be covenants running with the land and that they shall, in any event, and without regard to technical classification or designation, be to the fullest extent permitted by law and equity, binding for the benefit of the Agency and enforceable by the Agency against the Owner and its successors and assigns to or of the Site all or any interest in the Site.

#### 4.1. No Construction Prior to Required Approvals

No construction of the Improvements shall be undertaken by the Owner until Owner has obtained and the Agency has approved the evidence of equity and financing commitments, the Plans, and all construction-related contracts and sub-contracts, the policies of insurance, and the bonds or other security submitted by the Owner pursuant to this Agreement. To the extent approved by Agency, contracts may be submitted subsequent to commencement of construction. Owner shall not commence any work which might be construed as commencement of the Project for establishment of mechanic's lien rights, and in any event, Owner shall not commence any work on the Site without Agency's written approval of the work to be done.

#### 4.2. Substantial Changes

Owner covenants and agrees that Owner shall not make or permit to be made any construction of the Improvements which substantially deviate from the Plans without approval by the Agency of such changes. For purposes of this paragraph, substantial deviation from the Plans shall include, without limitation the following:

#### 4.2.9. Other Changes

All change orders that result in a net increase in the construction cost, alter the scope of work or extend the period for performance shall require the prior written approval of Agency.

#### 4.3. No Construction Over Utility Easements

Owner shall not construct any building or other structure or improvement on, over, or within the boundary lines of any easement for public utilities on the Site, unless such construction is provided for in such easement or has been approved by the beneficiary of the easement. If approval for such construction is requested by Owner, Agency shall use its best efforts to assure that such approval shall not be withheld unreasonably.

#### 4.4. Reports

During the period of construction, the Owner shall submit to the Agency a written report of the progress of the work when reasonably requested by the Agency, but not more often than once each month. The report shall be in such form and detail as may reasonably be required by the Agency and shall include a reasonable number of construction photographs taken since the last report if requested by the Agency.

4.6.1. Employment

The Owner shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, marital status, creed or national origin. The Owner will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, creed, religion, sex, marital status, or national origin. Such action shall include, but not limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layout or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Owner agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Agency setting forth the provisions of this nondiscrimination clause.

4.6.2. Advertising

The Owner will, in all solicitations or advertisements for employees placed by or on behalf of the Owner, state that all qualified applicants will receive consideration for employment without regard to race, color, creed, religion, sex, marital status, or national origin.

4.7.2. Documentation

Owner shall maintain such documentation of efforts of outreach to minority or female owned businesses as may be required by Agency. Additionally, Owner shall maintain any documentation of contract awards for the Quarterly Minority Business Enterprise Report which may be required by the United States Department of Housing and Urban Development ("HUD").

4.7.3. Goal

The MBE/WBE utilization goal for this Project is 20% of contract dollars for Minority Business Enterprise and 5% of contract dollars for Women's Business Enterprise.

4.7.4. Inclusion in Contracts

The requirements and contract provisions for the Minority and Women's Business Enterprises must be included in all contracts. Contracts for purchases of goods and services over \$10,000 must be coordinated with the Agency's MBE/WBE Coordinator.

4.8. Local Hire

Owner shall use its best efforts to hire, or cause to be hired, for no less than sixty percent (60%) of the cost of the work relating to direct labor of the Project, local contractors and subcontractors with permanent places of business within the County of Sacramento. To the extent that labor for any portion of the Project is not available within the county, such portion shall not be included in determining the said percentage. Agency shall have the right to approve the computations as described in the foregoing sentence. If Agency determines that Owner has failed to comply with the aforesaid, Owner shall give written justification for such failure including a detailed listing of all efforts made to effect such compliance.

4.9. Agency Access

Owner shall permit the representatives of Agency access to the Site at all reasonable times which any of them deems necessary for the purposes of the Agreement, including, but not limited to, inspection of all work being performed in connection with the construction of the Improvements. No compensation shall be payable nor shall any charge be made in any form by any party for the access provided for in this Section.

The Agency name on the sign shall be in letters not less than four inches in height. The sign shall be displayed in a location easily legible from the nearest major thoroughfare.

4.12. Agency's Completion of Construction

Notwithstanding any other provision of this Agreement, if the Owner fails to commence construction of the Improvements on the date stated in the Schedule of Performances, or fails to diligently prosecute and substantially complete such construction within thirty (30) days following the date for substantial completion, the Agency may, upon fifteen (15) days written notice to the Owner and construction lender, and with or without legal process, take possession of the Site, remove the Owner and all agents, employees and contractors of the Owner from the Site, complete the work of construction and market and sell or lease the Site with all improvements. All contracts with contractors, subcontractors, suppliers and other entities related to the construction of the Improvements and all sources of funds for construction of the Improvements are irrevocably assigned by Owner to the Agency upon Agency demand after such failure by Owner. Upon the Agency taking possession of the Site, the Owner irrevocably appoints the Agency as its attorney-in-fact with regard to the Site and Improvements, and construction and financing agreements related thereto, until issuance of a Certificate of Occupancy for the said improvements, which Agency is coupled with an interest. Nevertheless, Agency has no obligation to take possession of the Site or to complete the construction of the improvements on the Site.

4.13. Certificate of Completion Issuance

After the Agency has determined that Owner has completed the Improvements in accordance with Owner's obligations under this Agreement, the Agency will furnish the Owner with a "Certificate of Completion" certifying such completion. Such certification shall be a conclusive determination of satisfaction and termination of the agreements and covenants in the Agreement and in the Deed with respect to the obligations of the Owner to construct the Improvements and of the dates for the commencement and completion of construction, subject to any qualifications or limitations stated in such certification. Such certification and such determination shall not constitute evidence of compliance with or satisfaction of any governmental requirements other than Agency or any obligation of the Owner to any holder of a mortgage, or any insurer of a mortgage, securing money loaned to finance all or any part of the Improvements.

If the Agency shall refuse or fail to provide a Certificate of Completion, the Agency shall, within thirty (30) days after written request by the Owner, provide the Owner with a written statement, indicating in adequate detail in what respects the Owner has failed to complete the Improvements in accordance with the provisions of the Agreement, or is otherwise in default, and what measure or acts it will be necessary, in the opinion of the Agency, for the Owner to take or perform in order to obtain such certification.

The covenant regarding residential use of the Site shall continue in effect for a minimum period of fifteen (15) years from the date stated in this Agreement for completion of construction. All other covenants contained in this Agreement and in the Agreement Containing Covenants shall remain in effect until July 17, 2014, except the covenants against discrimination which shall remain in perpetuity.

The Agreement and the covenants shall run in favor of the Agency without regard to whether the Agency has had or does have any interest in the Site. If the covenants against racial discrimination are breached, the Agency shall have the right to exercise all rights and remedies, and to maintain any actions or suits at law or in equity or other proper proceedings to enforce the curing of such breaches to which it or any other beneficiaries of this Agreement and covenants are entitled.

### 10. Defaults and Remedies

#### 10.1. In General

Subject to any extension of time permitted by this Agreement, failure or delay by a party to perform any term or provision of this Agreement constitutes a default of this Agreement.

Except as otherwise provided in the Agreement, in the event of any default in or breach of the Agreement, or any of its terms or conditions, by either party, such party shall, upon written notice from the other, immediately commence and diligently proceed to cure such default or breach within thirty (30) days after receipt of such notice. In case such action is not taken or not diligently pursued, or the default or breach is not cured within a reasonable time, the aggrieved party may institute proceedings to cure and remedy such default or breach, including, but not limited to, proceedings to compel specific performance by the party in default or breach of its obligations.

#### 10.2. Revesting Title in Agency

If prior to issuance of Certificate of Completion, Owner defaults in its obligations related to the construction of the Improvements, abandons or unreasonably suspends such construction work, permits any unauthorized encumbrance or lien (including tax liens), any transfer of all or any part of the Site or any change in the ownership or control of Owner, then the Agency shall have the right to re-enter and take possession of the Site, or any part of the Site conveyed to Owner, and to

terminate and re-vest in the Agency the estate so conveyed. It is the intent of the Redevelopment Contract, the Assignment and this Agreement, that the conveyance of the Site to the Owner has been made upon, and that the Deed shall contain, a condition subsequent to the effect that in the event of any default, failure, violation, or other action or inaction by the Owner specified in this Agreement, failure on the part of the Owner to remedy, end, or abrogate such default, failure, violation, or other action or inaction, within the period and in the manner stated in the Agreement, the Agency at its option may declare a termination in favor of the Agency of the title, and of all the rights and interest in the Site conveyed by the Deed to the Owner, and that such title and all rights and interests of the Owner, and any assigns or successors in interest to and in the Site, shall revert to the Agency. Such condition subsequent and any such re-vesting of title in the Agency shall always be subject to and limited by the lien or security interest authorized by the Agreement, and any rights or interests provided in the Agreement for the protection of the Lenders; and shall not apply to individual parts or parcels of the Site on which the Improvements have been completed in accordance with the Agreement and for which a Certificate of Completion issued as provided in the Agreement.

The Warranty Deed transferring the Site to Owner pursuant to the Redevelopment Contract shall be amended to provide that the re-vestment provisions relating to default under the Redevelopment Agreement shall relate to default under this Agreement. Said amendments shall be as set out in the "Amendment to Warranty Deed", a copy of which is attached as Exhibit 8 Attachment to Warranty Deed. The parties shall execute the Amendment to Warranty Deed and shall record said Amendment in the Official Records of Sacramento County.

10.3. Resale of Reacquired Site and Disposition of Proceeds

Upon the re-vesting in the Agency of title to the Site, Agency shall use its best efforts to resell the Site, as soon and in such manner as the Agency shall find feasible and consistent with the objectives of the law, to a qualified and responsible party, as determined by the Agency, who will assume the obligation of completing the Improvements or such other improvements in their stead as shall be satisfactory to the Agency. Upon such resale of the Site, the resale proceeds shall be applied as follows:

10.3.1. Agency Reimbursement

Said proceeds shall be paid first to Agency to reimburse Agency for all costs and expenses incurred by the Agency, including legal costs, attorney's fees and salaries of personnel, in connection with the recapture, management, and resale of the Site (but less any net income derived by Agency from the Site after such re-vesting); all taxes, assessments, and water and sewer charges with respect to the Site (or, in the event the Site is exempt from such taxation or assessment during Agency's ownership, an amount equal to such taxes, assessment, or charges (as determined by local assessing authorities) as would have been payable if the Site were not so exempt); any payments necessary to discharge any encumbrances or liens existing on the Site at the time of such re-vesting or to discharge or prevent any subsequent encumbrances or liens due to obligations, defaults, or acts of the Owner; any expenditures made or obligations incurred with respect to completion of the Improvements; and any amounts otherwise owing the Agency by the Owner.

10.3.2. Owner Reimbursement

After said payment to Agency, said proceeds shall be paid to Owner to reimburse Owner in an amount not to exceed (1) the sum of the purchase price paid by Owner for the Site and the cash actually expended by it in actual construction of any of the Improvements, less (2) any gains or income withdrawn or made by it from the Agreement or the Site and any amounts, including interest on loans, then due from Owner to Agency.

10.3.3. Balance to Agency

Any balance remaining after such reimbursements shall be retained by the Agency as its property.

10.4. Other Rights and Remedies of Agency

Agency shall have the right to institute such actions or proceedings as it may deem desirable to carry out the purposes of this Section, including the right to record in the public land records a written declaration of the termination of all the rights, title, and interest of the Owner in the Site and the revesting of title to the Site in the Agency.

10.5. No Waiving by Delay

SERVICE COURT AGREEMENT

THIS AGREEMENT made on \_\_\_\_\_ 1989 by and between the REDEVELOPMENT AGENCY OF THE CITY OF SACRAMENTO, a public body, corporate and politic ("Agency"), established pursuant to Part I (commencing with Section 33000) of Division 24 of the Health and Safety Code of the State of California ("Community Redevelopment Law"), and having its office at 630 I Street, Sacramento, California 95814, and Kenneth L. Kirby having an office at 3420 Coach Lane, Suite 10, Cameron Park, California 95682 ("Redeveloper").

WHEREAS, the Agency and the Redeveloper have contemporaneously with this Agreement entered into a Disposition and Development Agreement relating to the development of a hotel (the "Hotel") on the Property ("Hotel Property") described on Exhibit "A" attached hereto; and

WHEREAS, the Agency and Redeveloper desire to enter into this Agreement for the purpose of having the Redeveloper develop plans for a service court on the Property ("Service Court

Property") described on Exhibit "B" attached hereto and thereafter construct such service court improvements ("Service Court Improvements") in accordance with final plans and specifications approved by the Agency.

NOW, THEREFORE, the Agency and Redeveloper agree to the following terms:

1. Within the time set forth in the Schedule of Performance attached hereto as Exhibit "C", the Redeveloper shall enter into an Agency-approved agreement for architectural and engineering services, whereby the Redeveloper will undertake the preparation of schematics, preliminary and construction plans and documents for the Service Court Improvements.
2. Within the times set forth in the Schedule of Performance, the Redeveloper shall submit for approval of the Agency, schematic, preliminary and final construction plans and documents for the Service Court Improvements.
3. Not later than fifteen (15) days following Agency approval of final construction plans and documents for the Service Court Improvements, the Redeveloper shall submit final detailed cost estimates for the design and construction of the Service Court Improvements, including the items set forth in this Section 3.

As to the Service Court Improvements, such estimates shall be in a form approved by the Agency and include costs for the entire work of development and construction, including without limitation site preparation, soils testing, foundations, excavation costs, landscaping, utilities, paving and surfaces, compliance with special conditions, construction supervision, and that portion of payments reasonably attributed to the Service Court Improvements.

The Redeveloper and Agency shall each act diligently to determine the development and construction costs for the Service Court Improvements pursuant to this Section 3 at the earliest possible time and, in any event, within thirty (30) days following the Redeveloper's submission of final costs estimates to the Agency.

4. Redeveloper shall construct or have constructed by an Agency-approved contractor the agency-approved Service Court Improvements within the time limits of the Schedule of Performance and for no more than \_\_\_\_\_ in total construction costs. If the construction costs of the Service Court Improvements exceed such amount, the Agency shall not be required to contribute more than \_\_\_\_\_ as its share of the costs.

(a) Agency and Redeveloper shall share the costs for the Service Court Improvements as follows:

Agency:    Compactor Building                    \$

Concrete Access Area

\_\_\_\_\_

TOTAL \$

Redeveloper: Site Improvements \$

Development Cost

\_\_\_\_\_

TOTAL \$

(b) After Redeveloper's payment to the contractor of the Redeveloper's portion of the costs for the construction of the Service Court Improvements, the Agency shall commence monthly disbursement of its portion of such cost to the contractor for all defect-free work completed in accordance with the Agency-approved construction plans and documents during the preceding month. However, no more than ninety percent (90%) of the cost shall be paid to the Service Court Improvements contractor until the Agency accepts the completed Service Court Improvements. Agency shall withhold any stop notice claim amounts from such payment. This subparagraph (b) notwithstanding, in the event that the Service Court Improvements are completed in accordance with this Agreement and accepted by the Agency, the Redeveloper shall retain any portion of the Agency's contribution to construction which is in excess of actual construction disbursements.

5. For the Agency's approval, Redeveloper or its contractor shall provide to the Agency performance bond and labor and material bonds for 100 percent of the construction costs prior to the commencement of the work on the Service Court Improvements.

Redeveloper shall keep the Property and Service Court Improvements free of liens and encumbrances at all times.

6. If the Redeveloper should default upon its obligations under this Agreement, making it necessary for the Agency to terminate this Agreement to procure another party or parties to redevelop the Service Court Property in substantially the manner and within the period that such Service Court Property would be redeveloped under the terms of this Agreement, then the resulting damages suffered by the Agency would be uncertain. Such damages would involve variable factors including the costs of identifying, obtaining such other party; the consideration which such other party would be paid for the Service Court Improvements. The Redeveloper and Agency agree in advance that the Redeveloper shall pay to the Agency upon the occurrence of any default the total cost incurred by the Agency as the total of all liquidated damages for any and all defaults and not as a penalty.

In the event that this Section 6 should be void for any reason, the Agency shall be entitled to the full extent of damages otherwise provided by law.

The parties hereby acknowledge the liquidated damages provisions of this Agreement.

PARKING AGREEMENT

THIS AGREEMENT is entered into on \_\_\_\_\_, 1989, by and between the REDEVELOPMENT AGENCY OF THE CITY OF SACRAMENTO, a public body, corporate and politic ("Agency"), The City of Sacramento ("City") and Kenneth L. Kirby, Redeveloper.

Recitals

1. Agency and Redeveloper have executed a Disposition and Development Agreement ("DDA") dated the same date as this Agreement which provides for the construction of the City Market Building on Old Sacramento Parcel No. 54 in the Old Sacramento Historic Area (the "Property"). The Old Sacramento Historic Area is depicted on a map attached hereto and incorporated herein by reference marked as Exhibit "A".

2. Redeveloper intends to operate a hotel business ("Hotel") on the Property.

3. Redeveloper has asked Agency and City for assurance of the availability of parking and automobile access to the Hotel for Hotel's guests.

4. The City operates all City-owned parking structures, and under contract with the Agency operates all Agency-owned parking facilities. The Agency and City may in the future contract with a private or public entity to operate one or more City or Agency-owned parking facility. The term "City" as used in this Agreement shall refer to any entity responsible for operation of the parking facilities where the context so indicates.

Agreement

The parties to this Agreement agree as follows:

1. Term

The term of this Agreement shall consist of two (2) parts as follows:

1.1 Interim Term

The "Interim Term" shall commence upon issuance of a permit for construction of the Hotel and continue until issuance of a Certificate of Occupancy for the Hotel or until \_\_\_\_\_, 1990, whichever occurs first in time.

1.2 Regular Term

The "Regular Term" shall commence upon expiration of the Interim Term and continue until expiration of City's master lease, as it may be extended from time to time, with the State of California for the real property which includes the parking spaces to be made available to Redeveloper and/or Redeveloper's Hotel Operator ("Operator") under this Agreement. A copy of the Lease is attached as Exhibit "B".

2. Designated Parking Facilities

2.1 Agency shall make available, for parking of Hotel guest vehicles, ten (10) parking spaces in the City parking facility located between 2nd, 3rd, I and K Streets (Lot P) on the upper most level in an area designated by signs as posted by the City which shall say "Hotel Parking" and according to the terms and conditions of this Agreement. The designated spaces shall be the spaces indicated upon Exhibit "C" attached.

2.2 Hotel guest vehicles may be parked for an unlimited time at the parking facility designated by the City at the hourly rates established from time to time by Resolution of the Sacramento City Council in each designated parking facility. Rates now in effect are set forth in Exhibit "D" attached.

2.3 The hotel guest or any person parking the guest's vehicle shall upon entry into the parking facility obtain a parking ticket in the same manner that such tickets are obtained by members of the general public. Hotel management shall validate each such ticket by a unique ink stamp impression validation in a manner which indicates the guest's actual "check-in" and "check-out" times. Redeveloper agrees to pay all fees for all such parking validations according to the terms and conditions of this Agreement.

3. Parking Fees, Billing and Payment

3.1 City shall maintain records of Hotel guest's validated parking tickets and parking charges related thereto. 3.3.3 Agency considers hotel-type businesses to be beneficial to the economic growth and stability of Old Sacramento. If during the Regular Term for reasons of negative economic influences beyond the control of Redeveloper and/or Operator it is determined that the then in affect parking fees are contributing to Hotel's existing or pending negative economic condition, Agency and City will not unreasonably deny Redeveloper and/or Operator the opportunity to negotiate parking fees other than those then in affect for a period of sufficient duration to assist Redeveloper and/or Operator in sustaining Hotel's economic stability.

4. Valet Service Area

Any other amenities or improvements desired by Hotel shall be subject to approval of City and shall be paid for by Redevelopment and/or Operator.

4.3 Use of the valet service area shall be in accordance with rules established by City as set forth in Exhibit "E" attached.
