Honorable Members in Session:

SUBJECT: Resolution Appropriating Additional Funds for the Installation of
Rip-Rap at Beach Lake and Approval of Change Order No. 1

SUMMARY:

This report is submitted to the City Council for appropriation of additional funds for the North/South Beach Lake Levee Rip-Rap project and for the approval of Change Order No. 1 to that contract.

BACKGROUND:

The subject contract called for regrading of the levees along the north/south portions of Beach Lake and the placing of cobble rip-rap on the regraded levees. The current change order is for additional cobble rip-rap resulting from an error in estimating the quantity of rip-rap to be placed.

FINANCIAL:

The original contract was in the amount of \$31,804.50. Change Order No. 1 is in the amount of \$20,987.50, for a total of \$52,792.00. The total cost for the project is estimated to be \$55,300.00, of which \$50,000.00 has been appropriated from the 1965 Flood and Drainage Bond Series "C" fund. It is proposed that an additional \$5,300.00 be appropriated from the 1965 Flood and Drainage Bond Series "C" fund.

RECOMMENDATION:

It is recommended that the City Council:

1. Appropriate, by resolution, \$5,300.00 from the 1965 Flood and Drainage Bond Series "C" fund to complete the project, and
2. Approve Change Order No. 1 for the additional work in connection with the North/South Beach Lake Levee Rip-Rap project.
