915 I Street, Room 205
Sacramento, California 95814

Dear Mayor Rudin:

During Operation Desert Storm, the 126th Med Company (AA) from Sacramento, California was stationed at William Beaumont Army Medical Center in Fort Bliss, Texas. Unfortunately, their departure was sudden and we were unable to thank them for the support they provided.

We had planned to present the plaque before City Council but were unable to do so prior to their departure. Therefore, we are forwarding this plaque to you so that you may present it to them on behalf of the citizens of El Paso and all the public service agencies they assisted.

Thank you for your assistance in this matter.

Sincerely,

William S. Tilney
Mayor
