Honorable Members in Session:

SUBJECT: Citation Authority for Public Works Classifications

SUMMARY

The attached resolution amends Resolution #86-404, which specifies employees within the Public Works Department to be granted citation authority pursuant to Ordinance #85-033. Adoption of the resolution is necessary due to personnel changes.

BACKGROUND

Prior to passage of Ordinance #85-033, certain City employees were designated "Special Police Officers" by the City Manager in order to grant them citation issuance authority. Classifications within the Parking Division, Animal Control Division and Solid Waste Division were included in the "Special Police Officer" designation. Due to confusion, which arose between the "Special Police Officer" and Peace Officer status under the Penal Code, Ordinance #85-033 was drafted to change the way in which citation authority was granted.

The ordinance eliminated "Special Police Officer" status and specified that the City Manager submit to the City Council a list of persons within the classification to be granted citation authority. The Council would then grant the authority by resolution.

Honorable Members in Session:

SUBJECT: Station Authority for Public Works Classification

SUMMARY

The attached resolution amends Resolution 888-400, which specifies employees within the Public Works Department to be treated as station authority pursuant to Ordinance 887-033. Adoption of the resolution is necessary due to personnel changes.

BACKGROUND

Prior to passage of Ordinance 887-033, certain City employees designated "Special Police Officers" by the City Manager in order to grant them station authority. Classification within the Police Division, Animal Control Division and Solid Waste Division was included in the "Special Police Officer" designation. The ordinance which also became the "Special Police Officer" ordinance was amended to include the term "Special Police Officer" and to be placed under the term "Police Officer" as defined in Ordinance 887-033. The ordinance was amended to change the way in which station authority was granted.

The ordinance designated "Special Police Officer" status and authority for the City Manager subject to the City Council. The ordinance also provided for the classification of the station authority. The Council would grant authority by resolution.
