Honorable Members in Session:

SUBJECT: Citizens Advisory Committee Appointments

SUMMARY

This report recommends that Council approve the appointment of three Citizens Advisory Committee members for new two-year terms.

BACKGROUND INFORMATION

As an element of the 1984 Council-adopted Master Plan for Park Facilities and Recreational Services, a Citizens Advisory Committee was established in May of 1986. The Citizens Advisory Committee provides a means for the interpretation of public opinion to the Department staff. The committee consists of one representative from each of the eleven planning areas and three at-large representatives. The term of appointment for three members has expired and one appointee resigned before the term expired. Recruitment for the four vacant positions began in November 1989 and interviews were conducted in January.

Recruitment of committee members was done through news releases and the City Clerk's office. These efforts resulted in eight applications. All applicants were invited to be interviewed. Interviews were conducted by the Parks and Recreation Division City Wide Manager, after which three candidates were selected by the Director of Parks and Community Services to serve on the Advisory Committee, pending Council approval.

No applications have been received for Planning Area 2 (Land Park/Curtis Park). The Department will continue to solicit applications for this area.
