Re: Selection of RT General Manager

Members of the Session:

This Board has considered both requests of the joint City-County letter of September 26, 1980. Essentially those requests are:

- (1) That the City Manager, the County Executive and each of the elective bodies review the selection of the Interim RT General Manager, and
- (2) That the elective bodies review the alternate methods of selecting a permanent General Manager per a joint report of the City Manager, the County Executive and our legal counsel.

Concerning your first request, although the RT Board of Directors is an independent body, we recognize the appointive powers of the City Council and the Board of Supervisors. Further, we recognize the financial contributions which are made by the elective bodies. Therefore, we have cancelled the interview of candidates for the temporary position which we had scheduled for Saturday, September 27, 1980, and arranged for Mr. Ketelsen to remain as Acting General Manager pending completion of the suggested process. Your request does represent a delay in filling the temporary position since both Mr. Slipe and Mr. Richter will not be in town simultaneously again until October 14, 1980.

Your second request concerning the permanent General Manager poses no problem. Mr. Ketelsen had already been requested to develop a report for the Board concerning the alternate methods of selection of the permanent General Manager. He will now

confer with the two (2) chief executives to develop a joint report which all three (3) Boards should review before a method of selection is chosen.

Respectfully yours,

Grantland L. Johnson
Chairman
RT Board of Directors
