SACRAMENTO ARMY DEPOT (\$141,000)

LOCATION AND COUNCIL DISTRICT

District 6

SUMMARY

The City of Sacramento has received approval of a \$141,000 grant from the U.S. Department of Defense to assist in the mission of the Sacramento Army Depot Reuse Commission.

COMMITTEE/COMMISSION ACTION

None

RECOMMENDATION

It is recommended the City Council adopt the attached Resolution accepting federal grant funding, and authorizing expenditure.

BACKGROUND INFORMATION

The City Council, in April 1992, adopted Resolution 92-280, initiating the submittal of a federal grant application to the U.S. Department of Defense. The federal grant will fund four studies needed to complete the land use plan for the reuse of the Sacramento Army Depot: traffic & circulation, infrastructure, financing, and CEQA compliance. In accordance

with the conditions of the Federal Grant Agreement, these funds will be used for consultant services only.

FINANCIAL CONSIDERATIONS

The \$141,000 will be received and spent on the operating federal grant's fund. The general fund operating budget is not affected.

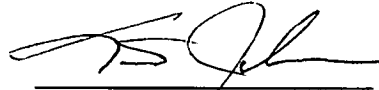

POLICY CONSIDERATIONS

The adoption of the Resolution to accept and spend the federal grant funds is consistent with City Council direction to develop a land use plan for the reuse of the Sacramento Army Depot. City Council approval is needed for the receipt and expenditure of federal grant funds.

MBE/WBE REPORTS

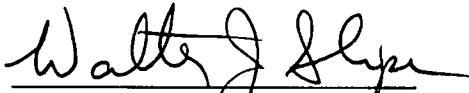

Consultant selection will be conducted in accordance with the City's MBE/WBE guidelines.

Tim Johnson, Coordinator
