RE: CONDO CONVERSION IN CENTRAL CITY - CITY P# 84-049
419 - 431 V STREET

Dear Art:

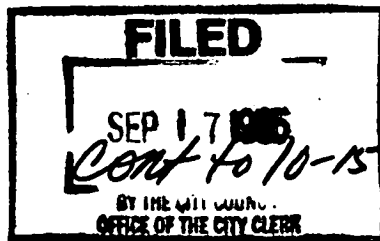

As per our telephone conversation of September 17, 1985, I am forwarding herewith our letter to request that action on this matter be continued to October 15, 1985, which is the same date that other condo conversion projects will be heard by the City Council. Mike Montross, the developer for the project, is expected to return from out of town in the first week of October. He will be looking forward to meeting you during the first week of October to go over all of the items of concern so that when we go before the council, all of these matters are ironed out.

We appreciate your help and cooperation. Thank you.

Very truly yours,

For *M. M. Madere*
