Honorable Members in Session:

SUBJECT: AUTHORIZATION TO EXECUTE A CONSULTANT SERVICE AGREEMENT FOR
CONSTRUCTION TESTING FOR THE CROCKER ART MUSEUM PAVILION/
CROCKER-HASTINGS HOUSE RESTORATION PROJECT, Org. No. MA26

SUMMARY

Approval of a Consultant Services Agreement with Lowry and Associates, Inc. Testing Laboratories for \$23,200.00 to cover testing services during the construction phase of subject project.

BACKGROUND

A testing consultant is needed during construction of the Crocker-Hastings House restoration project to test concrete, steel, welding, piles, and earthwork. Lowry and Associates were the testing consultants for the design phase of this project, are familiar with soil conditions, pile design, etc. at the job site; and are, therefore, best prepared to perform construction testing.

FINANCIAL

Additional funding is required and available in the Capital Improvement Project Budget to provide for the additional testing services requested.
