Honorable Members In Session:

SUBJECT: Traffic Signals and Improvements for Raley Boulevard at Bell Avenue and Northgate Boulevard at Rosin Court (PN:SD26/SD96) - Project Approval and Bid Advertisement

SUMMARY

Plans and specifications for this project have been prepared. Approval of the plans and specifications and authorization to advertise for bids is recommended.

BACKGROUND

This project will install new traffic signals at Northgate Boulevard and Rosin court and will modify the existing signals at Raley Boulevard and Bell Avenue. Other improvements will include left turn phasing in all directions, street lighting for the intersections, upgraded pedestrian signals with push buttons, handicap ramps and vehicle detector loops.

Categorical Exemptions for this project were filed with the County Clerk of the County of Sacramento on May 25, 1989 and August 24, 1989. The engineer's estimated construction cost is \$438,600.

FINANCIAL DATA

Additional funding may be necessary for this project. The estimated total project cost, including all planning, design and construction costs, is \$661,400. The current budget is \$659,000, which was approved in the Capital Improvement Program with \$153,200 from Gas Tax funds (202), \$489,700 from Major Street Construction funds (209) and \$16,100 from Capital Grants funds (248). The monies currently available for this project amount to approximately \$577,000 as of November 6, 1990. If additional funds are needed, the final budgeting recommendation will be made following receipt of bids.

A non-refundable fee of \$20.00 will be charged for each set of plans and specifications to cover reproduction costs.

POLICY CONSIDERATIONS

This action is consistent with Chapter 58, Article III, Section 58.301 of the City Code concerning advertisement for bids.

MBE/WBE EFFORTS

Plans and specifications will be sent to nineteen (19) plan rooms and construction services organizations for publication and use by the construction industry of Northern California. There are four (4) organizations on the distribution list that are directly involved with the MBE/WBE contractors.

RECOMMENDATION

It is recommended that the City Council approve the plans and specifications for this project and authorize the City Clerk to advertise for bids to be received on December 18, 1990.

Respectfully submitted,

THOMAS M. FINLEY
Engineering Division Manager
