SUMMARY

OFFICE OF THE  
CITY CLERK

This report provides information on the 1987 Summer Food Service Program and recommends authorization for the City Manager to submit an application to the United States Department of Agriculture on behalf of the Recreation Division to serve as sponsor for the 1988 program.

BACKGROUND INFORMATION

This report provides information on the 1987 Summer Food Service Program operated by the Recreation Division of the City of Sacramento for the City and County of Sacramento. A complete summarized report is attached for your review.

This was the fifth year of operation of the program by the Recreation Division of the Department of Parks and Community Services. The purpose of the Summer Food Program is to provide nutritious lunches, breakfasts and snacks (supplements) to low-income children (18 years of age and younger) throughout the City and County.

As the attached report indicates, 101,751 lunches, 8,731 snacks and 1,595 breakfasts were served at 69 locations throughout the County. A continuing feature of the operation of the program was the cooperation of the Sacramento City Unified School District, who, through a contractual arrangement with the City, prepared and delivered the meals and the snacks under the supervision of the Recreation Division.

Planning is underway for the 1988 program. Other than some operational and procedural modifications, it is anticipated that the program will operate basically the same as last year, including contracting with the Sacramento City Unified School District for meal preparation and delivery. The major thrust of the 1988 program will be to continue to reach more children through identifying additional eligible sites, particularly in those areas of the County that are presently unserved due to lower than the standard criteria for site qualification. Alternate qualifying criteria will be used to attempt to reach additional children.

#### FINANCIAL DATA

The program is funded on a direct reimbursement basis from the United States Department of Agriculture, with the City and County sharing the costs of program administration and supervision beyond that reimbursed from the United States Department of Agriculture. This cost was \$5,285.82 this year compared to \$3,869.08 and \$6,130 in the previous two (2) years. The City's share of \$2,642.91 was budgeted in the Recreation Division's current operating budget.

#### RECOMMENDATION

It is recommended that the City Council, by resolution, authorize the City Manager to submit an application on behalf of the Recreation Division to the Department of Agriculture for the purpose of sponsoring the 1988 Summer Food Service Program serving the City and County of Sacramento.

Respectfully submitted,

ROBERT P. THOMAS, Director  
Parks and Community Services

1987 SUMMER FOOD SERVICE PROGRAM  
SUMMARIZED REPORT

This report summarizes the 1987 Summer Food Service Program sponsored by the Recreation Division for the City and County of Sacramento. A complete report, as well as all documents relating to the 1987 program, is on file in the Department of Parks and Community Services.

PURPOSE OF PROGRAM

To provide nutritious lunches, supplements (snacks) and breakfasts to low-income children (ages 18 and under) at eligible sites throughout the City and County of Sacramento. This program is meant to supplement the School Lunch Program which is very limited during the summer months and is intended for youngsters who receive free or reduced meals during the school year. All meals and snacks are provided free to participants.

PRIME SPONSOR

The Recreation Division is the prime sponsor for the program with responsibility for the preparation and delivery of meals, site selection, monitoring and supervision, determining the eligibility of sites, training of all sponsor and site staff and volunteers, fiscal and statistical management of the program on behalf of the City and County of Sacramento.

OPERATIONS

The Sacramento City Unified School District, through contractual arrangements with the Recreation Division, prepared and delivered the lunches, snack supplements and breakfasts utilizing the John F. Kennedy and Hiram Johnson High Schools as the preparation sites. Recreation Division personnel were assigned or employed to manage the overall program, keep all statistical and financial records, select feeding sites, and train, supervise, and monitor site personnel. The program was administered from the John F. Kennedy High School location.

FEEDING SITES

Individual feeding sites were operated by governmental agencies, nonprofit organizations, service groups, and community and neighborhood organizations. All sites had to be located in neighborhoods that were eligible as determined by either the eligibility of the participants or at or near a school site that had over fifty (50) percent of its students eligible for free or reduced meals. Individual site sponsors were required to provide adequate facilities, supervision, and record keeping in order to be eligible and to continue as a feeding site. All personnel at each site were either staff of the site sponsor or volunteers and not the responsibility of the prime sponsor. For statistical purposes, all site personnel were recorded as Program Volunteers.

FINANCIAL INFORMATION:

Direct costs associated with the program, including supervision, site monitoring, food preparation and delivery, and related supplies and support were reimbursed from the United States Department of Agriculture. The City and County of Sacramento shared the difference in costs of the program beyond the United States Department of Agriculture reimbursement. These costs this year were \$2,642.91 for each agency.

An overview of the programs financial report is as follows:

<u>Expenditures</u>		<u>Revenues</u>	
Employee Services:	\$ 15,884.12	U.S.D.A. Reimbursement:	\$178,779.26
Contracted Food Services:	165,853.15	Sacramento County:	2,642.91
Support Supplies:	<u>2,327.81</u>	City of Sacramento:	<u>2,642.91</u>
	\$184,065.08		\$184,065.08

ACTION ON 1986 RECOMMENDATIONS

- \* Program was continued under Recreation Division sponsorship.
- \* Continued to contract for food preparation and delivery with Sacramento Unified School District.
- \* Sites were consolidated, so as to avoid duplication within a one-half mile radius.
- \* Produced 45,000 flyers distributed through schools, and 40 media releases.

RECOMMENDATIONS FOR 1988

- \* Continue program under Recreation Division sponsorship.
- \* Continue to contract for food preparation and delivery with Sacramento Unified School District.

~~24~~  
23

- \* Reach additional children by 1) adding more eligible sites; and/or 2) increase number of lunches, supplements (snacks) and breakfasts served at each site with particular emphasis on County sites. Staff will target sites and make presentations in the Spring to community groups and organizations to interest them in operating sites.
- \* Continue Administration operation at Kennedy High School.
- \* Do not operate program last week of summer vacation.
- \* Explore funding reimbursement for site supervisors at City Recreation sites.
- \* Specific operational form changes will be made as necessary to meet U.S.D.A. guidelines.
