RECEIVED

City Council
Sacramento, California

Honorable Members in Session:

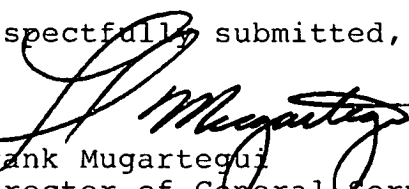

SUBJECT: Sole Source Purchase of Parking Access Control Equipment

SUMMARY

The Parking Division of the Public Works Department is requesting the suspension of formal competitive bidding and the purchase of parking access equipment parts from Security Access Company in the amount of \$19,162.68. Competitive bids cannot be obtained for the parts because there is only one distributor of these parts in this area and there are no equivalents of a different manufacture. Funds are available in the Parking Division's current budget.

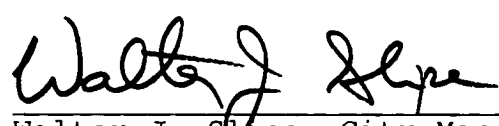

RECOMMENDATION

It is therefore recommended that, in the best interest of the City, the City Council adopt the attached resolution for the purchase of the parking access equipment parts and authorize the City Manager to execute the necessary contract with Security Access Company in the amount of \$19,162.68.

Respectfully submitted,

Frank Mugartegui
Director of General Services
