Street No. 3217 Serrano St 28 Mr. R. H. Stead Block Serrano

Owner Mr. R. H. Stead Address 3217 Serrano St

Architect _____ Address _____

Contractor Orman Address _____

Kind of Building Frame 1 Story Dwelling

Foundation _____

Posts Girder Span Mud Sills

1st Floor 2nd Floor 3rd Floor 4th Floor 5th Floor 6th Floor

Joists _____

Max. Span Same as above 1. 10' 0"

Bearing Partitions _____

Non Bearing Part's Private Garage 3 1/2 x 2

Story Height _____

Outside Walls Roof 7' 6" - 1' 0" Water

Ceiling Joists _____ Span _____

Roof _____ Rafters _____

Water Heater _____ Chimney _____

Size of Building—Length _____ Width _____ Height _____

It is hereby agreed that this building will be constructed in conformity with the Ordinances of the City of Sacramento and the Laws of the State of California.

Estimated Cost, \$ 75

Plans must be submitted

R. H. Stead
Owner or Owner's Representative.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that proper record-keeping is essential for transparency and accountability, particularly in the context of public administration and government operations. The text highlights how detailed records can help identify inefficiencies, prevent fraud, and ensure that resources are used effectively.

2. The second part of the document focuses on the role of technology in modern record management. It explores how digital tools and software solutions can streamline the process of data collection, storage, and retrieval. The author notes that while technology offers significant advantages, it also presents challenges such as data security, privacy concerns, and the need for regular updates and maintenance. The text suggests that a balanced approach, combining traditional methods with modern technology, is often the most effective strategy.

3. The third part of the document addresses the human element of record management. It discusses the importance of training and education for staff involved in handling records. The author argues that well-trained personnel are crucial for ensuring the accuracy and integrity of the information being recorded. Additionally, the text touches upon the need for clear policies and procedures that guide staff in their daily interactions with records, ensuring consistency and compliance with relevant regulations.

4. The final part of the document provides a summary of the key points discussed and offers some concluding thoughts. It reiterates the central theme that effective record management is a multi-faceted endeavor that requires attention to detail, the use of appropriate technology, and the involvement of well-trained staff. The author concludes by encouraging organizations to continuously evaluate and improve their record management practices to stay current in a rapidly changing environment.
