NEGATIVE DEC.	EIR	ASSESSOR'S PCL. NO.	Three School Sites

PROPOSAL: To relocate five portable classrooms to three school sites.

LOCATION AND PROJECT DESCRIPTION:

1. Argonaut School - 1400 Dickson Street

One classroom is proposed to be relocated on the southerly portion of the school site.

2. J. F. Kennedy High School - 6712 Gloria Drive

Two classrooms are proposed to be located on the southeast portion of the school site. These classrooms would be located behind existing structures.

3. Sacramento High School - 2315 34th Street

Two classrooms would be located on the easterly portion of the school site between the Pavillion and tennis courts.

STAFF RECOMMENDATION:

The staff has no objection to the classroom relocations. The increase in square footage at each school is not substantial and therefore would not require Commission approval.

The staff recommends approval of the classroom locations.
