I want to thank the members of PP&E and the City Clerk and her staff for their comprehensive, thoughtful and responsive efforts to refine boards and commission policies and for the committee's leadership in moving forward many important changes, most notably to allow ad hoc committees and to clarify policies and practices with respect to commissioner vacancies /term extensions.

We have one remaining concern with respect to QUORUMS. The staff and committee's "concern that having a quorum be less than a simple majority [of authorized seats]. . . could cause confusion and is not in keeping with the City's transparency mission" does not take into account the challenges in meeting the current quorum requirements that commissions with unfilled seats face.

Establishing a QUORUM AS A MAJORITY OF THE FILLED SEATS would allow commissions such as the Measure U Community Advisory Committee which has had persistent vacancies of 25% of our authorized membership for most of this year, to continue to provide support and service to the Council and community. In order to solve the potential "confusion" and "transparency" issues (1) the agenda for each meeting could include language that states "THIS COMMISSION HAS X AUTHORIZED SEATS, OF WHICH Y ARE

CURRENTLY FILLED, THEREFORE THE QUORUM FOR THIS MEETING IS A MAJORITY OF Y" and (2) at the beginning of the meeting, the clerk could announce the same information

Mayor Steinberg and Councilmembers Kaplan and Thao -

I wanted to provide you with the e-comment I submitted for Consent Item #2 on the 9/24 2:00 p.m. Council agenda. I will try to be in attendance, but wanted you to be aware of this concern that I also raised on behalf of the Measure U Community Advisory Committee at the P&PE committee on September 10.

Best,

Marj Dickinson, Chair  
Measure U Community Advisory Committee

**Subject:** Remove the "Healthy Food" exemption from the current Tobacco Retail License Policy

Dear Mayor Steinberg, Vice Mayor Maple, Mayor Pro Tempore Karina Talamantes, Councilmember Eric Guerra, Councilmember Rick Jennings, Councilmember Lisa Kaplan, Councilmember Shoun Thao, Councilmember Mai Vang, and Councilmember Katie Valenzuela

The [African American Tobacco Control Leadership Council \(AATCLC\)](#) strongly encourages you to protect the health of all children in the City of Sacramento by removing the "healthy food" exemption from the Tobacco Retail License (TRL) policy. The "healthy food exemption" does not increase access to healthy food in the communities that need it the most but instead leads to an increase in the availability of tobacco in the most vulnerable communities!!

Put the health of Sacramento residents at the forefront of your thoughts, not the interests and profits of the tobacco industry, the vaping industry, and their surrogates.

We are all counting on you!

Sincerely,

The African American Tobacco Control Leadership Council (AATCLC)
