Description/Analysis

Issue: The Casa de Angelo Apartments is an existing 100-unit affordable senior housing project located at 3151 Notre Dame Drive. A vicinity map and location map are included as Attachments 2 and 3. The developer, Dawson Holdings, Inc. intends to acquire and rehabilitate the project. The project was presented to the City Council on January 22, 2008. At that time, the City Council approved a

Approval of Bond Documents, OPA, and Permanent Financing for Casa de Angelo

loan commitment of \$3,100,000 consisting of \$1,200,000 in HOME funds and \$1,900,000 in TI funds from the City's Aggregated Housing Set Aside Fund for the acquisition, rehabilitation and permanent financing of Casa de Angelo Apartments. In addition, the Housing Authority adopted a resolution authorizing the issuance of up to \$6,324,600 in tax exempt mortgage revenue bonds for the Project, subject to receipt of a private activity bond allocation from the State of California. A Tax Equity and Fiscal Responsibility Act (TEFRA) hearing was held at the same time and the TEFRA resolution was approved. Following the inducement and TEFRA approvals, an application was submitted to California Debt Limit Allocation Committee (CDLAC) for the bond allocation, which was awarded on March 26, 2008.

Housing Authority action is needed to provide final authorization for the issuance of tax-exempt bonds for the Project and to approve the bond documents for the issuance. In addition, because the Project is receiving TI funding, Redevelopment Agency action is needed to authorize the loan, transfer tax increment funds, and execute an Owner Participation Agreement and loan documents.

Project Financing: The project is proposed to be funded with tax-exempt mortgage revenue bonds, 4% Low Income Housing Tax Credits (LIHTC's), the Agency loan, and a deferred developer fee. The bonds, tax credits, and Agency loan together will require 20 units to be affordable by individuals earning 50 percent or less of Area Median Income (AMI) and 79 units to be affordable by individuals earning 60 percent or less of AMI for a period of 55 years. The existing project is made affordable by a project-based Housing Assistance Payment (HAP) contract with the U.S. Department of Housing and Urban Development (HUD) that covers all 100 units. Under the HAP contract, tenants pay 30 percent of their income for rent and the balance of the rent is paid by HUD. In actuality, the HAP contract will require that all the residents, excluding the manager, earn 50 percent or less of AMI for the term of the contract. Should the HAP contract not be renewed at any time, the bond, tax credit, and Agency loan affordability restrictions would continue in effect for the remainder of their 55-year terms.

A project summary, including a proposed sources and uses of funds, is included as Attachment 4, and a project cash flow proforma is included as Attachment 5. A schedule of maximum rents and incomes is included as Attachment 6.

The Agency loan will be partially funded from TI funds. These funds require an executed Owner Participation Agreement (OPA) with the partnership that will own and operate the project. The OPA and associated loan documents are included in Exhibit A to the resolution.

Policy Considerations: While the recommended actions are consistent with approved Agency tax-exempt bond and multi-family loan policies, the term of the Agency loan is recommended to be extended to be consistent with the term of the senior loan. Regulatory restrictions on the property will be specified in bond and loan regulatory agreements with the Housing Authority and the Agency,

Approval of Bond Documents, OPA, and Permanent Financing for Casa de Angelo

respectively. Compliance with the regulatory agreements will be monitored by the Agency on a regular basis. As an affordable housing project, Casa de Angelo Apartments is exempt from the Art in Public Places requirement usually associated with projects funded with TI funds.

Environmental Considerations: The proposed action is exempt from environmental review under California Environmental Quality Act (CEQA) Guidelines Sections 15310 and 15301(a) and (d) which exempts bond and loan financing and rehabilitation of existing facilities where the use remains unchanged. The project consists of the rehabilitation of a multi-family residential complex in which the unit density will not be changed and the estimated cost of rehabilitation is less than 75 percent of the total estimated cost of replacement after rehabilitation. Therefore, the proposed action is categorically excluded from environmental review under the National Environmental Policy Act (NEPA) pursuant to 24 CFR Section 58.35(a)(3).

Committee/Commission Action: At its meeting of May 21, 2008, the Sacramento Housing and Redevelopment Commission considered the staff recommendation for this item. The votes were as follows:

AYES: Burruss, Chan, Coriano, Dean, Fowler, Gore, Mohr, Morgan, Otto, Shah, Stivers

NOES: None

ABSENT: None

Rationale for Recommendation: The actions recommended in this report enable the Agency to continue to fulfill its mission to provide a range of affordable housing opportunities in the City.

Financial Considerations: Staff recommends approval of the issuance of up to \$6,324,600 in tax-exempt bonds and an Agency Loan of up to \$3,100,000 consisting of \$1,200,000 from City HOME and \$1,900,000 from aggregated Low/Moderate TI funds which will be repaid with interest. The Developer will be responsible for payment of the CDLAC processing fee and posting of the performance deposit required by CDLAC.

The proposed bond issuance will not be an obligation of the City, the Housing Authority, or the Sacramento Housing and Redevelopment Agency. The bonds will be an obligation solely of the Project and the owner who will bear all costs associated with issuing the bonds. The Agency will receive a one-time issuance fee of .25 percent of the bond issuance amount, which is payable at bond closing. The Agency will also collect an annual payment of .15 percent of the total bond issuance amount for monitoring of the regulatory restrictions and administration of the bonds. This fee is payable in advance in semi-annual installments for the entire period of the regulatory agreement. The law firm of Jones Hall is acting as bond counsel for the Housing Authority. Copies of the bond documents are on file with the Agency Clerk.

Casa de Angelo Apartments Project Background Information

The Developer, Dawson Holdings, Inc. proposes to acquire and rehabilitate Casa de Angelo Apartments, an existing 100-unit affordable senior housing project at 3151 Notre Dame Drive. The Developer is requesting issuance of up to \$6,324,600 in tax-exempt mortgage revenue bonds and a \$3,100,000 Agency loan comprised of \$1,200,000 in City Home Investment Partnership (HOME) funds and \$1,900,000 in aggregated Tax Increment (TI) funds. The loan will be contingent upon the allocation of mortgage revenue bonds and 4% Low-Income Housing Tax Credits to the project.

Description of Development: Casa de Angelo was built in 1979 and needs substantial improvements to bring it up to modern standards. It consists of 100 one-bedroom apartments in 12 one- and two-story residential buildings, and one office/community building. Thirty-six apartments are "cottage-style" units located in single-story structures, and the remaining 64 units are in two-story buildings with elevators. All units are approximately 593 square feet in size. The office/community building houses the community room, laundry facility, management/leasing office, and maintenance shop.

All apartment interiors will be renovated and upgraded as needed with replacement of floor and window coverings, cabinets, countertops, sinks, fixtures, and older appliances. Apartments and hallways will be painted throughout. Exterior work will include installation of siding and dual-pane windows, repairs to decks and handrails, and complete exterior painting. Site work will include improvements to landscaping and drainage, replacement of damaged asphalt, gutters, and concrete, and upgraded ADA accessibility throughout the complex. Security cameras and enhanced lighting will also be installed. Further background on the project developer and the property are included as Attachment 1. A vicinity map and a location map are included as Attachments 2 and 3, respectively.

Casa de Angelo Apartments is an existing housing project made affordable by a project-based Housing Assistance Payment (HAP) contract with the U.S. Department of Housing and Urban Development (HUD) that covers all 100 units. The manager's unit is covered by the contract but can be rented to the manager at market rate if necessary. Under the HAP contract, tenants pay 30 percent of their income for rent and the balance of the rent is paid by HUD. The current contract is subject to annual renewal and the owner is willing to sell to a market-rate developer. Instead, the Developer intends to secure a new long-term HAP contract that would ensure continued rent subsidies for residents for a 20-year period. The Agency will require the Developer to renew the HAP contract on the property after expiration of the initial contract as long as extensions are available.

Developer: Dawson Holdings, Inc. has developed numerous affordable apartment projects. Their current portfolio includes 3,338 apartments in 25 projects in California, Oregon, Colorado and Missouri. The company is based in Sausalito, and many of the company's apartment projects are in Sacramento and the San Francisco Bay area. Local projects include the Willow Pointe Apartments, Florin Meadows, Rancho Cordova Apartments, Bryte Gardens, Sunnyslope Apartments, Willow Tree, and Rosswood

Manor. The general contractor will be Precision General Commercial Contractors, Inc., which is experienced in apartment construction and rehabilitation. The firm is affiliated with the Developer.

Property Management: Sackett Corporation, the current property manager, will continue in that function. The company has managed commercial and multi-family residential properties since 1977. Over the past 25 years, Sackett Corporation has managed approximately 20,000 residential units in California and Arizona. Their experience includes conventional apartments, tax-exempt bond financed apartments, senior housing, and HUD subsidized housing.

Agency staff has reviewed the management plan, including daily operations, leasing procedures, maintenance, and eviction procedures, and has found that the proposed management company meets the Agency’s requirements for property management.

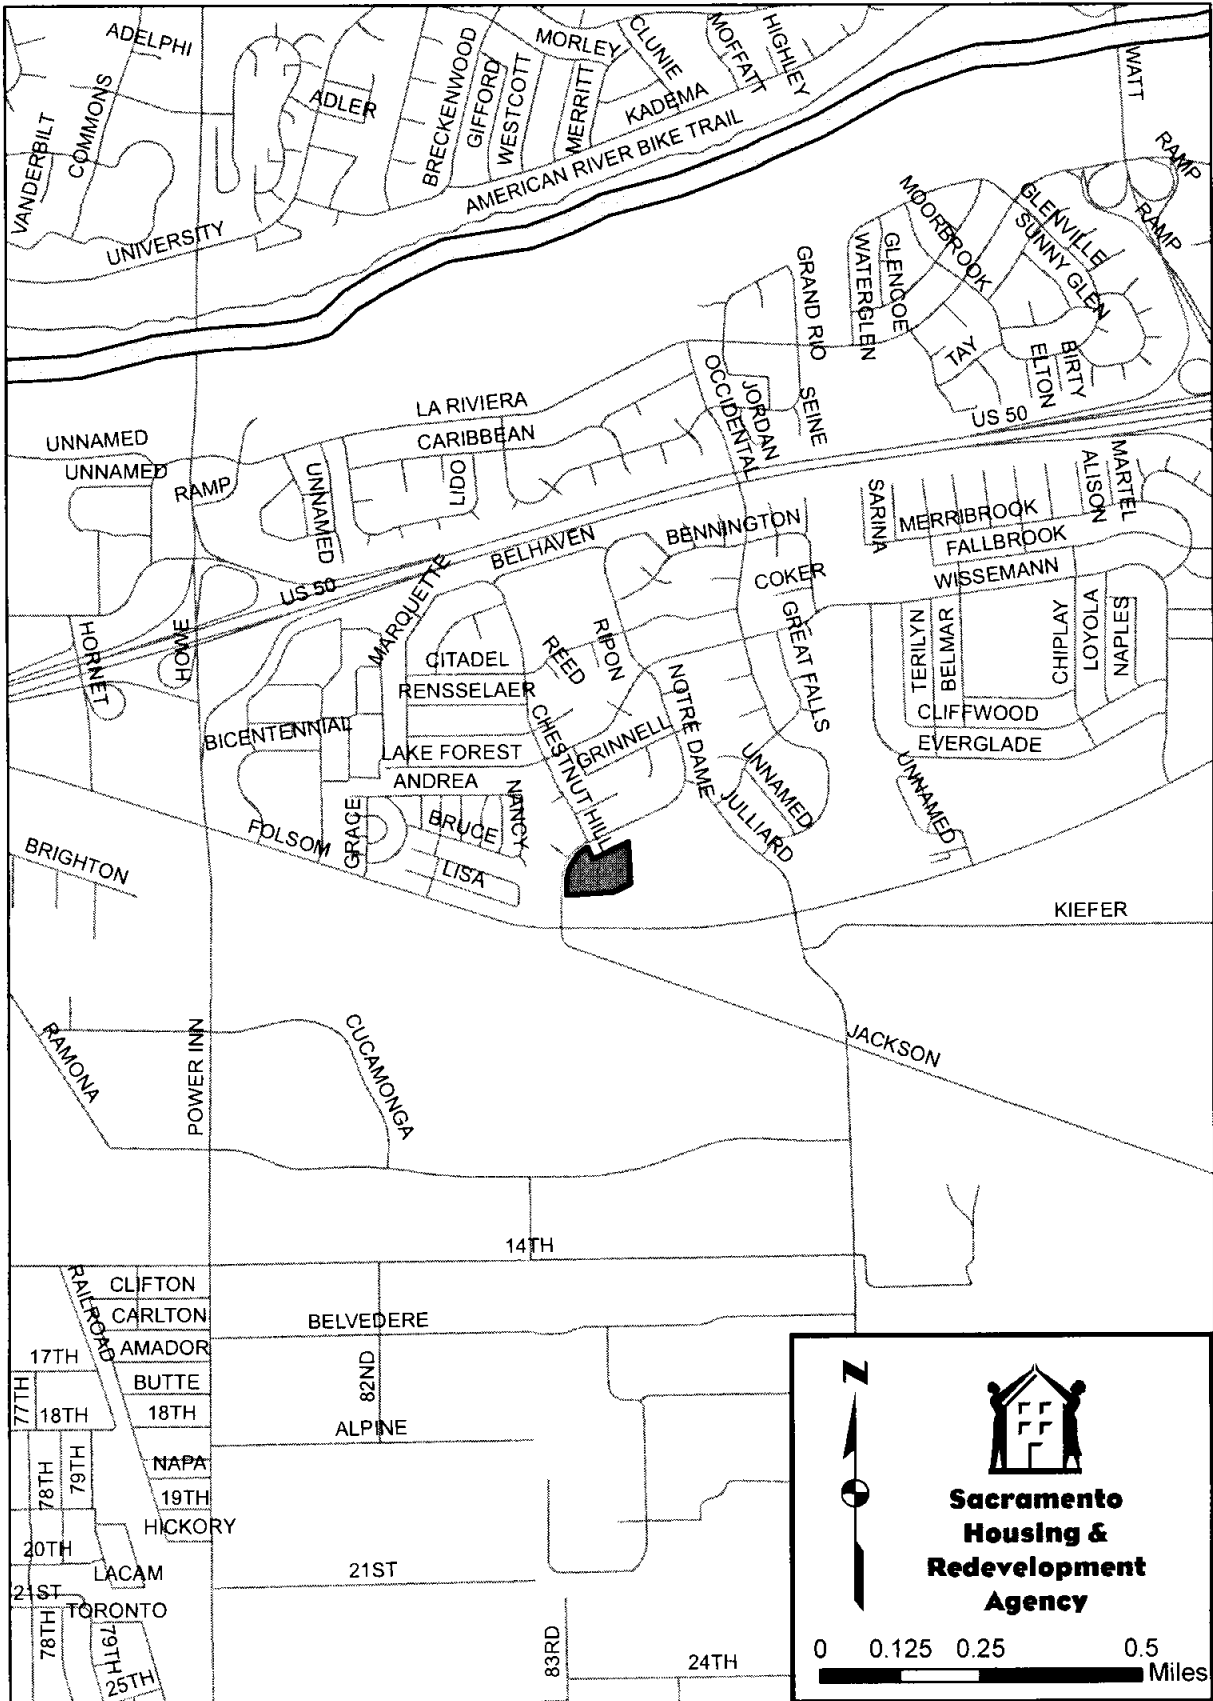

Social Services Plan: Social Services will be provided to the residents by Community Resident Services, Inc., a nonprofit 501(c)(3) corporation. Community Resident Services proposes to offer instructional programs in areas such as exercise, nutrition, financial planning, computer training, and English as a Second Language, along with coordinating social activities for the residents.

Project Financing: The Developer proposes to finance the Casa de Angelo Apartments project with tax-exempt mortgage revenue bonds issued by the Housing Authority, Low-Income Housing Tax Credits, a deferred developer fee, and a \$3,100,000 Agency loan using \$1,200,000 in City HOME funds and \$1,900,000 in TI funds.

Low-income Set-aside Requirements: The project will be layered with affordability requirements required by the various public funding sources. These sources and their affordability requirements are summarized in the following table.

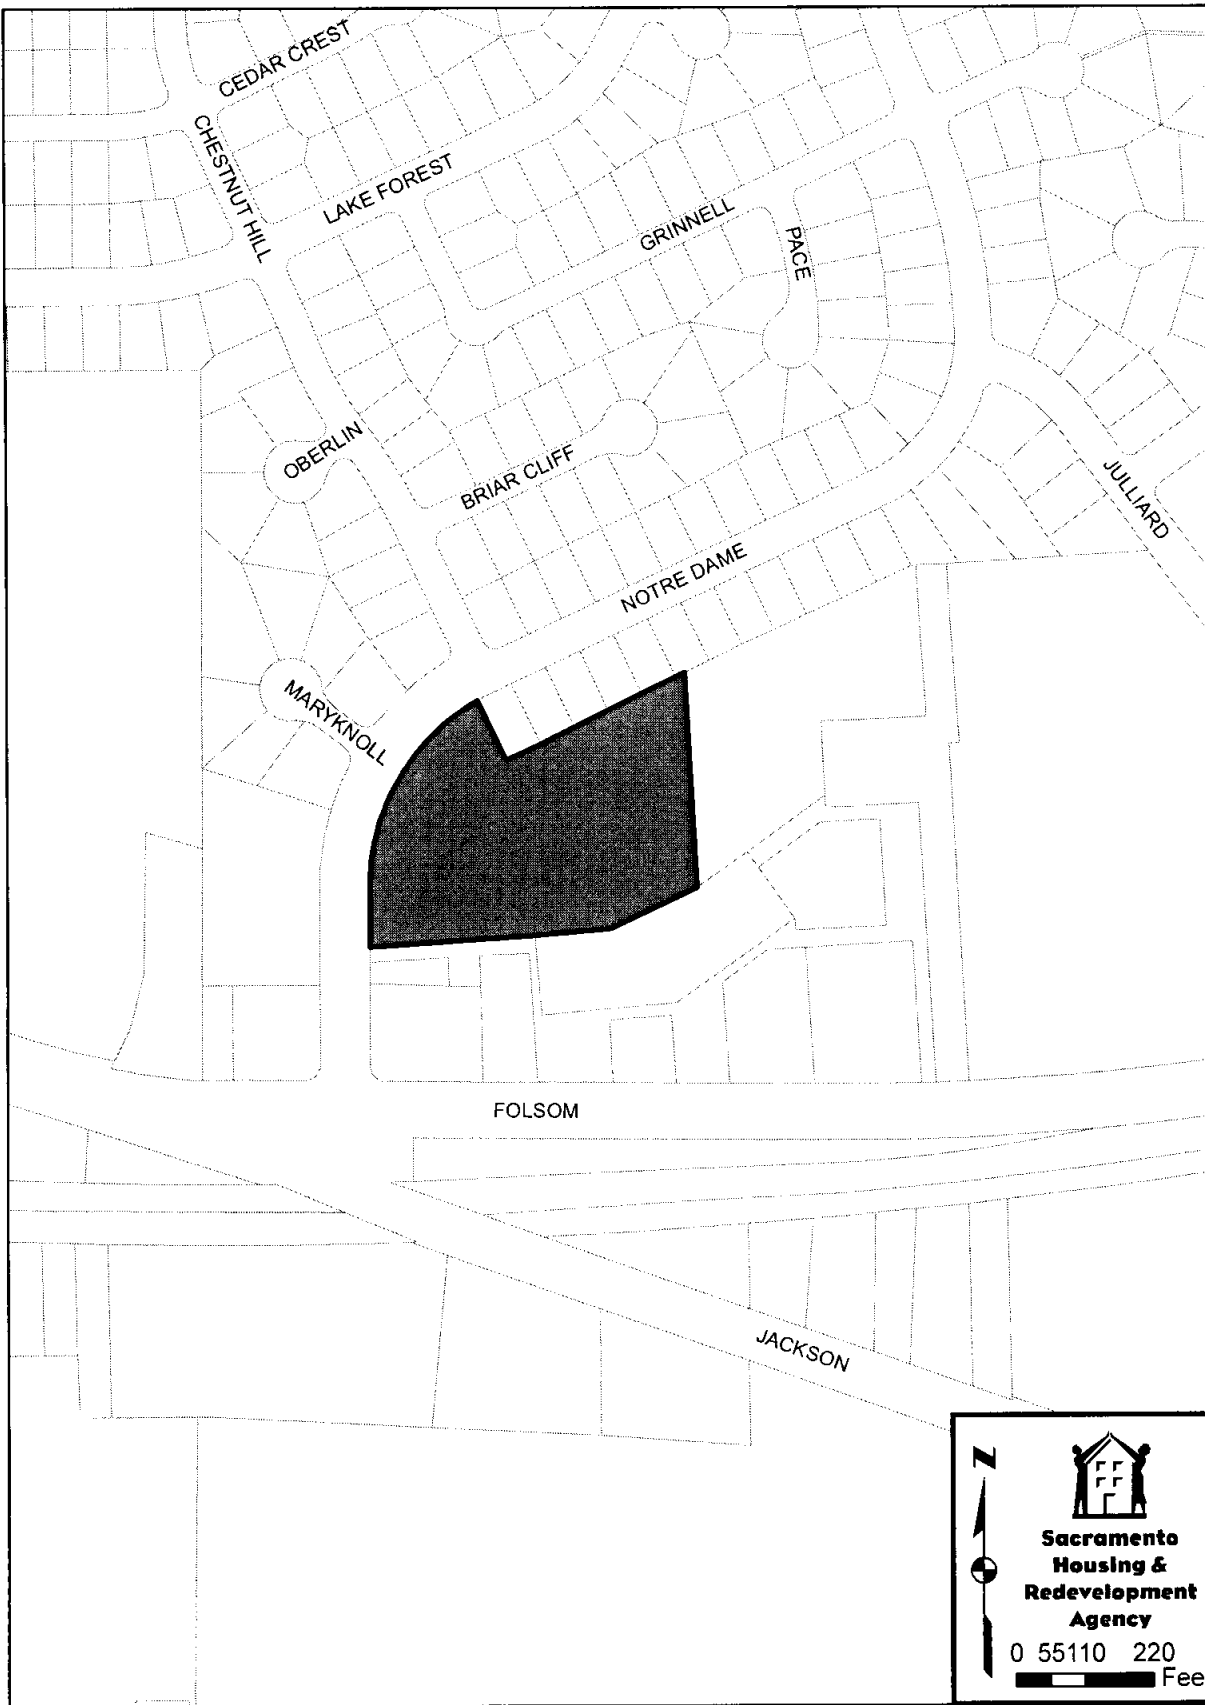

Funding	Affordability Restrictions	No. Units Covered	Regulatory Term
HAP Contract	Very Low-Income (50% AMI)	100	20 years
Tax-Exempt Bonds, Low Income Housing Tax Credits, Agency Loan	Very Low-Income (50% AMI)	20	55 years
	Low-Income (60% AMI)	79	55 years

THE REDEVELOPMENT AGENCY OF THE CITY OF SACRAMENTO, and DHI CASA DE ANGELO ASSOCIATES, L.P. also called Agency and Developer, respectively, enter into this Owner Participation Agreement, also called OPA, as of _____, 2008 (“Effective Date”). For purposes of this Agreement, the capitalized terms shall have the meanings assigned in Section 14.

RECITALS

A. Developer is the owner of real property located at 3151 Notre Dame Drive Sacramento, CA 95826, in the City of Sacramento, California, more particularly described in attached Exhibit 1: Legal Description, which is incorporated into this OPA by this reference.

B. This OPA is made in accordance with provisions of the Redevelopment Plan for participation by property owners in redevelopment of the project area (adopted in accordance with California Health & Safety Code Section 33339).

C. The Agency is participating in this OPA because this OPA is consistent with, and furthers, the Redevelopment Plan and the Implementation Plan. Specifically and without limitation, the Agency has determined that the Project will increase and improve supply of low- or moderate-income housing in the community and will eliminate the following blighting influences: low or stagnant property values and impaired investment in the Project Area, high number of property vacancies, low rents, and a high number of vacant lots, deficient buildings and social deterioration. The Agency has also determined that the Project will meet the following goals of the current “Implementation Plan” adopted for the Project Area: improving blighting conditions and improving and preserving affordable housing. Although though Project is not in the Project Area, the Project will benefit the Project Area in that workers in the Project area live in the area which includes the Project.

D. In order to accomplish such Agency goals and purpose, the OPA provides that the Developer will redevelop the Property in the manner and for the uses described in this OPA. Therefore, Developer desires to develop the Property, and Agency desires to assist development of the Property, on the terms and conditions in this OPA.

AGREEMENT

NOW THEREFORE, in consideration of the following mutual covenants, obligations and agreements and for other good and valuable consideration, the receipt and adequacy of which are acknowledged, the parties agree as follows:

1. **PROJECT DESCRIPTION.** The Project being assisted with the Agency Funding is the following: Acquisition and rehabilitation of one hundred units of affordable senior housing in ten residential buildings. The Project also includes a community building. The Project shall also include installation of a security camera system at the vehicular driveways and/or major points of congregation as well as additional, exterior lighting.

2. **AGENCY FUNDING.** Agency is providing funding to the Project under the Funding Agreement for development of the Project as described in Section 1. If Developer fails to develop the Project as and when required by this OPA, Developer must repay the Agency Funding as provided in the Funding Agreement. As a condition of Agency's obligation to provide the Agency Funding and in consideration of the Agency Funding, Agency is purchasing from Developer, and Developer is selling to Agency, an operating covenant to assure the operation of the Project as described in Section 1, as well as other obligations and restrictions, including without limitation, use restrictions and restrictions on amounts that can be charged on sale or rental of the Property, as evidenced by the Regulatory Agreement.

3. **PREPARATION AND APPROVAL OF PLANS AND RELATED DOCUMENTS.** This OPA is a financing document of the Agency and not a land use or planning document. Approval of the Project under this OPA by the Agency is not and shall not be considered an approval of land use entitlements or structural design of the Project, or the aesthetic design of the Project except as an approval by the Agency of the Project design concept as presented in this OPA. Developer shall comply with all applicable land use, planning and design laws, rules and regulations of each governmental agency acting in proper exercise of their respective jurisdictions, including without limitation, departments, staff, boards and commissions of the City. The Agency shall have the right, but not the obligation, to review Plans to assure their conformity with the provisions of this OPA and approvals given under this OPA. Based upon such review, the Agency shall have the right to approve or reject the Plans for reasonable cause. Agency's right of review includes, without limitation, the right to review architectural and engineering plans and specifications, off-site plans and specifications, and landscaping designs and specifications. Agency's approval of Plans is not an assurance of their adequacy or correctness. Agency has reserved approval rights solely: (a) to assure that the Plans further the Redevelopment Plan; (b) to assure that the Final Plans conform to the Preliminary Plans; and (c) to assure that any Agency funds which may be obligated under this OPA are used as intended by the Agency.

3.1. **CONCURRENT REVIEW.** Agency agrees that its review of the Final Plans shall occur prior to or concurrently with City's review of such plans, so as not to delay the commencement and progress of Project development. Agency agrees that its review of the Final Plans is strictly limited to making a determination that the Final Plans conform to the architectural designs (but

not the detailed schematics, if any) presented in the Plans, the Scope of Development, the uses permitted on the Property and the Redevelopment Plan.

3.2. PRELIMINARY PLANS. Developer has provided Agency with Preliminary Plans, and the Agency has approved the Preliminary Plans concurrently with this OPA. The Agency has been induced to undertake its obligations under this OPA by Developer's promise to develop the Project in accordance with the Plans, the Scope of Development and the provisions of this OPA.

3.3. PREPARATION OF FINAL PLANS AND RELATED DOCUMENTS. Developer shall prepare the Final Plans that shall include all construction plans, drawings, specifications and other documents necessary to obtain all required building permits for the construction of the Project. Developer shall submit the Final Plans to the Agency for Agency's review. The Final Plans shall conform in all material respects to the Preliminary Plans and the Scope of Development. To the extent that the Preliminary Plans and Scope of Development have insufficient detail or are unclear, the Preliminary Plans shall be deemed to provide that the Project shall contain high-quality materials, and shall conform to all applicable zoning, design and usage guidelines. The Final Plans shall be considered to include all changes or corrections approved as provided in this OPA. The Final Plans shall incorporate all related mitigation measures required for compliance with CEQA approvals, as stated in the Mitigation Monitoring Plan. Developer agrees that it will comply with the requirements of the Design Review Board to the extent of its jurisdiction.

3.4. DELIVERY. Developer shall deliver the Final Plans or changes to the Final Plans for Agency review as soon as available. Said delivery shall be made to the office of the Sacramento Housing and Redevelopment Agency, 630 I Street, Sacramento, CA, 95814, and shall have clearly marked on its exterior "URGENT: Casa de Angelo Apartments PROJECT PLAN REVIEW" or the equivalent.

3.4.1. DEEMED APPROVAL. The Final Plans or changes to the Final Plans shall be deemed approved unless disapproved in whole or in part, in writing, within fifteen (15) days after their proper delivery to Agency.

3.4.2. AGENCY DISAPPROVAL. If Agency disapproves, in whole or in part, the Final Plans or any change to the Final Plans, Agency shall state, specifically and in writing, at the time of disapproval, the reasons for disapproval and the changes which the Agency requests to be made. Agency's reasons for disapproval and such Agency-requested changes shall be consistent with the Preliminary Plans, the Approved Final Plans, the Scope of Development and with any items previously approved under this Section 3. If the Agency rejects the proposed Final Plans, Developer shall obtain no rights to develop the Property under this OPA and Agency shall have no obligations regarding the Project until such time as Developer has modified the proposed Final Plans and received the Agency's approval of the Final Plans as modified.

3.5. GOVERNMENTAL CHANGES. If any revisions or corrections of the Final Plans shall be required by any government official, agency, department or bureau in exercise of its proper jurisdiction, the Developer shall inform the Agency. If Agency and Developer concur in writing

with the required change, Developer shall incorporate the change and it shall be deemed approved by Agency. If Agency or Developer reasonably disagree with the required change, they shall reasonably cooperate with the agency requiring the change in efforts to develop a mutually acceptable alternative.

3.6. APPROVAL OF SUBSTANTIAL CHANGES TO FINAL PLAN. If the Developer desires to make any substantial changes in the Final Plans as approved by the Agency, the Developer shall submit such proposed changes, in writing, to the Agency for its approval. The Final Plans shall be construed to include any changes approved in the same manner as for approval of the original Final Plans. The Agency shall approve or disapprove the proposed change as soon as practicable. Nothing in this Section shall be construed to relieve Developer of its obligations under all applicable laws regarding such changes.

3.6.1. SUBSTANTIAL CHANGE. A substantial change in the Final Plans shall include, without limitation, the following changes, excluding those items generally considered to be tenant improvements. For purposes of this Section 3.6.1, a “material change” is a change that is material to the Agency in accomplishing its purposes under this OPA.

- a) Material changes in the layout, elevation design, square footage.
- b) Material changes in use of exterior finishing materials substantially affecting architectural appearance or functional use and operation.
- c) Material changes in site development items for the Property that are specified in the Final Plans.
- d) Any changes requiring approval of any city, county or state board, body, commission or officer, or any change required by any city, county or state board, body, commission or officer.
- e) Any change which would preclude or materially reduce the ability to use the Project as intended by this OPA.

3.6.2. MISREPRESENTATION. If the Agency’s approval of the Final Plans is reasonably based upon a material misrepresentation to Agency by Developer or by anyone on Developer’s behalf, the Agency may, within a reasonable time after discovery of the misrepresentation, take any action permitted by law with regard to any such misrepresentation, notwithstanding Agency’s prior approval, including without limitation, rescission of the approval or such other equitable remedies as may then be appropriate to such rescission.

4. DEVELOPMENT PROVISIONS. As stated in detail in this Section 4, Developer shall construct and manage the Project according to the requirements established in this OPA, which includes, without limitation, the Scope of Development, the Schedule of Performances and the Plans. Developer shall promptly begin, diligently prosecute and timely complete the construction of the Project. In interpreting the provisions of this OPA, the provisions that specifically enforce the

Redevelopment Plan and the applicable provisions of the California Redevelopment Law [commencing at Health and Safety Code Section 33000] shall control.

4.1. CONSTRUCTION CONTRACTS. Developer shall submit to Agency the construction contract for the Project. Agency's review of the construction contract shall be only for determining its compliance with this OPA. If the cost of construction of the Project or any part of the Project exceeds the costs projected by Developer, Developer shall, nevertheless, bear the responsibility to complete, at Developer's cost, the construction of the Project in accordance with this OPA.

4.2. GOVERNMENTAL REVIEW PROCESS. Notwithstanding any other provision of this OPA, Developer is subject to all building, planning, design and other plan review requirements that are otherwise applicable to the project, including without limitation those of the City of Sacramento. To assure proper review by the City, Developer shall, within thirty (30) days of the date of this OPA, make an initial deposit toward "plan check fees" with the City's Planning Department. In addition, Developer shall, as applicable, take designs before the Design Review/Preservation Board or its appropriate subcommittee for comment as soon as practicable. Conditions to the project imposed by the City shall be considered obligations of the Developer under this OPA. If a dispute with City staff arises regarding such City conditions, Developer shall accept the decision of the City's Planning Commission interpreting, imposing and enforcing such City conditions, subject to any applicable appeals process of the Planning Commission.

4.3. SUBSTANTIAL CHANGES. Developer covenants and agrees that Developer shall not make or permit to be made any construction of the Project which incorporates a substantial change in the Final Plans, as described in Section 3.6, without Agency approval of such changes as provided in Section 3.6.

4.4. LOCAL, STATE AND FEDERAL LAWS. The Developer shall assure that the construction of the Project is carried out in conformity with all applicable laws and regulations, including all applicable federal and state labor standards. Developer acknowledges and agrees that all wage and hour laws and other labor laws as applicable, including without limitation prevailing wage requirements, are the sole responsibility of Developer and Developer's contractors and subcontractors. Developer and its contractors and subcontractors have undertaken to ascertain the applicability of such laws prior to preparation of the final Project budget and have included the costs arising from such laws in the final Project budget. Developer shall keep, or cause to be kept, all records and make all payments, of any kind, that may be required for compliance with said laws and regulations. Before commencement of construction or development of any buildings, structures or other work of improvement upon the Property, Developer shall at its own expense secure any and all certifications and permits which may be required by any governmental agency having jurisdiction over such construction, development or work. Developer shall permit only persons or entities which are duly licensed in the State of California, County of Sacramento and City of Sacramento, as applicable, to perform work on or for the Project.

4.5. PREVAILING WAGES. In accordance with Labor Code Section 1720(c)(6)(E)), so long as the public subsidy for the Project consists of below market rate loans, and the Project restricts occupancy on at least 40% of the units for at least 20 years to individuals or families earning no more than 80% of the area median income, the Project is not subject to prevailing wages. Developer represents to the Agency that Developer has obtained no public subsidy for the Project that does not meet such criteria. If Developer obtains another non-qualifying public subsidy, Developer shall pay prevailing wages for the Project. Therefore, Developer indemnifies, holds harmless and defends the Agency from all additional wages, benefits, fees, penalties, fines, legal fees, court costs, arbitration costs, and other costs arising from the improper application of California prevailing wage laws to the Project by Developer or Contractor or both of them. The California Department of Industrial Relations has undertaken the aggressive and expansive enforcement of prevailing wage laws for redevelopment projects. The Agency has advised, and the Developer acknowledges, that the Project is subject to the payment of prevailing wages under the laws of the State of California. Developer has had the opportunity to meet with Developer's legal counsel and to request a determination from the Department of Industrial Relations regarding the applicability of prevailing wage requirements to this Project. Developer has made its independent determination of the applicability of prevailing wage laws and has independently implemented such determination. Developer, therefore, indemnifies, holds harmless and defends the Agency from all additional wages, benefits, fees, penalties, fines, legal fees, court costs, arbitration costs, and other costs arising from Developer's determinations and actions related to prevailing wage obligations for the work of this OPA. If more than eleven (11) units are assisted with the HOME funds under this Loan, Borrower shall comply with Davis-Bacon prevailing wage requirements as described in the Federal Requirements.

4.6. PUBLIC SAFETY PROTECTIONS. Developer shall assure that all necessary steps are taken (including the erection of fences, barricades and warning devices) to protect private contractors and their employees and the public from the risk of injury arising out of the condition of the Property or Developer's activities in connection with the Property, including without limitation, fire, or the failure, collapse or deterioration of any improvements or buildings.

4.7. NONDISCRIMINATION IN CONTRACTING AND EMPLOYMENT. Developer for itself, Manager, the General Contractor and their respective successors and assigns, agrees that the following provisions shall apply to, and be contained in all contracts and sub-contracts for the construction of the Project.

4.7.1. EMPLOYMENT. Developer shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, marital status, creed or national origin. The Developer will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, creed, sex, marital status, national origin, ancestry, familial status, or disability. Such action shall include, but not limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Developer agrees to post in

conspicuous places, available to employees and applicants for employment, notices to be provided by the Agency setting forth the provisions of this nondiscrimination clause.

4.7.2. **ADVERTISING.** Developer will, in all solicitations or advertisements for employees placed by or on behalf of the Developer, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, creed, sex, marital status, national origin, ancestry, familial status, or disability.

4.8. **PUBLIC IMPROVEMENTS.** Developer shall, at Developer's expense as a Project cost, undertake and complete any modification, construction, relocation or improvement of public facilities, improvements and utilities for the development of the Property.

4.9. **AGENCY ACCESS TO THE PROPERTY.** Developer shall permit Agency representatives access, without charge, to the entire Property at any time and for any purpose which Agency reasonably considers necessary to carry out its obligations and protect its interests under the OPA. Purposes for Agency entry may include, without limitation, inspection of all work being performed in connection with the construction of the Project.

4.10. **PROJECT SIGN.** If Developer places a sign on the Property during construction stating the names of the Project participants, it shall also name "Sacramento Housing and Redevelopment Agency" as a participant in the Project. The Agency name on the sign shall be in letters not less than size of letters used to name any of the other participants.

4.11. **CERTIFICATE OF COMPLETION.** After the Agency has determined that Developer has completed the construction of the Project in accordance with the Final Plans and Developer's obligations under this OPA, the Agency will furnish the Developer with a "Certificate of Completion" certifying such completion. Such certification shall be a conclusive determination of satisfaction and termination of the agreements and covenants in the OPA with respect to the obligations of the Developer to construct the Project as of the Completion Date, subject to any qualifications or limitations stated in such certification. Agency shall prepare and execute each Certificate of Completion in a form suitable for recording in the Official Records of Sacramento County.

4.11.1. Such certification and such determination shall not constitute evidence of compliance with any governmental requirements regarding the Project other than those of Agency or satisfaction of any obligation of the Developer to any holder of a mortgage, or any insurer of a mortgage, securing money loaned to finance all or any part of the Project. Such certification and such determination shall not constitute evidence of compliance with or satisfaction of any provision of this OPA that is not related to construction of the Project.

4.11.2. If the Agency fails to provide a Certificate of Completion within fifteen (15) days after written request by Developer, the Agency shall, within an additional fifteen (15) days after a second written request by the Developer, provide the Developer with a written statement, indicating in adequate detail in what respects the Developer has failed to complete the Project in accordance with the provisions of the OPA, or is otherwise in default, and what measure or acts

it will be necessary, in the opinion of the Agency, for the Developer to take or perform in order to obtain such certification.

4.12. CONSTRUCTION PERIOD EXTENSION FEE. If Developer does not complete the construction of the Project on or before the Completion Date stated in the Schedule of Performances, Developer shall pay to Agency, monthly, in advance, on the first day of each month beginning the calendar month following the Completion Date, a construction period extension fee of Twenty-Five Dollars and No Cents Dollars (\$25.00) for each day by which the completion of construction is delayed beyond said completion date. Construction Extension Fees due for days of delay occurring prior to the first payment date shall be paid in arrears at the time of the first payment under this Section 1. The number of days used in computation of the Construction Extension Fee shall be reduced by the number of days of Unavoidable Delay. Failure to pay Construction Extension Fees when due is a material default of this OPA. Any unearned portion of an advance payment of any such extension fee shall be refunded by the Agency within thirty (30) days of completion of construction, or of termination of the OPA. Agency shall have the option to terminate, upon ten (10) days prior written notice, Developer's rights to unpaid Construction Extension Fees and to declare Developer in material default of this OPA. In any event, Construction Extension Fees shall not be accepted for a time period greater than six months, at which time Developer shall be deemed in material default of this OPA

4.13. REPORTS. During the period of construction, the Developer shall submit to the Agency a written report of the progress of the work as and when reasonably requested by the Agency, but not more often than once each month.

4.14. MINORITY/WOMEN'S BUSINESS. Federal money is included in the funding for this Project. Therefore, to the extent necessary to maintain that federal funding, provisions of this OPA related to the Property are subject to Agency's minority-owned and women-owned business enterprises ("M/WBE") requirements and Developer shall comply with the requirements of the Agency's M/WBE Policy, a copy of which has been previously received by Developer.

4.15. NOTIFICATION OF GENERAL CONTRACTORS, ARCHITECTS AND ENGINEERS. Developer shall assure that the respective parties through the Project Documents have the responsibility of notifying the Project contractors, architects and engineers for the Project of the requirements of this OPA. Developer shall include, where applicable, the provisions of this OPA in construction contracts and subcontracts for the Project, and Developer shall undertake the enforcement of such provisions.

4.16. PROPERTY CONDITION. Except as provided in this OPA, if the condition of the Property is not in all respects entirely suitable for the use or uses to which the Property will be put, it is the sole responsibility and obligation of the Developer to take such reasonable actions as may be necessary to place the condition of the Property in a condition which is entirely suitable for its development in accordance with the construction plans and drawings approved by Agency.

4.17. **ZONING OF THE PROPERTY.** Agency exercises no authority with regard to zoning of the Property. Developer shall assure that zoning of the Property at the time of development shall be such as to permit the development and construction, use, operation and maintenance of the Project in accordance with the provisions of this OPA.

4.18. **NO WORK PRIOR TO CLOSE OF ESCROW.** Prior to Close of Escrow, Developer shall not commence any work or take any action that might be construed as commencement of the work of the Project for establishment of mechanic's lien rights.

5. **DEVELOPMENT FINANCING.** Developer shall be responsible for and shall pay all costs of developing the Project except as otherwise provided in this OPA. As a condition precedent to Agency's obligation to provide the Agency Funding, Developer shall provide the Agency with a complete and firm Project budget including all proposed sources and uses of funds, all "hard" and "soft" costs and contingencies and reflecting, as possible, firm bids or accepted contracts and with evidence of sufficient funds to meet all budget requirements. To the extent that funds specified in this OPA for the Project are insufficient to fully fund the Project, the Developer shall provide evidence, satisfactory to the Agency, of the additional required construction and permanent financing. Except as expressly provided in this OPA, no party shall have the right of reimbursement for any funds expended by them for the Project. Agency is not obligated by this OPA or otherwise to make any contribution beyond its obligations stated in this OPA.

5.1. **EVIDENCE OF AVAILABLE FUNDS.** Unless otherwise approved by the Agency, Developer's evidence of available funds must include only the following: (a) Developer equity (as provided in Section 5.3); (b) firm and binding loan commitments (as provided in Section 5.2) from each Lender, in form and content acceptable to Agency; and (c) Agency contribution, if any, as specified in this OPA. Within ten (10) days after Agency's request, Developer shall provide all additional information requested by the Agency for evaluation of the actual availability of funds included in such evidence, including without limitation, requests for clarification, further evidence or audited financial reports.

5.2. **COMMITMENT AND LOAN REQUIREMENTS.** As a material obligation under this OPA, Developer shall assure that the loan documents for the Project are consistent with the Lender's commitment approved by the Agency and comply, in all respects, with this OPA. The Agency may reject a loan commitment unless such commitment: (a) is subject only to Lender's reasonable conditions of title and Developer's execution of standard loan documents (copies of which have been previously provided to and approved by the Agency); (b) contains only usual, customary, and commercially reasonable loan terms; (c) continues in effect until a time when subject financing is reasonably expected to be required; and (d) for construction financing, provides for an Agency Funding term not less than that specified in the Schedule of Performances for completion of construction and any additional time necessary to fulfill all conditions precedent to funding of permanent financing. The Agency may also reject any commitment if it is based upon sources and uses of Project funds that are different from those approved by Agency for the Project. The Agency may also reject any commitment that requires changes to the Project which conflict with this OPA, that requires amendment of this OPA or

that requires the Agency to enter into agreements with any Lender, guarantor, equity partner or any other third-party.

5.3. EVIDENCE OF DEVELOPER EQUITY. Unless otherwise agreed in writing by the Agency, Developer may provide evidence of equity by any one or more of the following actions: (a) a deposit of the required equity in a joint account with the Agency, which funds shall be released only upon the joint signatures of the Agency and the Developer; (b) delivery to Agency of an unconditional, irrevocable letter of credit in the amount of the required equity, in form and content as provided by the Agency, which letter of credit shall provide that the Agency may draw to fulfill any Developer obligation related to the development of the Project and necessary to assure its timely and proper completion; or (c) Developer's provision of financial statements prepared by a certified public accountant that show liquid assets available to the Project (and not subject to other existing or contingent claims) in the amount of One Hundred and Fifty Percent (150%) of the amount of the required equity. Developer shall not provide evidence of equity that includes funds not available at the commencement of construction or that claims as equity any funds to be generated by development of the Project, including without limitation, anticipated Developer profit or fees or Developer contribution of services to the Project. The Agency may reject any submitted evidence of equity if the Agency has any reason to believe that such funds may not be available to the Project.

6. USE COVENANTS. Developer shall own and manage the Property in accordance with the provisions of this OPA.

6.1. NONDISCRIMINATION. Developer covenants by and for itself, its heirs, executors, administrators and assigns, and all persons claiming under or through it, that there shall be no discrimination against or segregation of, any person or group of persons on the basis of race, color, religion, creed, sex, marital status, national origin, ancestry, familial status, or disability, in the sale, lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the Property and the Project, nor shall the Developer or any person claiming under or through it, establish or permit any practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in Property and the Project. The foregoing covenants shall run with the land.

6.2. REGULATORY AGREEMENT. Developer covenants by and for itself, its heirs, executors, administrators, and all persons claiming under or through it, that the Property shall be used strictly in accordance with the provisions of the Regulatory Agreement.

7. INDEMNIFICATION. Developer shall indemnify, protect, defend and hold harmless Agency, its officers, directors, commission members, employees, advisory committee members, and agents from any and all liability from bodily injury, death and property damage caused by or resulting from the acts or omissions of Developer, its officers, employees, agents or independent contractors and for any and all costs incurred by Agency in defending against such liability claims, including attorney's fees, except for injury, death or property damage caused by the negligent act or willful misconduct of Agency.

Agency shall indemnify, protect, defend and hold Developer harmless from any and all liability from bodily injury, death and property damage caused by or resulting from the acts or omissions of Agency, its officers, commission members, employees, advisory committee members or agents and for any and all costs incurred by Developer in defending against such liability claims, including attorney's fees, except for injury, death or property damage caused by the negligent act or willful misconduct of Developer.

This indemnification provision shall survive the termination of this agreement.

8. INDEMNIFICATION FOR HAZARDOUS SUBSTANCES. Developer shall indemnify, protect and defend Agency, its respective officers, directors, commission members, employees, advisory committee members, and agents, and hold them harmless from any and all liability, costs, fees, penalties and claims related to: (a) the removal, discharge or release of Hazardous Substances on the Property after Developer has taken possession of the Property; or (b) the existence of Hazardous Substances on the Property, which were not on the Property prior to Developer's taking possession of the Property.

9. LIABILITY INSURANCE. With regard to this OPA, the Developer shall obtain and maintain, and require the contractor and subcontractors for the Project to obtain and maintain, such insurance as will protect them, respectively, from the following claims which may result from the operations of the Developer, any contractor, subcontractor or anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable: (a) claims under workers' compensation benefit acts; (b) claims for damages because of bodily injury, occupational sickness or disease, or death of its employees; (c) claims for damages because of bodily injury, sickness or disease, or death of any person other than its employees; (d) claims for damages insured by usual personal injury liability coverage which are sustained (1) by any person as a result of an offense directly or indirectly related to the employment of such person by the Developer, or (2) by any other person; claims for damages, other than to the construction itself, because of injury to or destruction of tangible property, including resulting loss of use; (e) claims for damages because of bodily injury or death of any person or property damage arising out of the ownership, maintenance or use of any motor vehicle; and (f) claims for contractual liability arising from the Developer's obligations under this OPA.

9.1. LIABILITY INSURANCE POLICY LIMITS. Developer shall assure that the insurance required by this Section shall be written with a deductible of not more than TWENTY-FIVE THOUSAND DOLLARS (\$25,000).

9.2. WORKER'S COMPENSATION. Worker's compensation coverage shall be written for the statutory limits as required by the California Labor Code (commencing with Section 3700, as it may, from time to time, be amended) and having an employer's liability of not less than \$1,000,000 or statutory limits, whichever are greater.

9.3. COMPREHENSIVE GENERAL LIABILITY. Commercial general liability coverage shall include premises-operations, independent contractor's protective, products and completed operation (for four years), broad form property damage, and contractual liability coverage (or

such other substantially similar coverage as may be approved by Agency Counsel). Such insurance shall have limits of liability which are not less than \$2,000,000, each occurrence, for bodily injury coverage; \$2,000,000 aggregate, for products and completed operations coverage; \$1,000,000 each occurrence for property damage coverage, single limit and aggregate; and which is the same as the foregoing coverages.

9.4. COMPREHENSIVE AUTOMOBILE LIABILITY. Comprehensive automobile liability coverage for any vehicle used for, or in connection with, the Project (owned, nonowned, hired, leased) having limits of liability which are not less than \$1,000,000.

9.5. FIRE, HAZARD AND EXTENDED COVERAGE INSURANCE. For the duration of OPA, Developer shall obtain and maintain fire and hazard insurance to the full insurable value of the Property with endorsements of extended coverage, vandalism, and malicious mischief, and with such other endorsements and in such amounts as the Agency may reasonably require to protect the Project. In the event of damage to the Project and subject to the requirements of Lender, Developer shall use the proceeds of such insurance to reconstruct the Project and the public improvements.

9.6. INSURANCE PROVISIONS. Each policy of insurance required under this OPA shall be obtained from a provider licensed to do business in California and having a current Best's Insurance Guide rating, or such other equivalent rating, as may reasonably be approved by Agency's legal counsel. Each policy shall contain the following provisions as applicable:

9.6.1. ADDITIONAL INSURED. During the term of construction, Agency shall be additional insured on all insurance policies, except the fire and hazard insurance and the worker's compensation policy, unless otherwise approved by Agency's legal counsel in writing.

9.6.2. SINGLE PROJECT INSURANCE. It is the intent of the parties that the Project have available all the specified insurance coverages. Developer shall not provide insurance coverages that are considered in aggregate with other Projects which Developer or its contractor might have concurrently under construction. The Agency may at its discretion permit an aggregate policy if and only if Developer or the respective contractor has fully disclosed to Agency other projects which will or may be considered in aggregate with the Project, and thereafter, Developer shall immediately inform Agency of the change in or addition to any such projects. Nevertheless, Agency may, at any time require that the insurance coverage be provided solely for the Project.

9.6.3. CANCELLATION. Each policy shall bear an endorsement precluding cancellation or termination of the policy or reduction in coverage unless the Agency has been given written notice of such intended action at least thirty (30) days prior to its effective date.

9.6.4. FAILURE TO MAINTAIN. If Developer fails to obtain or maintain, or cause to be obtained and maintained, any insurance required by this OPA, the Agency shall have the right to purchase the insurance on Developer's behalf, and Developer shall promptly reimburse the full cost of such insurance to the Agency. If Developer fails to reimburse the Agency for insurance,

the amount of unpaid reimbursement shall bear interest, at the maximum rate permissible under the law, until paid.

9.6.5. BLANKET COVERAGE. Developer's obligation to carry insurance as required under this Section 9 may be satisfied by coverage under a "blanket" policy or policies of insurance (as the term is customarily used in the insurance industry); provided, however, that the Agency shall nevertheless be named as an additional insured under such blanket policy or policies to the extent required by this Section, the coverage afforded the Agency will not be reduced or diminished thereby, and all of the other requirements of this Section 10 with respect to such insurance shall otherwise be satisfied by such blanket policy.

10. DEFAULTS AND REMEDIES. Except as otherwise provided in the OPA, if either party defaults in its obligations under this OPA, the defaulting party shall immediately commence and diligently proceed to cure the default within thirty (30) days after written notice of default from the other party or, if reasonable, such longer time as is reasonably necessary to remedy such default if such default cannot reasonably be cured within thirty (30) days for reasons beyond the control of the defaulting party, provided that the defaulting party shall promptly begin and diligently pursue such cure to completion. If the defaulting party does not promptly begin and diligently cure the default within a reasonable time, the other party may institute proceedings to cure the default, including without limitation, proceedings to compel specific performance by the defaulting party. Subject to any extension of time permitted by this OPA, a failure or delay by a party to perform any term or provision of this OPA constitutes a default of this OPA. As a condition precedent to termination of the OPA under this Section, each party shall first tender the return of all property or funds received from or on behalf of the other party, other than funds properly retained as liquidated damages. After such return of property and funds and termination of the OPA, neither Agency nor Developer shall have any further rights against or liability to the other under the OPA except as expressly set forth in this OPA to the contrary

10.1. LIQUIDATED DAMAGES. IF DEVELOPER FAILS TO COMPLETE THE PROJECT AS PROVIDED IN THIS AGREEMENT BY REASON OF ANY DEFAULT OF DEVELOPER, AGENCY MAY PROCEED AGAINST DEVELOPER UPON ANY CLAIM OR REMEDY THAT AGENCY MAY HAVE IN LAW OR EQUITY; PROVIDED, HOWEVER, THAT, BY INITIALING THIS SECTION 11. DEVELOPER AND AGENCY AGREE THAT IN EVENT OF DEFAULT BY DEVELOPER: (A) IT WOULD BE IMPRACTICAL OR EXTREMELY DIFFICULT TO FIX ACTUAL DAMAGES; AN AMOUNT EQUAL FIFTY THOUSAND DOLLARS AND NO CENTS (\$50,000.00) SHALL CONSTITUTE LIQUIDATED DAMAGES PAYABLE TO AGENCY; (B) THE PAYMENT OF THE LIQUIDATED DAMAGES TO SELLER SHALL CONSTITUTE THE EXCLUSIVE REMEDY OF AGENCY FOR DEVELOPER'S FAILURE TO COMPLETE THE PROJECT; AND (C) PAYMENT OF THOSE SUMS TO AGENCY AS LIQUIDATED DAMAGES IS NOT INTENDED AS A FORFEITURE OR PENALTY WITHIN THE MEANING OF CALIFORNIA CIVIL CODE SECTIONS 3275 OR 3369, BUT INSTEAD, IS INTENDED TO CONSTITUTE LIQUIDATED DAMAGES TO AGENCY PURSUANT TO SECTIONS 1671, 1676 AND 1677 OF THE CALIFORNIA CIVIL CODE.

10.2. OTHER RIGHTS AND REMEDIES. Upon the occurrence of any default by Developer subject to the liquidated damages provision, Agency's sole remedy therefor shall be as liquidated damages. Upon the occurrence of any default by any party other than subject to liquidated damages, and the expiration of any applicable notice and cure period without a cure having occurred within the specified cure period, the non-defaulting party shall have the right to institute such actions as it may deem desirable to remedy a default of this OPA as allowed under this OPA, at law or in equity.

10.3. NONLIABILITY OF AGENCY OFFICIALS AND EMPLOYEES. No member, official or employee of Agency shall be personally liable to Developer, or any successor in interest, in the event of any default or breach by Agency or for any amount which may become due to Developer or its successors, or on any obligations under the terms of this OPA.

10.4. ATTORNEY'S FEES AND RELATED COSTS. If an action is commenced between the parties, the prevailing party in that action shall be entitled to recover from the non-prevailing party all reasonable attorney fees and costs, witness fees, arbitrator's fees, and court and arbitration costs. The term "prevailing party" shall include without limitation, the party who receives performance from the other party for an alleged breach of contract or a desired remedy where the performance is substantially equal to the relief sought in an action; the party who receives any award for relief through arbitration; or the party determined to be the prevailing party by a court of law. In any event, the prevailing party shall mean the party receiving a judgment, ruling or award that is more favorable than the last firm offer of settlement made by such party. Any award of damages following judicial remedy or arbitration as a result of the breach of this Agreement or any of its provisions shall include an award of prejudgment interest from the date of the breach at the maximum amount of interest allowed by law.

11. ENCUMBRANCE OF PROPERTY AND LENDER PROTECTIONS. Before issuance of a Certificate of Completion, the Developer may, upon written Agency approval, obtain a Loan and encumber the Property as security for the Loan, provided either that the proceeds of the Loan are used solely for construction of the Project improvements upon usual and customary and commercially reasonable terms or that the Loan is permanent project financing made upon usual and customary and commercially reasonable terms. After issuance of a Certificate of Completion, the Agency shall have no rights of approval regarding financing secured by the Property. As a condition to Agency's approval of a Loan, Developer shall provide the Agency with a conformed copy of all documents related to the Loan. Agency acknowledges that a Lender will rely upon this OPA in making the Loan and that Agency's obligations under this OPA are inducements to Lender's making of the Loan.

11.1. NOTICES. If the Agency gives any notice of default to Developer under this OPA, the Agency shall contemporaneously give a copy of such notice to each Lender who has requested such notice in the following form of request for notice at the address stated in the request for notice. Any such default notice that is not so delivered to Lender shall not be effective or binding with regard to Lender or otherwise affect Lender, but failure to deliver such default notice to Lender shall not affect its validity with respect to Developer. Lender shall use the following form for requesting notice:

[Date]

The undersigned, whose address for notices is stated immediately below its signature, does hereby certify that it is the Lender as such term is defined in that certain Owner Participation Agreement dated _____ between the Redevelopment Agency of the City of Sacramento and **DHI Casa de Angelo Associates, L.P.** ("OPA"). Lender requests, in accordance with Section 21.1 of the OPA, that if any default notice shall be given to Developer under the OPA, a copy of such default notice shall be given to Lender.

[Lender Name and Address for Notice]

11.2. ASSIGNMENTS AND TRANSFERS OF THE LOAN. Agency shall not be bound to recognize any assignment of the Loan or related encumbrance of the Property unless and until Lender has given Agency written notice of the name and address of the assignee (and if more than one person is an assignee, the designated name and address for notices) and such assignee qualifies as a Lender under this OPA. Thereafter, such assignee shall be considered a Lender with respect to the Loan and the related encumbrance on the Property.

11.3. LENDER NOT OBLIGATED TO CONSTRUCT. Notwithstanding any of the provisions of the OPA, Lender shall not be obligated by the provisions of the OPA to construct or complete the Project. Nothing in this Section or any other provision of the OPA shall be construed to permit or authorize Lender to devote the Property to any uses, or to construct any improvements on the Property, other than those uses or improvements provided or permitted in the OPA.

11.4. LENDER'S OPTION TO CURE DEFAULTS. After any default of Developer's obligations under the OPA, each Lender shall have the right, at its option, to cure or remedy such default, within the time for cure allowed to Developer, and to add the cost of such cure to the debt and the lien secured by the Property. The Agency shall accept such performance as if it had been performed by Developer; provided, however, that such Lender shall not be subrogated to the rights of the Agency by undertaking such performance. If the breach or default relates to construction of the Project, however, Lender shall not undertake or continue the construction of the Project (beyond the extent necessary to conserve or protect Project or construction already made) unless Lender assumes, in writing satisfactory to the Agency, Developer's obligations to complete the Project on the Property in the manner provided in the OPA. Any Lender who properly completes the Project as provided in the OPA shall be entitled, upon written request made to the Agency, to Certificate of Completion from the Agency in a manner provided in the OPA. Such certification shall mean that any remedies or rights with respect to the Property that the Agency may have because of Developer's failure to cure any default with respect to the construction of the Project on other parts of the Property, or because of any other default of the OPA by the Developer shall not apply to the part of the Property to which such Certification relates. Nothing in this Section shall be deemed to limit, modify or release any claim or remedy that the Agency may have against the Developer for such default.

11.5. DEFAULT BY DEVELOPER. In the event of a default by Developer, Agency shall not terminate this OPA unless and until the Agency has given notice to Lender of such default, as provided in this Section 11.5 and Lender has failed to cure such default as provided in Section

11.5 provided, however that if such default cannot practicably be cured by the Lender without taking possession of the Property, then the Schedule of Performances (and, therefore, the Agency's right to terminate this OPA) shall be tolled if and so long as:

11.5.1. Lender has delivered to the Agency, prior to the date on which Agency is entitled to give notice of termination of this OPA, a written instrument satisfactory to Agency in which Lender or its designee unconditionally agrees that it will commence the cure of such default immediately upon Lender or its designee taking possession of the Property and will thereafter diligently pursue such cure to completion; provided, however, that neither the Lender nor its designee shall be obligated to pay damages to the Agency on account of such default, except to the extent of any monies due and unpaid from Developer.

11.5.2. Lender or its designee has rights to obtain possession of the Property (including possession by receiver) through foreclosure, deed in lieu of foreclosure or otherwise, and Lender or its designee promptly commences and diligently proceeds to obtain possession of the Property, and if Lender is prevented by court action or by any statutory stay from prosecuting foreclosure proceedings, that Lender is diligently seeking relief from such action or stay; and

11.5.3. Upon receiving possession of the Property, Lender or its designee promptly commences and diligently proceeds to cure such default.

11.5.4. From and after the cure of such Developer default, Lender or its designee is not required to obtain possession or to continue in possession of the Property. Nothing in this Section shall preclude the Agency from exercising any of its rights or remedies with respect to Developer during any period of such forbearance.

11.6. **FORECLOSURE.** Foreclosure of any encumbrance securing the Loan, or any sale under such encumbrance, whether by judicial proceedings or by virtue of any power contained in such encumbrance, or any conveyance of the Property from the Owner to the Lender or its designee through, or in lieu of, foreclosure or other appropriate proceedings in the nature of foreclosure, shall not require the consent of the Agency. Upon such foreclosure, sale or conveyance, the Agency shall recognize the resulting purchaser or other transferee as the Developer under this OPA, provided that such purchaser or transferee expressly assumes each and every obligation of the Developer under this OPA (except for the obligation to pay damages except to the extent of any monies due and unpaid from Developer under this OPA) by assumption agreement satisfactory to the Agency. If any Lender or its designee acquires Developer's right, title and interest under this OPA as a result of a judicial or nonjudicial foreclosure under any power contained in such encumbrance, or any conveyance of the Property from the Owner to the Lender or its designee through, or in lieu of, foreclosure or other appropriate proceedings in the nature of foreclosure, such Lender or its designee shall have the right to assign or transfer Developer's right, title and interest under this OPA to an assignee; provided, however, that the assignee or transferee shall thereafter be subject to all of the terms and conditions of this OPA.

11.7. **MODIFICATIONS.** No modification or amendment to the OPA which materially and adversely affects the Lender's interest in the Property shall be valid and effective unless the

Lender's written consent to such modification or amendment has first been obtained, which consent shall not be unreasonably withheld.

11.8. FURTHER ASSURANCES TO LENDERS. Agency and Developer shall in good faith consider making such reasonable modifications to this OPA and executing such further instruments and agreements between them as a Lender may reasonably request, provided such modifications, instruments and agreements do not materially, adversely affect any party's expectations or benefit, rights or obligations under this OPA and provided such modifications, instruments, and agreements serve a material economic purpose.

11.9. ESTOPPEL CERTIFICATE. Any party may, at any time, request in writing of any other party to certify in writing that, to the knowledge of the certifying party, (i) this OPA is in full force and effect and a binding obligation of the parties; (ii) this OPA has not been amended or modified either orally or in writing, or, if so amended, identifying the amendments; and (iii) the requesting party is not in default in the performance of its obligations under this OPA, or, if in default, describing the nature and extent of any such defaults. A party receiving such a request shall execute and return such certificate to the requesting party, or give a detailed written response explaining why it will not do so, within ten (10) days following its receipt. The City Manager (as Agency's designee) shall be authorized to execute any such certificate requested by Developer from the Agency.

11.10. PROHIBITIONS AGAINST ASSIGNMENT AND TRANSFER. In reliance on the financial capability and experience of Developer, substantial public financing and other public aids have been made available by law and by the federal and local governments to make development of the Property possible. Developer shall not, prior to issuance of a Certificate of Completion, assign Developer's interests or obligations under this OPA or undertake any act or transaction resulting in a significant change in the interests of the principals of Developer or the degree of their control of Developer without the prior written consent of Agency. The transfer or assignment, pursuant to this Section, requires the transferee or assignee to execute and deliver to Agency a valid, binding, written assumption of all obligations of Developer. Such a transfer as permitted in this Section 11 shall not relieve Developer, or any other party bound in any way by the OPA, from any of its obligations under the OPA. With respect to this provision, the Developer and the parties signing the OPA on behalf of the Developer represent that they have the authority of all of Developer's principals to agree to and bind them to this provision.

12. DOCUMENT INTERPRETATION. This OPA shall be interpreted in accordance with the following rules.

12.1. INTEGRATED DOCUMENTS; SEVERABILITY. This OPA and the documents incorporated in this OPA are to be considered as one document and default of any of them shall be considered a default of all of them. This OPA, including the incorporated documents, integrates all of the terms and conditions related or incidental to its subject matter, and supersedes all negotiations or previous agreements between the parties with respect to its subject matter. If any term or provision of this OPA shall, to any extent, be held invalid or

unenforceable, the remainder of this OPA shall remain in full force and effect and the invalid or unenforceable provision shall be valid and enforceable as to any other person or circumstance.

12.2. CONFLICTING PROVISIONS. If conflicts are discovered in provisions of this OPA and such incorporated documents, this OPA shall control with regard to plan review and construction terms, the Funding Agreement shall control with regard to funding terms and the Regulatory Agreement shall control with regard to affordability restrictions. In any event, the conflicts shall be construed so as to meet the intent of this OPA.

12.3. WAIVERS AND AMENDMENTS. All waivers of the provisions of this OPA must be in writing and signed by Agency or Developer, as applicable, and all amendments to this OPA must be in writing and signed by Agency and Developer. Any delay by Agency in asserting any rights under this Section shall not operate as a waiver of such rights or to deprive Agency of or limit such rights in any way. Any waiver in fact made by Agency with respect to any specific default by Developer under this Section shall not be considered as a waiver of the rights of Agency with respect to any other defaults by Developer under this Section or with respect to the particular default except to the extent specifically waived in writing.

12.4. CAPTIONS, GENDER AND NUMBER. The section headings, captions and arrangement of this OPA are for the convenience of the parties to this OPA. The section headings, captions and arrangement of this instrument do not in any way affect, limit, amplify or modify the terms and provisions of this OPA. The singular form shall include plural, and vice versa, and gender references shall be construed to include all genders.

12.5. DRAFTER. This OPA shall not be construed as if it had been prepared by one of the parties, but rather as if both parties have prepared it.
