City Council  
Sacramento, California

Honorable Members in Session:

SUBJECT: Approval of Plans and Specifications for 9th Street Sewer Replacement

SUMMARY:

The Director of Public Works office has prepared plans and specifications for the subject project. Copy of said plans and specifications has been forwarded to the City Clerk and approval is recommended.

BACKGROUND:

The subject project will replace the existing, antiquated, brick and concrete sewer system along 9th Street from the alley between I and J Streets to the alley between K and L Streets. The sewer system is badly deteriorated and must be replaced for the health and safety of the Public.

FINANCIAL:

The City Council has approved \$252,000.00 in the Public Works Budget from Sewer Funds for the subject project. The total amount currently available for this project is \$233,892.28. The current estimated construction cost is \$111,168.00.

RECOMMENDATION:

The Director of Public Works recommends that the plans and specifications be approved and that bids be received on April 3, 1984.

Respectfully submitted,

*J. F. Varozza*  
J. F. VAROZZA  
Director of Public Works

Recommendation Approved:

*Walter J. Slupe*  
Walter J. Slupe, City Manager
