Description/Analysis

Issue: Over the past 20 years, the City Treasurer's Office has solicited proposals from firms interested in providing investment banking and financial advisor services to the City for a term of five years. After issuing a request for proposal (RFP) in August, the City Treasurer's Office received proposals from five individual firms as well as four team proposals, representing a total of 25 firms. This represents the strongest response received from any Investment Banking RFP.

After reviewing the proposals and conducting interviews, the Investment Banking RFP Selection Committee has recommended the team of Stone & Youngberg LLC; Goldman, Sachs & Co.; Merrill Lynch, Pierce Fenner & Smith Incorporated; Sutter Securities Incorporated; and Siebert Brandford Shank & Co. to provide the City with investment banking and financial advisor services during the next five years. The City Treasurer, after recusing himself from the Selection Committee, supports this decision and is asking City Council to approve the attached resolution authorizing the appointment of this team and execution of the related agreements.

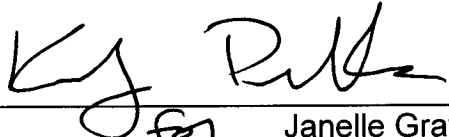

Policy Considerations: This RFP process is consistent with past selection methods approved by City Council. The City Treasurer continues to recommend a five-year contract as prudent and appropriate to provide for continuity in meeting needs of the City's financing program while still providing the opportunity to periodically evaluate various changes in the industry (and within firms) that could improve the City's financing efficiency. The contract provides for termination and replacement of team members at the discretion of the City Treasurer.

Environmental Considerations: The City Council's action in adopting these resolutions is not a project for purposes of the California Environmental Quality Act.

Rationale for Recommendation: The approval of the attached resolution authorizes the City Treasurer to execute an agreement with Stone & Youngberg LLC, Goldman, Sachs & Co., Merrill Lynch, Pierce Fenner & Smith Incorporated, Sutter Securities Incorporated, and Siebert Brandford Shank & Co. to serve as investment bankers and financial advisors to the City for the next five years. After the reviewing the proposals and conducting interviews, the diverse, knowledgeable, and experienced Investment Banking RFP Selection Committee recommends the aforementioned team to best meet the needs of the City. The appointment of this team will aid in the continued growth and financial strength of the City. For detailed information on the selection process, see Attachment 1, page 4.

Financial Considerations: There are no budget impacts as a result of the appointment of investment banking and financial advisor firms. Compensation for services will be negotiated on a project-by-project basis at the time of each financing and will be contingent upon the sale of bonds, as the cost of such services is built into the financing structure.

Emerging Small Business Development (ESBD): The proposal process required all firms to submit a completed Emerging/Small Business Enterprise Certification. The proposal evaluation criteria also provided for a five percent preference for those teams that included qualified ESBE firms. Five of the 25 firms involved in the proposal submissions are certified by the City or the State of California as being a small or emerging-business enterprise. Those firms included Alta Vista Financial, Inc.; Backstrom McCarley Berry & Co.; Cabrera Capital Markets, LLC; Grigsby & Associates, Inc.; and Sutter Securities Inc. The recommended team includes Sutter Securities Inc., which will be given opportunities to participate in structure development and marketing of bonds.

Attachment 1**Background:**Introduction

Over the past 20 years, the City Treasurer's Office has solicited proposals from firms interested in providing investment banking and financial advisor services to the City for a term of approximately five years. This is the fifth time the City Treasurer's Office has gone through this process. The current team of investment bankers has been under contract with the City for six years, as a one-year extension was granted to their contract, per approval from City Council in June 2006.

The RFP encouraged investment banking firms to submit "team" proposals, as the City continually has a variety of financings and projects in the works and a team allows the City to take advantage of the combined financing expertise and distribution strengths of the various firms. Asking the firms to choose their teams also enables them to choose whom they would like to work with and combine efforts to put forth a diverse combination of strengths that best meets the needs of the City.

The objective of requesting proposals is to enable the City to identify its needs for the next five years and determine which firm or team of firms can meet these needs. The RFP process also allows the City to periodically evaluate various changes in the industry and the capabilities of firms to adapt to these changes. The City is involved in more types of financing projects than most other municipal issuers, including redevelopment projects, refundings, and land-secured bonds. A team allows the City to access specialty expertise in multiple areas.

A five-year period is preferred for various reasons. With the multitude of financings that are possible with such a large city, the City Treasurer's Office is not staffed to be issuing RFPs for each financing. Also, the City often has projects and financings that continue for months or years before going to market; the continuity of firms for these complex, long-term projects is a great benefit to the City. Additionally, the City issues multiple types of debt, similar to any large city; however, these transactions are generally more complex in structure with a relatively small issuance size, compared to the industry standard (average size over last five years was \$114 million). A long-term contract is beneficial as it allows the City to attract the firms that best meet the City's needs, while providing continuity for long-term, more complex projects.

RFP Process

In the past 20 years the City has been in contract with four unique teams, representing 11 firms. Below are the past teams and years served:

City of Sacramento's Investment Banking Teams

1987 - 1991	1991 - 1996	1996 - 2001	2001 - 2007
Paine Webber	Stone & Youngberg	Merrill Lynch	Merrill Lynch
Stone & Youngberg	Donaldson, Lufkin & Jenrette Securities	Stone & Youngberg	Stone & Youngberg
	Grigsby Brandford Powell Inc.	E.J. De La Rosa & Co.	E. Wagner & Associates
	Merrill Lynch	Sutter Securities	Goldman, Sachs & Co. Siebert Brandford Shank & Co.

The RFP process for the next term began in August with the distribution of the RFP on August 23, 2007. The below events followed:

Event	Date
Distribution of RFP	August 23, 2007
Pre-Proposal Conference	September 7, 2007
Proposals Received	September 17, 2007
Interviews	October 1, 2007
Selection Notification	October 4, 2007
City Council Presentation	October 30, 2007
Contract Begins	Upon execution of all documents.

The RFP was sent out to approximately 38 investment banking and financial advisor firms, and over 75 firms viewed the RFP online using the Procurement Services Division's website. The RFP was also advertised in the Bond Buyer, an industry-wide daily paper. To allow the firms to have a forum in which to ask questions related to the RFP, the City Treasurer's Office held a Pre-Proposal Conference on September 7, 2007. This conference was attended by 15 individuals representing 12 firms. Additionally, the Pre-Proposal Conference was videotaped and made available on the City's website.

On September 17, 2007, the City received five proposals from individual firms and four team proposals in total representing 25 firms; the four team proposals represented 20 prominent investment-banking firms, listed below:

TEAM A	TEAM B
DEPFA First Albany Securities LLC Estrada Hinojosa & Co. Inc. First Southwest Company Lehman Brothers Inc. Loop Capital Markets, LLC Morgan Stanley & Co. Inc. Piper Jaffray & Co.	Bear, Stearns & Co. Inc. De La Rosa & Co. UBS AG
TEAM C	TEAM D
JP Morgan Chase & Co. Bank of America Securities LLC Backstrom McCarley Berry & Co, LLC Citigroup Global Markets Inc. RBC Capital Markets	Stone & Youngberg LLC Goldman, Sachs & Co. Merrill Lynch, Pierce Fenner & Smith Incorporated Sutter Securities Incorporated Siebert Brandford Shank & Co., LLC

The City’s RFP process was two-phased. The first phase consisted of the submission of a detailed proposal in response to various questions and hypothetical exercises, as well as disclosure of professional qualifications. The second phase involved presentations to the Investment Banking RFP Selection Committee, which consisted of Thomas Berke, Assistant City Treasurer; Janelle Gray, Public Finance & Banking Manager; Russell Fehr, Finance Director; Satoshi Matsuda, Finance Director of SHRA; and David Taylor, CEO of David S. Taylor Interests.

During the first phase, members of the City Treasurer’s Office reviewed and rated the proposals. Then After a review and rating of the proposals by members of the City Treasurer’s Office, the entire Selection Committee met and determined that the four teams were most qualified to meet the various needs of the City, and the teams were invited to participate in the interview phase on October 1, 2007.

The evaluation criteria used by the Selection Committee in reviewing the written proposals conducting the oral interviews focused on five critical areas:

- Staff Qualifications & Experience
- Firm Experience
- Team Structure of Hypothetical Scenario
- Cost
- Other Factors

Additionally, a 5% preference was added for certified Emerging Small Business Enterprise firms.

At the conclusion of the oral interviews, the Selection Committee was virtually unanimous in concluding that the best team to provide investment banking services for the City for the next five years consists of the following firms: Stone & Youngberg LLC; Goldman, Sachs & Co.; Merrill Lynch, Pierce Fenner & Smith Incorporated; Sutter Securities Incorporated; and Siebert Brandford Shank & Co. Four out of five Selection Committee members ranked them first, and one member ranked them second.

The recommended team brings the financial strength and stability needed to effectively structure and market the City's financings, and it offers specialty expertise in redevelopment, land-secured financings, real estate, and arenas. The five firms also clearly demonstrated their ability to work as a team and explained how they intend to meet the direct and future needs of the City.

Additionally, the team's ability to meet the financial obligations of the City's financings is illustrated by a combined net excess capital of over \$2.7 billion. While the City will have access to an entire range of services and expertise in the public-finance arena, a total of 36 professionals, with an average of 17 years of experience, will be specifically assigned to work directly on the City's financings needs.

The City will also have access to an extensive institutional and retail-marketing system. The marketing strength of the team is evident in its sales activity. Over the past three years, the firms sold nearly \$630 billion of bonds nationwide. Further illustrating their capabilities and experience in the Sacramento market, during that time firms sold over \$8.7 billion in secondary market bonds issued by local entities including the City, the County of Sacramento, Sacramento Municipal Utility District, and local school districts.

Once approved, each firm will enter into a professional services agreement that will state the terms and conditions under which the firms will perform. The basic terms of the agreement provide that the firms will assist the City in developing and implementing comprehensive financing plans for the preparation, execution, sale, and marketing of municipal bonds and other municipal securities for capital projects and other financing needs authorized by the City Council. The recommended firms have agreed to use their best efforts to bring the City's bonds to market at reasonable rates under existing conditions. A copy of the agreement in substantially final form is provided as Exhibit A to Attachment 2. During the course of negotiating the final form, any non-substantive changes or additions that may be necessary in the interests of the City will be reviewed and approved by the City Treasurer in consultation with the City Attorney's Office.

RESOLUTION NO.

Adopted by the Sacramento City Council

CONFIRMING THE CITY TREASURER'S RECOMMENDATION OF FIRMS TO SERVE AS INVESTMENT BANKERS AND FINANCIAL ADVISORS, AND AUTHORIZING THE CITY TREASURER TO ENTER INTO A FIVE-YEAR AGREEMENT WITH THOSE FIRMS

BACKGROUND:

- A.** The City Treasurer's Office occasionally desires to retain the services of an investment banker and financial advisor who can provide financial expertise and financial services needed to meet the City's diverse financing needs.
- B.** The City Treasurer's Office has solicited proposals from several firms well qualified to provide such financial expertise and financial services. Soliciting these proposals also enabled the City Treasurer's Office to evaluate various technological advances and procedural enhancements that could improve the City's financial efficiency.
- C.** Having reviewed the proposals received, and after considering the City's financing needs, the City Treasurer has selected a financing team. Given the need to maintain continuity on complex, long-term projects, the City Treasurer recommends that the City Council approve a five-year agreement with the team.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

Section 1. The City Council hereby approves the City Treasurer's selection of a financing team consisting of Goldman, Sachs & Co.; Merrill Lynch, Pierce, Fenner & Smith Incorporated; Stone & Youngberg LLC; Siebert Brandford Shank & Co., LLC; and Sutter Securities Incorporated.

Section 2. The City Council hereby authorizes the City Treasurer, on the City's behalf, to enter into a five-year agreement with the financing team identified in section 1, under which the team members will provide the City Treasurer's Office with the desired financial expertise and financial services. The agreement is to be in the form attached to this resolution as **Exhibit A**, subject to the following: the City Treasurer may make non-substantive changes in the form with the approval of the City Attorney's Office.

5. Contractor understands that failure to comply with the provisions of Section 4(a) through 4(i), above, will subject Contractor to possible suspension and/or termination of this Agreement for cause; repayment of any or all of the Agreement amount disbursed by the City; debarment for future agreements until all penalties and restitution have been paid in full and/or for up to two (2) years; and/or the imposition of a penalty, payable to the City, in the sum of \$50.00 for each employee, for each calendar day during which the employee was discriminated against in violation of the provisions of the Ordinance.

The term "designated employees" is a term of art and includes individuals who are working for contractors who are providing services or performing work for the CITY and who are considered to be "consultants" under the Political Reform Act. The term "consultant" generally includes individuals who make, or participate in making, governmental decisions or who serve in a staff capacity. The CITY's Conflict of Interest Code requires designated employees, including individuals who qualify as "consultants", to file the following statements of economic interests:

- (1) An "assuming office" statement of economic interests to be filed within 30 days after execution of the agreement between the City and the contractor;
- (2) Annual statements of economic interests while the agreement remains in effect, to be filed not later than April 30 of each year; and

The above statements of economic interests are public records subject to public disclosure under the California Public Records Act.

The CITY's Conflict of Interest Code also requires individuals who qualify as "consultants" under the Political Reform Act to comply with the conflict of interest provisions of the Political Reform Act, which generally prohibit individuals from making or participating in the making of decisions that will have a material financial effect on their economic interests.

B. **Conflict of Interest Statements.** The individual(s) who will provide services or perform work pursuant to this Agreement are "consultants" within the meaning of the Political Reform Act and the CITY's Conflict of Interest Code: yes no [check one]

- (1) Identify the individuals who will provide services or perform work under this Agreement as "consultants";
- (2) Cause these individuals to file with the CITY Representative the "assuming office" statements of economic interests required by the CITY's Conflict of Interest Code.

Thereafter, throughout the term of the Agreement, CONTRACTOR shall cause these individuals to file with the CITY Representative annual statements of economic interests, and "leaving office" statements of economic interests, as required by the CITY's Conflict of Interest Code. The CITY may withhold all or a portion of any payment due under this Agreement until all required statements are filed.

CONTRACTOR further covenants that in the performance of this Agreement, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor, without the written consent of CITY. CONTRACTOR agrees to avoid conflicts of interest or the appearance of any conflicts of interest with the interests of CITY at all times during the performance of this Agreement. CITY shall make reasonable efforts to notify CONTRACTOR not later than ten (10) days after CITY is served with any such claim, action, lawsuit or other proceeding, provided that CITY's failure to provide such notice within such time period shall not relieve CONTRACTOR of its obligations hereunder, which shall survive any termination or expiration of this Agreement.
- C. All proprietary and other information received from CONTRACTOR by CITY, whether received in connection with CONTRACTOR's proposal to CITY or in connection with any Services performed by CONTRACTOR, will be disclosed upon receipt of a request for disclosure, pursuant to the California Public Records Act; provided, however, that, if any information is set apart and clearly marked "trade secret" when it is provided to CITY, CITY shall give notice to CONTRACTOR of any request for the disclosure of such information. The CONTRACTOR shall then have five (5) days from the date it receives such notice to enter into an agreement with the CITY, satisfactory to the City Attorney, providing for the defense of, and complete indemnification and reimbursement for all costs (including plaintiff's attorney fees) incurred by CITY in any legal action to compel the disclosure of such information under the California Public Records Act. The CONTRACTOR shall have sole responsibility for defense of the actual "trade secret" designation of such information.
- D. The parties understand and agree that any failure by CONTRACTOR to respond to the notice provided by CITY and/or to enter into an agreement with CITY, in accordance with

the provisions of subsection C, above, shall constitute a complete waiver by CONTRACTOR of any rights regarding the information designated "trade secret" by CONTRACTOR, and such information shall be disclosed by CITY pursuant to applicable procedures required by the Public Records Act.

8. Standard of Performance. CONTRACTOR shall perform all Services required pursuant to this Agreement in the manner and according to the standards currently observed by a competent practitioner of CONTRACTOR's profession in California. In this regard, CONTRACTOR shall furnish to CITY such financial information as in the judgment of the CITY is necessary for CITY to determine the reasonable value of the Services rendered by CONTRACTOR. The foregoing is cumulative and does not affect any right or

remedy that CITY may have in law or equity.

- B. Insurance Policies; Intellectual Property Claims: The existence or acceptance by CITY of any of the insurance policies or coverages described in this Agreement shall not affect or limit any of CITY's rights under this Section 10, nor shall the limits of such insurance limit the liability of CONTRACTOR hereunder. This Section 10 shall not apply to any intellectual property claims, actions, lawsuits or other proceedings subject to the provisions of Section 7.B., above. The provisions of this Section 10 shall survive any expiration or termination of this Agreement.
