Our File : 83055

Honorable Councilmen:

We respectfully request a continuance of your hearing for the subject project scheduled for November 8, 1984 to your regularly scheduled meeting of December 6, 1983. It appears that an agreement has been reached between the developer, Dunmore Development, and the Elk Grove School District for purchase of the site. If by your meeting of December 6, 1983 that agreement has been formalized, the applicant will withdraw the request for the Sunrise Valley tentative map. If by December 6th no final agreement has been reached, we will wish to proceed at that time with the hearing for the tentative subdivision map. We appreciate your continued patience in this matter.

Very truly yours,
